The noise of a multitude in the mountains, like that of a great people; a tumultuous noise of the kingdoms of nations gathered together; it will come to pass that a great army will be gathered for the battle. It will come to pass that they will come from a far country, from the ends of heaven and with punishing weapons—to destroy the whole land.

Therefore will all hands be faint, and every man's heart will melt; And they will be afraid. Pangs and sorrows will take hold of them; they will be in pain like a woman in childbirth; they will gaze stupefied at one another; their faces will be aflame.

For the stars of heaven and the constellations in it will not give their light; the sun will be darkened in its going forth, and the moon will not cause her light to shine. And the world will be called to account for its evil, and the wicked for their iniquity; *sin*. The arrogance of the proud will be caused to cease, and the haughtiness of the terrible will be laid low. A man will be made more rare than fine gold, and mankind more scarce than the pure gold of Ophir.

PREFACE

What you are about to witness are the Prophecies of Yahweh, the Creator, being fulfilled.

No man can foretell future events. No man was ever able to nor will ever be able. It's simply beyond man's capabilities to know what will take place ten years from now or even ten minutes from now. But Yahweh's Wisdom is so Magnificent that He alone can calculate man's doings and accurately foretell the outcome.

In the same manner, Yahweh can foretell the events and outcome of nations. I urge you to get our book called *The End*, which accurately shows the Prophecies that have come to pass already and many that will take place in the next few months, bringing about the end of man's governments.

The fascinating Prophecies concerning the nuclear baby involve a number of Prophecies in the Inspired Holy Scriptures, that when correctly combined, show events leading up to June 12, 2007. These Prophecies cover events that started September 12, 2006 and will end nine months from that date with nuclear war, which will leave a third part of man killed over a fourth part of the earth in and around the great River Euphrates. This is a fascinating Prophecy made up of many Prophecies from several different Prophets whose writings were inspired and placed in the Holy Scriptures.

I urge you to not just read this book but study it and study the Scriptures until you can combine them in your own mind and you can see Yahweh's Message of what sin can bring and will bring in this time period.

You will notice, this Prophecy is not for just any time period but for a specific time period. It can't be coincidence, it's too specific. Yahweh's Prophets were very specific so that when you see these Prophecies come to pass maybe then you will believe and repent.

Yahweh also says, the world's religions will not repent even after a third part of man is killed.

● **Revelation 9:20-21—**

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

May Yahweh bless your understanding.

INTRODUCTION

Why Have The Prophecies In The Holy Scriptures Never Been Understood?

The commentators have been poring over the Prophecies written in the Holy Scriptures for hundreds of years. Their statements are nothing but guesses, could-bes, perhaps, and maybes. One said that these Prophecies just do not fit anything in history. Of course not, they are for the end of man's governments in these Last Days, not history. That understanding is found in the Inspired Writings of **Daniyl and Revelation.**

● Daniyl 12:4—

But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and Knowledge will be increased.

Notice that the Prophecies are sealed until the time of The End. So when and by whom can they be published, and who can remove the seals? The Prophecies concerning the unsealing and publishing of these Prophecies are so fantastic because they reveal the Magnificent Mind of Yahweh, Who alone, as the Savior Yahshua said, can reveal these things to the sons of man, or can, in plain black and white, hide them from the wicked men of the earth.

These end time Prophecies were not to be hidden forever. If that were the case, there would have been no need for them. The religious impostors would like you to believe that the Prophecies would never be revealed. In fact, they do not want them revealed because the Prophecies expose them—the man of sin.

Notice what the Apostle Shaul was inspired to write in:

● II Thessalonians 2:1-4—

1 Now we plead with you, brothers, concerning the coming of our King, Yahshua Messiah, and our gathering together to Him,

2 That you not be soon shaken in mind, nor be

troubled, neither by spirit, nor by word, nor by letter as *if* from us, as that the Day of Yahweh is at hand.

3 Let no man deceive you by any means; for *that day will not come*, unless there comes a falling away first, and that servant of sin is revealed: the son of perdition,

4 Who opposes and exalts himself above all that is called gods (elohim), or that is worshiped; so that he, as the Almighty, sits in the Temple of Yahweh, showing himself that he is the Mighty One (El, God).

After the Disciples wrote Book Two of *The Book of Yahweh*, erroneously called The New Testament, Yahweh allowed The House of Yahweh's Work of teaching Yahweh's Laws to cease.

Then for about 1,900 years Yahweh allowed religious impostors to have their way until every Law of Yahweh was rebelled against, as we see throughout the world today. Yahweh allowed this to show how sin spreads when His Laws are not diligently taught and how sin causes disease and destruction, the worst of which we will see in 2007. Now back to **II Thessalonians 2.**

● II Thessalonians 2:5-7—

5 Do you not remember that when I was still with you, I told you these things?

6 And now you know what is restraining him, so that he may be revealed in his time.

7 For the mystery of iniquity is already working, but the One restraining him will continue to restrain him, until he is made to appear in the midst.

The midst he is speaking of is Scriptural. It's the midst that Daniyl and Yahshua Messiah spoke of. It's the midst of the last week of years—the seven-year plan confirmed with Rabin—that Daniyl and Yahshua Messiah spoke of. We will explain this seven-year peace plan in more detail throughout this book. Now back to **II Thessalonians 2.**

● **II Thessalonians 2:8-12—**

8 And then that lawless one will be revealed, whom Yahshua will remove with the breath of His mouth, and make powerless with the appearance of His Coming—

9 Whose Coming is according to the energy of Satan, who works with all power, and signs, and lying wonders,

10 And with all deceivableness of sin in those who are perishing, because they did not receive the love of the Truth, that they might be saved.

11 And for this reason, it will come to pass that they will be sent strong delusions, that they would believe the deception,

12 In order that all those may be judged *as* not having believed the Truth, but as having delighted in sin.

Turning from Yahweh's Laws is what the Hebrew word translated **delusion** in **verse 11** means.

Yahweh withdrew His Work of teaching and publishing His Laws, letting the world follow Satan into the deceivableness of sin. Again, **delusion** means *turning from Yahweh's Laws*. Other Apostles put it this way:

● **II Kepha 2:18-19—**

18 For when they speak great swelling words of worthlessness, they allure—through the lusts of the flesh, through wantonness; licentiousness—the ones who have barely escaped from those who live in error.

19 While they promise them liberty, they themselves are the servants of corruption—for by whom anyone is overcome, to him he is enslaved.

This is what we see in the world today. Liberty means permission to sin—to murder over 46 million babies each year and sell their body parts; to participate in all forms of evil, wicked practices. There is no restriction from this sin, which the Laws of Yahweh forbid. Liberty without Character Education brings suffering, disease and death as Yahweh inspired the Apostles to write in:

● **Romans 1:21-32—**

21 Because that, when they knew Yahweh, they did not glorify *Him* as Father, nor were thankful, but became idolatrous; godworshippers (*worshippers of elohim*), in their reasoning, and their senseless minds were darkened.

22 Professing themselves to be wise, they became fools; simpletons,

23 And exchanged the Glory of the Incorruptible Father for images, made to resemble corruptible man, and birds, four-footed beasts, and creeping things.

24 Therefore, Yahweh also gave them up to uncleanness through the lusts of their own minds, to dishonor their own bodies between themselves:

25 Who exchanged the Truth of Yahweh for the lie; lords (*baalim*), gods, goddesses (*elohim*) and demons, and worshiped and served the creation, rather than the Creator, Who is blessed forever. *Praise Yahweh! HalleluYahweh!*

26 For this reason it came to pass that they gave themselves up to degrading passions: for even their women exchanged the natural use into that which is against nature.

27 And the men did the same thing: leaving the natural use of the woman, *they* burned in their lusts for one another; men committing shameful acts with men,

and suffering in their own bodies the penalty for their error, which is *their* fitting reward.

28 And so, since they did not like to retain Yahweh in *their* knowledge, it came to pass that they were given over to deadly diseases that damaged their brains, robbing them of Righteous Judgment, *thus* doing those things which are perverted;

29 Being filled with all unrighteousness, sexual impurity, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, and malice. *They are* gossips.

30 Backbiters; slanderers, haters of Yahweh, spiteful, arrogant, and boastful. *They are* inventors of evil things, disobedient to parents.

31 And without understanding. *They are* Covenant-breakers, without natural affection, implacable; truce breakers, and unmerciful:

32 Who, knowing the Righteous Judgment of Yahweh, that those who practice such things deserve death, not only continue to do these very things, but also approve of those who practice them.

● **Yahdah 1:10-11—**

10 But these speak evil of those things which they do not understand; but what they know naturally; instinctively, like brute beasts. In those things they corrupt themselves.

11 Woe to them! For they have gone in the way of Cain, have run greedily in the error of Balaam for reward, and have perished in the rebellion of Korah!

KeeP these Scriptures in mind and notice now how Yahweh actually foretold that He would allow Righteousness to be taken away from the earth to show how mankind, without Yahweh's Laws, would bring destruction to, first, his own body and then to the whole world.

● **Isayah 13:1-3—**

1 The burden against Babylon which Isayah son of Amoz saw:

2 Lift up a banner upon the high mountains, raise your voice to them; wave your hand, so they may enter the gates of the Called Out Ones; *The House of Yahweh*.

3 I have commanded My Sanctified Ones; I have also called My Mighty Ones—those who rejoice in My Exaltation—for they will administer My Justice.

Notice in these verses that Yahweh is saying to His Last Days' Work to proclaim these facts concerning what is going to take place in the Last Days. **Verse 10 of Isayah 13** shows it's the same Great Tribulation that Yahshua proclaimed in **Mattithyah 24:29**—the time period when the sun is darkened by nuclear wars.

● **Isayah 13:4-13—**

4 The noise of a multitude in the mountains, like that of a great people; a tumultuous noise of the kingdoms of nations gathered together; it will come to pass that a great army will be gathered for the battle.

5 It will come to pass that they will come from a far country and from the ends of heaven and with punishing weapons—to destroy the whole land.

6 Rejoice, for the Day of Yahweh is at hand; *sing* a song of rejoicing, *for* it will come from the [Almighty].

7 Therefore will all hands be faint, and every man's heart will melt;

8 And they will be afraid. Pangs and sorrows will take hold of them; they will be in pain like a woman in childbirth; they will gaze stupefied at one another; their faces will be aflame.

9 Behold, the Day of Yahweh comes, wonderful, and with the time of sentencing and a zealous administration of Justice. The land will be laid desolate; and its sinners will be destroyed from it.

10 For the stars of heaven and the constellations in it will not give their light; the sun will be darkened in its going forth, and the moon will not cause her light to shine.

11 And the world will be called to account for its evil, and the wicked for their iniquity; *sin*. The arrogance of the proud will be caused to cease, and the haughtiness of the terrible will be laid low.

12 A man will be made more rare than fine gold, and mankind more scarce than the pure gold of Ophir.

13 Therefore the heavens will be shaken, and the earth will move out of her place, in the time of sentencing of Yahweh of Hosts and in the day His Justice is zealously administered.

What causes these plagues to come on man and the earth is shown in **Isayah 24:1-6**. What allowed the Laws to be broken and changed was the fact that there was no one to bring forth the Message concerning the curses that sin brings.

In order to make sure the lesson is remembered Yahweh allowed Righteousness or the Righteous Teachers to be taken away in death and not replaced for a time.

● **Isayah 57:1-2—**

1 Righteousness is done away with, and no man takes *it* to heart; merciful men are taken away, none considering; *understanding*, that Righteousness is taken away so that *evil may come*.

2 They enter into peace; they rest as death lies in wait for them (Psalm 23:4)—those who walk in uprightness.

When there is no Righteous Teacher of the Laws of Yahweh, no one considers what that will bring. So, Yahweh proved His point.

For almost 2,000 years mankind's morals have steadily gone downhill because the earth was without The House of Yahweh and the Laws of Yahweh were dismissed one by one. The last Laws to become dismissed were the Laws forbidding fornication, adultery, sodomy, bestiality, and murder (now called abortion). Since the advent of television, these sins, over the past fifty years, have become acceptable.

So, Yahweh allowed the Righteous Teachers to be taken away but He warned mankind of what would come, though no one took the warning to heart.

● **Isayah 57:4-13—**

4 Against whom do you mock? At whom do you sneer and put out *your* tongue? Are you not children of transgression, a seed of falsehood,

5 Inflaming yourselves with God (El) under every green tree, slaying the children in the valleys under the clefts of the rocks?

6 With the smooth *stones* of the stream is your

portion. They; *the gods (elohim)*, they *are* your lot! You have poured a drink offering to them, you have offered a grain offering. Should I be quiet and bear these things?

7 Upon a lofty and high mountain you have set your bed; there you went up to offer sacrifice.

8 Behind the doors and the doorposts you have set up your remembrance; *mementos, pagan symbols*, for you have disclosed yourself to *those other* than Me, and have gone up to them; you have enlarged your bed. You have made a pact with those whose bed you love, and you looked on their hand; *symbol of an inflaming image*.

9 You went to the king; *Molech*, with ointment, and increased your perfumes; you sent your messengers; *idolatrous images*; far away, but you will be sent down to Sheol; *the grave*.

10 You were wearied by all your ways, but you would not say; This is useless! You have found the satisfaction of your hand; therefore, you did not care.

11 And of whom have you been afraid, or feared; *reverenced*, that you have lied and have not remembered Me, nor taken *it* to your heart? Is it not because I have held My peace; *remaining silent*, for a long time, so you do not reverence Me?

12 I will expose your *false* righteousness, and your *evil* works; and they will not help you.

13 When you cry, let your companies; *all your gods (elohim)*, deliver you; but the wind will carry them all away; vanity will take *them all*. But he who puts his trust in Me will possess the land, and will inherit My holy mountain.

Now notice the next verses, Yahweh said that at a set time He would again build His House and restore Peace with a Righteous Teacher.

● **Isayah 57:14-21—**

14 And it will be said; Build it, build it; prepare the way, remove the stumblingblock from the way of My People!

15 For this is what the High and Exalted One Who inhabits eternity, Whose Name is Holy, says: I dwell in the high and holy *place* and also with those of a contrite and humble spirit, to revive the spirit of the humble, and to revive the mind of the contrite ones.

16 For I will not contend; *prosecute and accuse*, forever, nor will there always be destruction; for the spirit of *man* would fail; *be consumed*, before Me, with the souls that I have made.

17 Because of the iniquity of his covetousness; *idolatry*, he was destroyed because he had been struck; he was ambushed and destroyed, for he went on backsliding in the way of his heart.

18 I have seen his ways, and will heal; *correct*, him; I will also lead him, and restore comforts to him and to his mourners.

19 I create the fruit of the lips; Peace! Peace! to *him that is far off*, and *him that is near*, and I will heal him, says Yahweh:

20 But the wicked *are* like the troubled sea when it cannot rest, whose waters wash up mire and dirt.

21 *There is* no peace, says my Father: for the wicked.

Now back to **II Thessalonians 2**.

● **II Thessalonians 2:5-12—**

5 Do you not remember that when I was still with you, I told you these things?

6 And now you know what is restraining him now, so that he may be revealed in his time.

7 For the mystery of iniquity is already working, but

the One restraining him will continue to restrain him, until he is made to appear in the midst.

8 And then that lawless one will be revealed, whom Yahshua will remove with the breath of His mouth, and make powerless with the appearance of His coming—

9 Whose coming is according to the energy of Satan, who works with all power, and signs, and lying wonders,

10 And with all deceivableness of sin in those who are perishing, because they did not receive the love of the Truth, that they might be saved.

11 And for this reason, it will come to pass that they will be sent strong delusions, that they would believe the deception,

12 In order that all those may be judged *as* not having believed the Truth, but as having delighted in sin.

We see in **II Thessalonians 2:6** that there is a set time for revealing these Prophecies that lead up to Yahshua's coming, and **Daniyl 7:11-12** shows the end of man's governments and man's war-waging religions.

● **Daniyl 7:11-12, 21-22, 25-26—**

11 I beheld, then, because of the voice of the great words which the horn spoke; I beheld until the beast was slain, and his body destroyed, and given to the burning flame.

12 As concerning the rest of the beasts, they had their governments taken away; yet their lives were prolonged for a season and time.

21 I beheld, and the same horn made war with the Saints, and prevailed against them;

22 Until the Ancient of Days came, and Judgment was given to the Saints of Yahweh; and the time came that the Saints possessed the kingdoms.

25 And he will speak *great* words against Yahweh, and will wear out; *mentally attack to cause to fall away*, the Saints of Yahweh, and think to change the Feasts, Holy Days, and Laws; and they will be given into his hand until a time, and times, and the dividing of time.

26 But the Judgment will sit, and they will take away his government, to consume and to destroy *it* completely.

You need to study these verses in Daniyl's Prophecy very carefully. They show that Yahweh's Plan includes letting the major religion lead the world into breaking Yahweh's Laws, proving that man's way will bring destruction to all nations of the earth.

The Apostle Shaul was inspired to write that this major religion would be revealed in Yahweh's set time.

● **II Thessalonians 2:6—**

And now you know what is restraining him now, so that he may be revealed in his time.

The Prophet Daniyl was inspired to write Prophecies for the end time but was instructed to seal the book until that time.

The religions of sin are so blinded, they think the time of The End comes in one day. But the Prophets show it's a fourteen year time period al-
lotted for the build up of hatred, the planning of violence, and building weapons of mass destruc-

tion. This fourteen year time period includes a nine-
month plan to bring about a nuclear war in and
around the great River Euphrates that will kill a
third part of man over that fourth part of the earth. Then will come four more months of nuclear wars that will include all nations and result in the dark-
ening of the sun. All of these things take much more than a day or a 24 hour period.

The Catholic Church, the major religion of the world, seeks after a sign from the queen of heaven, even though such a sign could not reveal these Prophecies or remove the seal from the hidden Prophecies.

Plus! Plus! Plus! Please read for yourself the Savior's Words in the next verses. The rebellious religious leaders will not read them because the words would stop their members from looking at clouds and bleeding glass and paintings. If they stopped wasting their time on fantasy they just might start searching the Scriptures, believing the Prophets and repenting of their sins, and then Yahweh would heal them.

● **Mattithyah 12:39-40—**

39 So He answered, and said to them: An evil and adulterous generation seeks after a sign, and no sign will be given to it except the sign of the Prophet Yahnah:

40 For as Yahnah was three days and three nights in the belly of the great fish, so will the Son of Man be three days and three nights in the heart of the earth.

Do you see what the Savior is saying? He is saying that if you see a sign it won't be coming from Him or the Creator Yahweh. Why should anyone follow after an evil and adulterous generation who obviously is going against the Words of the Savior?

Speaking of the Great Tribulation and the end of man's governments and religions of and by the people, but not of Yahweh or Yahshua, the Prophet Daniyl was inspired to write in:

● **Daniyl 12:10—**

Many will be purified, and made white, and tried; tested; but the wicked will do wickedly; and none of the wicked will understand, but the wise will understand.

Remember this! Daniyl also revealed these same religions who do not want to admit that they are the cause of the wickedness that is bringing over 46 million murders of babies each year. Millions more die of sickness and disease caused by fornication, adultery, sodomy, bestiality, uncontrolled illegal lust (sexual and otherwise), confusion, hatred, and violence. Millions more will die from wars that will kill a third part of man over a fourth part of the earth in and around the great River Euphrates by June 12, 2007. It will not stop there. These wars will continue for another four months, involving all nations, until the sun is darkened. Compare what was just said with the following Scriptures.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

● **Revelation 6:1—**

And I saw when the Lamb opened one of the seals, and I heard, as it were, one of the four beasts saying as with a voice like thunder: Come and see.

Please notice, Yahshua opened the seal, the seal that the Prophet Daniyl was instructed to place on the Last Days Prophecy. For whom did He open the seal?

● **Revelation 1:1—**

The Revelation of Yahshua Messiah, which Yahweh gave to Him, to show His Servants things which must shortly come to pass; and He sent and signified *it* through His Malak to His Servant Yahchanan:

● **Revelation 3:7-11—**

7 And to the Priests of the congregation of The House of Yahweh at Abel, write: These things says He Who is Holy, He Who is True, He Who has the key of David, He Who opens and no man shuts, and shuts and no man opens:

8 I know your works. Behold, I have set before you an open door, and no man can shut it; for you have a little strength, and have kept My Word, and have not denied My Name.

9 Behold, I give out of those of the assemblage of the accuser—who preach themselves to be those who worship Yahweh, and they are not, but they attempt to deceive by falsehood—behold, I will appoint them for the purpose of worshiping in the presence of your footstool, and they will understand that I loved you.

10 Because you have kept My Laws and the words of My Prophets, which purify you, I also will protect you from the time of the sentence of death, the carrying out of the sentence of death, oppression, affliction, wrong, suffering, violence, outrage, and rape, which will come upon all the world, to test; *prove a point to*, those who dwell upon the earth.

11 Behold, I come quickly! Hold fast that which you have, that no man take your crown.

Yahshua removed these seals so that the Prophesied House of Yahweh could bring the Last Days warning.

● **Mattithyah 24:14—**

And this Message of the Kingdom will be preached to

all the world by the one who bears witness to all nations; and then the end will come.

● **Revelation 11:1-4—**

1 And there was given me a reed like a measuring rod. And the Malak stood, saying: Rise, and measure the Temple of Yahweh, and the altar, and its confines; *where they worship within*.

2 But the court which is outside the Temple leave out, and measure it not; for it is given to the Gentiles. And the Holy City they will tread under foot three and one-half years.

3 And I will give to My Two Witnesses to perform their Prophetic Offices, and they will foretell events about the three and one-half years, those cast about with darkness.

4 These are, as it were, the two olive trees, and, as it were, the two lamps *of the seven lamp Lampstand*, ministering for the Father in the earth.

Now look at **Revelation 6:2-8**.

● **Revelation 6:2-8—**

2 And I looked, and behold, a white horse; and he who sat on it had a bow; and a crown was given to him: and he went out conquering and to conquer.

3 And when He had opened the second seal, I heard the second beast say: Come and see.

4 And there went out another horse that was red; and *power* was granted to him who sat upon it to take peace from the earth, and that they should kill one another; and there was given to him a great sword.

5 And when He had opened the third seal, I heard the third beast say: Come and see. And I looked, and behold, a black horse; and he who sat on it had a pair of scales in his hand.

6 And I heard a voice in the midst of the four beasts, saying: A measure of wheat for a penny, and three measures of barley for a penny; and *see* you do not hurt the oil and the wine.

7 And when He had opened the fourth seal, I heard the voice of the fourth beast say: Come and see.

8 And I looked, and behold, a pale horse. And the name of him who sat upon it was Death; and Sheol; *the grave*, followed with him. And power was given to them over a fourth part of the earth, to kill with sword, and with hunger, and with pestilence—the same under the authority of the beast of the earth.

You will learn through the pages of this book that the Scriptures show the four horsemen, who are of the four beasts, are the four messengers, known as the Quartet. You will see how the nuclear wars were held back until September 12, 2006, when the nine-month nuclear baby was conceived, to be born around June 12, 2007. Then four more months of nuclear wars, involving all nations, will continue until the sun is darkened. All of these things are shown in the Prophecies and have been revealed to Yahweh's House, the Only Place on the face of the earth that has the understanding of the Prophecies of Father Yahweh.

The Whole World Deceived

Anyone who reads the Inspired Scriptures knows that the Creator of mankind gave mankind certain

Laws to follow saying, if you will follow these Laws, you will have all the benefits and you will be given rulership with the Creator Yahweh over all of Yahweh's creation.

Certain ones have followed Yahweh's Laws and are promised a position in Yahweh's Kingdom. The majority of people have not and do not, even today, follow Yahweh's Laws, which is what Prophecy shows for this generation. The Savior said this last generation, this nuclear generation, would be an evil, wicked, corrupt generation, filled with violence, and defiled by illicit sex.

● **Mattithyah 24:37—**

But just as the days of Noah *were*, so will also be the coming of the Son of Man;

● **Genesis 6:5, 11-13—**

5 Then Yahweh saw that the wickedness of man *was* great in the earth, and every intent of the thoughts of *man's* heart *was* only evil, continually.

11 The earth also was corrupt before Yahweh, and the earth was *lawless*, filled with violence.

12 So Yahweh looked upon the earth, and indeed it was corrupt; for all flesh had corrupted their way on the earth.

13 And Yahweh said to Noah: The end of all flesh has come before Me, for the earth is filled with violence through them; and they have corrupted themselves with the earth.

Anyone who will be honest, will admit that the whole world is filled with sin of every kind. The religions today teach against the Laws of Yahweh. They all support wars, fornication, adultery, seduction, murder and the murder of over 46 million babies each year by abortion alone. Laws were just passed for the morning-after pill which will make the number much higher. They are supporting more and more sodomy now because there are more sodomites now than ever before.

The Apostles spoke of this also for this time period. There are men with men and women with women, having illicit sex that corrupts the mind and defiles the whole body. Remember what the Savior said this generation would be like:

● **Mattithyah 24:37—**

But just as the days of Noah *were*, so will also be the coming of the Son of Man;

● **Genesis 6:11—**

The earth also was corrupt before Yahweh, and the earth was *lawless*, filled with violence.

The Hebrew word translated **corrupt** in **Genesis 6:11** means *defiled by illicit sex*.

The Apostle Shaul was inspired to write that such people will not inherit the Kingdom. You need to compare the following verses with the above:

● **Romans 1:16-32—**

16 For I am not ashamed of the Message, for it is the strength of Yahweh unto life everlasting for everyone

who believes: to the Yahdai first, and also to *those of the nations*.

17 For in *this Message* is the Righteousness of Yahweh revealed, *originating* from the Faith *and leading* to the Faith; as it is written: The just will live by the Faith.

18 For the Justice of Yahweh is revealed from heaven concerning all unholiness and unrighteousness of men *or women*, who suppress the Truth in unrighteousness.

19 For that which is known about Yahweh is manifest to them, because Yahweh has shown *it* to them.

20 For since the creation of the world, the invisible things of Him are clearly seen—His Eternal Power and Holiness—being understood by the things that are written; so that they are without excuse.

21 Because that, when they knew Yahweh, they did not glorify *Him* as Father, nor were thankful, but became idolatrous; *godworshippers* (*worshippers of elohim*), in their reasoning, and their senseless minds were darkened.

22 Professing themselves to be wise, they became fools; *simpletons*,

23 And exchanged the Glory of the Uncorruptible Father for images, made to resemble corruptible man, and birds, four-footed beasts, and creeping things.

24 Therefore, Yahweh also gave them up to uncleanness through the lusts of their own minds, to dishonor their own bodies between themselves:

25 Who exchanged the Truth of Yahweh for the lie; *lords* (*baalim*), *gods*, *goddesses* (*elohim*) and *demons*, and worshiped and served the creation, rather than the Creator, Who is blessed forever. *Praise Yahweh! HalleluYahweh!*

26 For this reason it came to pass that they gave themselves up to degrading passions: for even their women exchanged the natural use into that which is against nature.

27 And the men did the same thing; leaving the natural use of the woman, they burned in their lusts for one another; men committing shameful acts with men, and suffering in their own bodies the penalty for their error, which is their fitting reward.

28 And so, since they did not like to retain Yahweh in their knowledge, it came to pass that they were given over to deadly diseases that damaged their brains, robbing them of *Righteous* Judgment, *thus* doing those things which are perverted;

29 Causing to arise all unrighteousness, sexual impurity, wickedness, covetousness, maliciousness; total envy, murder, strife, deceit, and malice. They *even* practice sorcery and witchcraft to protect themselves *from these deadly plagues*,

30 They are backbiters; slanderers, haters of Yahweh, despiteful, arrogant, and boastful, inventors of evil things, disobedient to parents,

31 And without understanding. They are Covenant-breakers, without natural affection, implacable; *truce breakers*, and unmerciful:

32 Who, knowing the Righteous Judgment of Yahweh, that those who practice such things deserve death, not only continue to do these very things, but also approve of those who practice them.

There is no way that anyone could read these Scriptures and think, in any way, that the religions, anywhere in the world, are following Yahweh's Laws. The only answer is what the Scriptures show.

● **Revelation 12:9—**

And the great dragon was cast out, that old serpent, called the devil, and Satan, who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

The Heavenly Father Yahweh Inspired The Scriptures To Be Written

The Holy Scriptures, which everyone today is afraid to mention, show that a Creator inspired the Scriptures to be written and preserved for all mankind. It's the only Book that proclaimed the creation and followed through with a Plan of making mankind into Righteous beings, who would be given rulership over the universe. That Plan to bring about a Kingdom of Righteous Priests to teach the 613 Righteous Laws of peace, joy and love, was never altered or denied by any of the inspired writers of the Holy Scriptures. Think about that fact.

Of the thousands of people used by the Creator, all of them taught and practiced the same Laws, year by year, never veering from Yahweh's Laws or Prophecies. The Prophecies, too, were written by several different generations, but never were there any contradictions written, not by any of the Prophets or the Apostles or the Savior. The only objectors are the disobedient who the Savior calls false, religious imposters.

In order to keep people from reading the Holy Scriptures, the world's religious leaders label those who do as cults or ones who belong to cults. It's like the pot calling the kettle black, in doing so, they are labeling themselves, hoping you will not notice.

If you study the word **cult**, the Savior and His followers fit the meaning of the word. His Disciples later became cult leaders, so were all the Prophets. The Savior said that anyone who followed Yahweh would be persecuted by these religions. Yahshua said to count it as a blessing, because Father Yahweh was greatly pleased. But their propaganda works. Everyone is now afraid to read the Inspired Scriptures and obey Yahweh, wherein is Salvation.

None of the religions today agree with the Laws of Yahweh, nor do they understand the Prophecies foretelling their destruction or the gestation period of the now growing nuclear wars that Yahweh's Prophets spoke of for this time period.

The Truthfulness of the Scriptures is proven in the fact that all the Prophets agreed. Even though they were generations apart, they agreed. Even though they were persecuted for following and teaching the Laws, they stood fast until their deaths and their Writings agreed with each other.

Prophecy Proves The Scriptures True

The Inspired Prophecies, written in *The Book of Yahweh*, prove beyond any doubt the fact that the revealed Plan of Yahweh is being carried out in detail and His Predictions are one hundred percent accurate. Many of the Prophets were inspired to write about this time period in the Plan of Yahweh and how Yahweh would bring His Plan to completion in the 3½ years (a time period) that we are in at this very time.

We are now in the last 3½ years of a seven-year time period that the Prophets showed would bring about the end of man's governments of and by the people, but would also establish a people who have willingly kept the Father's Laws. I wrote about this seven-year peace plan in the 1970s, but it did not come to pass until the 1990's.

Read this book carefully. Within the pages of it, you will find Wisdom, Knowledge and Understanding. You will also learn what you can do to save yourself from the nuclear baby that is soon to affect one-third part of man over one-fourth part of the earth and then the adult nuclear wars that will follow.

CHAPTER ONE

The Seven Year Covenant & The Quartet Of Revelation

Yahweh inspired His Prophets of Old to foretell of the events that would occur in these Last Days—the last of the last seventy years of the 6,000 year period allotted to mankind. This is so we do not have to be deceived or consumed with the plagues that are about to come upon mankind because of their disobedience to Yahweh’s Laws of Love toward all. These events have come and are coming to pass just as Yahweh said they would.

Yahweh inspired His Prophet Daniyl to foretell of a covenant (agreement) that many would enter into for one week (seven years).

● Daniyl 9:27—

And he will confirm a covenant with many for one week...

On September 13, 1993, a secret peace plan which had taken many years to formulate, was signed into effect. In devising this plan, many confidential deals were agreed upon. These negotiations involved much give and take by the parties involved. This is the case with all treaties made and signed by men, who having little to lose themselves, think absolutely nothing of risking the lives and property of others to receive their desired price. So far the only result of this plan has been pain, suffering, frustration, death and destruction.

I wrote about this plan before it was signed, in the books *The Mark of the Beast*, Volumes 1 and 2 back in the 1970s. I have lived to see that prophesied agreement come to pass. This agreement was signed on September 13, 1993, and went into effect October 13, 1993. This information was reported on *ABC World News*, with anchorman Peter Jennings, in August 1993. The following is the transcript of the report aired on *ABC’s World News*.

The PLO Chairman Yassir Arafat is also hearing those shouts of traitor from within the Palestinian community, which is one reason he is working so hard to get this agreement with Israel sealed, signed, and delivered fast. He wants the Arab leaders behind him. Here’s ABC’s Jim Bitterman:

For the third straight day, Yassir Arafat trooped around the Capital seeking political support and

money, and as he arrived in Oman at the end of the day, hoping wealthy Persian Gulf States will back him financially, it was becoming clear that peace would be very expensive.

In Tunis, the man who led the PLO’s secret negotiations with Israel, Ahmed Qureia, told ABC News that the PLO is putting the finishing touches on a SEVEN YEAR PLAN to rebuild the occupied territory.

“If this plan will not be able to be implemented, there will be a catastrophe.” The price tag, Qureia said, nearly 12 billion dollars, a price that he says must be paid to guarantee the peace agreement.

“This process, this Agreement can’t move without a generous Israeli support to the development in the occupied territories.”

Qureia said the PLO’s first priority is to get institutions in the occupied territories; to get schools, hospitals and municipalities working at full strength again; to rebuild infrastructure and reduce unemployment; all of it necessary to meet the expectations of average Palestinians, to get them behind the PLO and away from more extremist groups.

The more immediate problem is the peace agreement itself. Arafat’s advisors are saying tonight, that the next step will be to convene a PLO executive community meeting here in the next twenty-four hours; a meeting which must produce official recognition of Israel’s right to exist, if the peace process is to continue.

Jim Bitterman, ABC News, Tunis

This plan was signed on September 13, 1993 and went into effect on October 13, 1993. Read the words of Daniyl again.

● Daniyl 9:27—

And he will confirm a covenant with MANY for one week...

Notice the phrase **And he will confirm a covenant with many** in **Daniyl 9:27**, from the *NIV Interlinear Hebrew-English Old Testament* by John Kohlenberger III.

The word translated **many** in this verse is the

Hebrew word **rabim** which is the plural form of the Hebrew root word **rab**, according to *The Analytical Hebrew and Chaldee Lexicon* by Benjamin Davidson, page 674.

● The *Hebrew-Aramaic-English Dictionary* by Marcus Jastrow, Volume 1, page 721, shows us that the Hebrew plural ending **yod-mem** can be interchanged with **yod-nun**.

Mem, the thirteenth letter of the Alphabet. It interchanges with n, esp. in the plural termination mem yod (Chald.).

The English spelling for this Hebrew word or name can be either **Rabim** or **Rabin**. Either way, it has the same meaning—the **many**. It is extremely interesting to note, that for the time period in which this covenant was signed, that **Daniyl 9:27** could be literally translated: **And he will confirm a covenant with Rabin for seven years...** It would be difficult to get more specific than that!

The seven-year peace agreement, the Oslo Accord, was signed on September 13, 1993 by the late PLO Chairman Yassir Arafat and the late Prime Minister of Israel Yitzhak Rabin. Daniyl actually prophesied thousands of years ago that a man named Rabin would sign this covenant for one week. This Prophecy came to pass exactly as Daniyl said.

The seven-year peace plan signed on September 13, 1993 was shut down after 3½ years, thereby stopping the action and the count of this seven-year period. The completion of this seven-year plan depended upon the amount of time that the plan was actually implemented. This plan for peace was dependent upon certain events taking place during a certain number of months.

The Catholic Church incorporated many events involving many different nations to bring this plan to completion. The plan would be given its fullest opportunity to bring peace to Israel and the neighboring Arab nations.

The same substance of this plan was to be used later in an attempt to bring peace to the world under a one world religion and one world government.

According to the Prophets, it will not bring peace, to Israel or to the world, but it

Former U.S. President Bill Clinton, former Prime Minister of Israel, Yitzhak Rabin and former PLO leader, Yassir Arafat.

will succeed in involving all nations in this seven-year plan and it will bring total destruction.

● **Daniyl 8:25—**

...And by peace (this 7 year peace plan) will destroy many...

According to Prophecy, this seven-year plan will end with destruction.

● **Daniyl 9:26—**

...and unto the end of the war desolations are determined.

● **Daniyl 9:27—**

...even until the destruction that is determined...

This destruction is brought about by a religious system that changed the Laws of Yahweh.

● **Daniyl 7:25—**

And he will speak *great* words against Yahweh, and will wear out; *mentally attack to cause to fall away*, the Saints of Yahweh, and think to change the Feasts, Holy Days, and Laws; and they will be given into his hand until a time, and times, and the dividing of time.

The changing of the Laws of Yahweh is what causes this destruction to take place.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

The period of time during which this plan would be active is the major factor concerning this Prophecy. Remember, the inactive period of time of this plan is not considered part of this seven-year time period. This is the last seven years of man's governments.

The First Three And A Half Years

Yahweh inspired Prophecies to be written so that we do not have to be deceived, so that we will know when these things will be. Yahshua Messiah spoke of the first part of this seven-year period, giving us the following information:

● Mattithyah 24:7-8—

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes in place after place:

8 All these are the first half of the sorrows: Tribulation!

Since the activation of the peace plan on October 13th, 1993, wars have been raging not only in Israel, but throughout the eastern world. The United States of America has been involved fully in every one of these wars. Yahshua also said that there would be earthquakes, famines, and disease epidemics. Please notice the following statistics on wars, earthquakes, famines (caused by drought), and pestilences that took place during the first 3½ years. The following information can be found in any local library, including *The World Almanac and Book of Facts 1994*, by Funk & Wagnalls Corp., *The Economist*, *Time* magazine, and *Life* magazine.

Earthquakes

On January 17, 1994, an earthquake with a magnitude of 6.7 rumbled through Los Angeles. Mind-numbing sights like the fallen Santa Monica Freeway brought home the scope of the event. The death of 61 people weighed heavily upon the living and the community mourned together, even as the earth came apart.

A Record Of Misery

The wave of mass killing and the refugee exodus in Rwanda built up faster than during any other such episodes in the last half century.

Disease Epidemics

New viruses and drug-resistant bacteria are reversing human victories over infectious disease. They can strike anywhere, anytime. Protozoans, bacteria, viruses, a whole menagerie of microscopic pests constantly assaults every part of our body, looking for a way inside. Many...are merciless killers.

Humanity once had the hubris to think it could control or even conquer all these microbes. But anyone who reads today's headlines knows how vain that hope turned out to be. New scourges are emerging—AIDS is not the only one—and older diseases like tuberculosis are rapidly evolving into forms that are resistant to antibiotics, the main weapon in the doctor's arsenal. For all the vaunted power of modern medicine, deadly infections are a growing threat to everyone, everywhere.

1 Million Americans In Prison

Believe it or not, the United States locks up more criminals than any nation on earth. And yet the crime rate is still going up...and up...and up.

The U.S. incarceration rate of 455 out of every 100,000 people is the highest in the world. ...it began to zoom in the 1980's with little effect on crime.

“Suddenly we've gone wild on incarceration but there is no clear impact on crime rates,” says Professor Alfred Blumstein of Carnegie-Mellon University.

The Sun 7/12/94

Yahweh cuts short these days by significantly decreasing Satan's power. Yahweh did not stop Satan. Yahweh merely slowed her down by casting her out of heaven, where she has had the power to broadcast to man's mind.

Casting Satan from heaven is an event that only spirit beings could do by the Power of Yahweh. Lucifer did not want to lose her power or this prophesied battle, and she spent many years preparing her defense in order to try to prevent this event from coming to pass.

Lucifer has a tremendous amount of power and knowledge given to her by Yahweh. Yahweh had given her the largest and best of everything, and He held nothing back from her. She is full of wisdom, as **Yechetzqyah 28:12** says. She is capable and powerful enough to bring down the strength of all nations of the earth, as **Amosyah 3:11** says. She is able to deceive the world, as **Revelation 12:9** says. Remember, she was able to convince one-third of the Malakim to rebel with her (**Revelation 12:4**), and lead the whole world into the worship of demons and gods (**Revelation 9:20**).

These testimonies prove that it would take a tremendous amount of energy to cast Satan out of heaven. This is exactly what we saw displayed on Jupiter in 1994, a part of the prophesied time period known as the Last Days, when Yahweh's complete and total Body of Laws are being taught.

The energy used against Jupiter in 1994 was the war in heaven spoken of in **Revelation 12:7**.

The Cosmic Crash

On July 16, a chunk of interstellar debris the size of a mountain will smash into the largest planet in the solar system. And that will be only the beginning of the most violent encounter humanity has ever witnessed. Over the following six days, more chunks—some perhaps 2.5 miles in diameter—will smack into Jupiter, one after another, in a barrage as predictable as a round of automatic gunfire. The agent of destruction: an icy comet, long held captive by Jupiter's gravity, that has broken up into a fleet of 21 natural megabombs.

They may blow apart high in the Jovian atmosphere. Or perhaps they will hold together long enough to reach the dense gases that form Jupiter's surface. They will be traveling phenomenally fast: 37 miles a second. If they do stay intact, they will plow deep—15 miles, perhaps even 250 miles—into the gaseous soup.

The resulting explosions will defy comprehension. While the largest hydrogen bomb ever detonated in the earth's atmosphere was the Soviet Union's 58-megaton blast in 1961, the combined energy of the 21 explosions on Jupiter could reach 20 million megatons. The

comet, named Shoemaker-Levy 9 for its discoverers, may unleash a mushroom cloud that rises to a height of 1,500 miles into the Jovian atmosphere. For several hours at least, the giant planet may resonate like a bell. For observers on earth, it may appear to glow with twice its usual brilliance.

May 23, 1994 *Time* magazine

The war in heaven, prophesied in **Revelation 12:7** and various other Scriptures, started after sundown Saturday, July 16, 1994 (which is the first day of the week Yahweh's Way) with the first in a stream of twenty-one asteroids striking the planet Jupiter. This show lasted for six days, with the remaining twenty asteroids continually pounding Jupiter. There were no strikes on the Seventh Day of the week, which is Saturday—**Yahweh's Sabbath Day**—as stated in the fourth of Yahweh's Ten Commandments, found in **Exodus 20:8-11**.

According to an article in the August 1, 1994 Issue of *Time* magazine, entitled "Jupiter's Bruises," they predicted the war would continue into September. According to their report, theorists at NASA's Jet Propulsion Laboratory argued, on the basis of a computer model of S-L-9, that some additional debris (including boulders several hundred miles across) had lagged behind the original twenty-one major fragments, which had already pounded the planet. These stragglers, they predicted, would keep hitting Jupiter through the month of September, hoping some of the latter pieces would smash into the near side of the planet, giving astronomers an opportunity to watch some strikes directly.

The persecution (reproach) suffered by The House of Yahweh during this same time period was in direct fulfillment of **Isayah 43:28**.

● **Isayah 43:28**—

Therefore, I will dissolve the Levitical Priesthood; and will give Yaaqob to the curse, and Yisrayl to reproaches.

For further information concerning the casting out of Satan from the heavens and the Prophecies concerning this event, along with the reproaches brought upon Yahweh's House, please inquire about our book *Unveiling Satan! Her True Identity Revealed*.

The Seven Years Interrupted: The Peace Plan Put On Hold! The Midst—According To Prophecy

The seven-year plan was to go for a time, times and half a time or dividing of time. The time, the

first three and a half years is gone. During the midst, we were waiting for that last half. During this time, the clock stopped. Satan was cast to earth in the midst of Tribulation.

● **Revelation 12:7-12—**

7 And there was war in heaven; Micahyah and her Malakim fought against the dragon; and the dragon fought with her angels,

8 But did not prevail, nor was their place found any more in heaven.

9 And the great dragon was cast out, that old serpent, called the devil, and Satan, who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

10 And I heard a loud voice saying in heaven: Now is come Salvation, and Strength, and the Kingdom of our Father, and the Power of His Messiah; for the accuser of our brothers is cast down, who accused them before our Father day and night!

11 And they overcame her by the Blood of the Lamb, and by the Word of their Testimony; *the Law and the Prophets*, and they loved not their lives unto the death.

12 Therefore, rejoice *you* heavens, and you who dwell in them! Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because she knows that she has but a short time.

During March of 1997, according to scientific reports, the comet Hale-Bopp made its closest approach to earth. Once Satan reached the earth, the ten years given to her by the courts of heaven to bring peace, as told to the Pope in 1988, began.

During the midst, everything stemmed from and came off of the Palestinian-Israeli agreement, getting them to go back to the original Oslo. That meant, in their newsworthy language, to start up the seven-year plan again.

Notice that Prime Minister Benjamin Netanyahu had stopped this plan.

On Nov. 4, 1995, Prime Minister Rabin was slain by a Jewish extremist, jeopardizing the tenuous progress toward peace. Shimon Peres succeeded him until May 1996 elections for the Knesset gave Israel a new hard-line prime minister, Benjamin Netanyahu, by a razor-thin margin. Netanyahu reversed or stymied much of the Oslo Agreement, contending that it offered too many concessions too fast and jeopardized Israelis' safety.

Israeli-Palestinian peace negotiations in 1997 were repeatedly undermined by both sides. Although the Hebron Accord was signed in Jan., calling for the withdrawal of Israeli troops from the city, the construction of new Jewish settlements on the West Bank in March profoundly upset progress toward peace.

An Oct. 1998 summit at Wye Mills, Md., generated the first real progress in the stymied Middle East peace talks in 19 months.

Excerpt under "Israel History"
on Yahoo Encyclopedia

The reason that so many national powers were so involved in this seven-year plan for peace is obvious. Israel is linked together with many nations and

religions because of its location and historical sites and events. All nations are aware of these facts and know that if this plan does not bring peace, all nations could be pulled into nuclear war within a 24-hour period. Casper Weinberger stated this fact in his book, *The Next War*.

The entire hope of this world during this time period was on this peace plan. They actually believed and were fully convinced that the starting up of the seven-year plan was going to bring them true peace.

Bush Mideast Peace Plan Put On Hold

WASHINGTON — Back-to-back bombings in Jerusalem prompted President Bush on Wednesday to put his prescription for Palestinian statehood on hold.

Bush had hoped to spur Israel and the Palestinian Authority to begin mapping a state with the support of the United States and the world community.

"It's obvious that the immediate aftermath is not the right time," White House spokesman Ari Fleischer said.

Fleischer made plain that Bush has decided on his message, but was waiting for the right moment. "It's hard to get people to focus on peace today when there's still suffering from the consequences of terrorism as we speak," the spokesman said.

How long Bush might hold off was being considered by the president and his advisers, who themselves were split on whether it was wise for the United States to be endorsing statehood while Israel was under renewed terror attack.

Bush is due to go to Canada early next week for a meeting with the leaders of seven other industrialized democracies and could use the forum to gather support for his plan.

Even before the two bombings, the Israeli Prime Minister Ariel Sharon had said the timing was wrong for a Palestinian state. On the Arab side of the dispute, there was widespread disappointment that Bush did not intend to go far enough toward a full-fledged state.

He had an interim body in mind, with step-by-step progress toward full and sovereign self-rule alongside Israel, dependent on democratic reform within the Palestinian Authority.

Now go back to:

● **Daniyl 9:27—**

And he will confirm a covenant with many for one week; *seven years*, and in the midst of the week, he will cause the sacrifice and the oblation to cease; instead, he will cause the prevalence of the Lord of Heaven even until the destruction that is determined will be poured upon the desolator.

Notice the words "in the midst of the week". The midst (or middle) of a week of seven days would be after the first three and one-half days. But this is speaking of a day for a year, as is the whole of this Prophecy and also the fulfillment. The midst (or middle) of seven years would be after the first three and one-half years. The period of three and a half years is referred to later as a set time—a time is 3½ years.

As we have learned, the seven-year (one week) plan was confirmed with Rabin September 13, 1993 and began October 13, 1993. Rabin was assassinated as Daniyl's Prophecy shows. Shimon Perez took his office for a short while until an election could be held. Benyamin Netanyahu was elected the next Prime Minister of Israyl. He shut the seven-year plan down after it was in action only 3½ years (one time)—at the midst of the seven years.

Remember, this plan is shown to bring us to The End and the destruction that is prophesied for The End.

● **Daniyl 9:27—**

And he will confirm a covenant with many for one week; *seven years*, and in the midst of the week, he will cause the sacrifice and the oblation to cease; instead, he will cause the prevalence of the Lord of Heaven even until the destruction that is determined will be poured upon the desolator.

With the above information in mind, go to Daniyl 12 where we see the severity of this burning destruction spoken of in **Daniyl 7:11-12**, plus the end time.

● **Daniyl 12:1-2—**

And at that time will come that Great, Perfect Government based upon Perfect Laws, that will save the children of Your people; and there will be a time of trouble, such as never was since there was a nation to that time. And at that time Your people will be saved, everyone who will be found written in the Book of Life.

2 And many of those who sleep in the dust of the earth will awake; some to everlasting life, and some to shame and everlasting contempt.

This time of trouble—time of the earth's burning, the greatest time of trouble ever—takes place during the time prophesied as The End. The resurrection takes place just after the last 3½ years referred to as a "time."

Now notice carefully The End shown in:

● **Daniyl 12:4-7—**

4 But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and Knowledge will be increased.

5 Then I, Daniyl, looked; and behold, there stood two others, one on this side of the bank of the river; and the other on that side of the bank of the river.

6 And *one* said to the Man clothed in linen, who on that future day is teaching: How long *will it be* to the end of these wonders?

7 Then I heard the Man clothed in linen, who on that future day is teaching, when he held up his right hand and his left hand toward heaven, and vowed by Him Who lives forever, that: *It will be* for a TIME (the first 3½ years), TIMES (the seven years of being shut down), and A HALF (the last 3½ years), when *Yahweh* will have accomplished pouring out His Power through His Holy People, all these *things* will be finished.

Yahweh again shows us The End, in a time—3½ years, that is filled with destruction. The first time (3½ years) was the first half of the seven-year peace

plan that was stopped at its midst (**Daniyl 9:27**). Then Yahweh shows us times in **Daniyl 12:7**. One time is 3½ years; times is 3½ years plus 3½ years, which equals seven years.

The seven-year peace plan started October 13, 1993, and was shut down April 13, 1997 after 3½ years of action. The seven-year peace plan stayed shut down for a duration of two times, that's seven years and was signed back into action on April 13, 2004 on the very day prophesied.

A New Life For Oslo

Prime Minister Ariel Sharon's disengagement plan has once again placed on the agenda the dispute over the country's borders, which became somewhat less newsworthy after the failure of Camp David and the shock of the intifada.

The first cliché, which is being heard repeatedly since Sharon called for a withdrawal from the Gaza Strip and northern Samaria, describes his pronouncement as Israel's first step toward leaving the territories and ending the 37-year-old occupation. Sharon is presented as a kind of secular messiah who last fall experienced a one-time epiphany, and in its wake decided to ride backward and to lead Israel confidently out of the settlements, which he established in the past with the same enthusiasm.

...there is no question that his proposals for dismantling the settlements are more daring than those of his predecessors. Moreover, he should be praised for his political courage in pushing through the disengagement plan, contrary to the prevailing opinion in his party. But with all due respect, his plan is far from being "the first step in the exit from the territories."

There is no getting away from the fact that he was preceded there by former prime ministers Yitzhak Rabin and Shimon Peres in the Oslo Accords, Benjamin Netanyahu in the Wye Accords, and Ehud Barak in the Sharm Al Sheikh memo and the Camp David proposals, with his talk of dividing Jerusalem and separating sovereignty above and below the ground on the Temple Mount.

And thus, Sharon's disengagement plan benefits from the legal sponsorship of the Oslo Accords. In spite of his desire to avoid the agreements, Sharon is acting in accordance with them—because what is the withdrawal from the Gaza Strip and from the settlements of Ganim and Kaddim in northern Samaria, if not the implementation of the "third step" of the Oslo Accords in which Israel promised to withdraw from most of the territories "to defined military sites."

President Bush and Prime Minister Ariel Sharon restarted the seven-year plan on the very day Yahweh showed it would go back into action.

We Are Now In The Last Three And One-half Years (Time) Of Man's Governments Of And By The People

Daniyl says it will be the greatest time of trouble ever.

● **Daniyl 12:1—**

And at that time will come that Great, Perfect Government based upon Perfect Laws, that will save the children of Your people; and there will be a time of trouble, such as never was since there was a nation to that time. And at that time Your people will be saved, everyone who will be found written in the Book of *Life*.

The Savior says the same.

● **Mattithyah 24:21-22—**

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

In this same time period there is extreme hatred among the nations. For proof of this, all you have to do is watch the world news.

● **Mattithyah 24:7—**

For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes in place after place.

Then come the nuclear wars that will darken the sun.

● **Mattithyah 24:29—**

Immediately, *but* after the *Great* Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

Now learn a parable so you will know when this time is at hand.

● **Mattithyah 24:32-33—**

32 Now learn a parable from the fig tree: When its branch becomes tender and puts out leaves, you know that summer is near.

33 In the same way, when you see all these things, know that *His coming and The End of the Age* is near, at the very door.

Please notice, these are things we can see taking place. Compare this with the following. The Apostle Shaul spoke of the same time in:

● **I Thessalonians 4:16-17—**

16 For Yahshua Himself will descend from heaven with a shout, with the voice of the Malak Gadol, and with the Trumpet of Yahweh. And the dead in Messiah will be raised first,

17 Then we who are alive *and* remain will be caught up together with them in the clouds, to meet Yahshua in the air; and so will we ever be with Yahshua.

These two verses and the following go together in the same time period—a 3½ year time period. Can we know when this great time of trouble is? Yes! Read it for yourself.

● **I Thessalonians 5:1-5—**

1 But concerning the times and the seasons, brothers, you have no need that I should write to you.

2 For you yourselves know perfectly that the Day of Yahweh so comes as a thief in the night.

3 For when they will say: Peace—true peace! Then sudden destruction comes upon them, as labor pains upon a woman with child; and they will not escape.

4 But you, brothers, are not in darkness, so that this Day would overtake you like a thief.

5 You are all the children of light, and the children of the day; we are not of the night, nor of darkness.

Notice the word times in **verse 1**. Please believe the Inspired Prophecies. We are in the last time—3½ years. The Savior said it Himself.

● **Mattithyah 24:33—**

In the same way, when you see all these things, know that *His coming and The End of the Age* is near, at the very door.

These are things you can see. He also said when you see the Prophecy spoken of by Daniyl the Prophet (Mattithyah 24:15).

The Inspired Scriptures teach that there will soon be Great Tribulation. All religions teach this. They use some of the Prophecies concerning this horrifying event, but they never use the Prophecies that show that breaking Yahweh's Laws is what is causing the suffering to take place.

There is a sure cause and it is written in the Inspired Prophecies. In fact, the Savior is warning everyone to repent of breaking Yahweh's Laws because it's man's iniquity that is causing the suffering. The Book of **Revelation** was given to the Savior by Yahweh. The Savior sent it to Yahchanan (John), to show to us things which would come to pass.

● **Revelation 1:1—**

The Revelation of Yahshua Messiah, which Yahweh gave to Him, to show His Servants things which must shortly come to pass; and He sent and signified *it* through His Malak to His Servant Yahchanan:

In this same Book of **Revelation**, Yahweh shows His Plan to allow nuclear wars to take place among the nations. These Prophecies are precise and they are shown to be for this time period. This time period will complete the full Plan of Yahweh to build a Kingdom of People who will rule as Yahweh rules.

The Prophecy started with seventy weeks of years. Yahweh showed it was seventy weeks of years of action or active events. Yahweh shows so many years would take place to bring about certain events and then the count would stop, until it was time for the next event to take place.

The seventy weeks of years are explained in detail in our books *The Mark of the Beast*, Volumes 1 and 2. Now read this Amazing Prophecy that has been, up to this hour, 100% true.

● **Daniyl 9:24-27—**

24 Seventy weeks are determined upon your people, and upon your Holy City, to finish transgression, to make an end of sins, to make reconciliation for iniquity, to bring in Everlasting Righteousness, to seal up the Vision and Prophecy, and to anoint the Holiest of the Holy People.

25 Know therefore, and understand *that* from the going forth of the Commandment to restore and to rebuild Yerusalem, to the Messiah the Prince, *will be* seven weeks, and sixty-two weeks; the street will be rebuilt again, and the wall, even in troublous times.

26 And after the sixty-two weeks Messiah will be cut off, without a successor; and the people of the prince that will come will destroy the city and the sanctuary; and its end *will be* with a flood; and unto the end of the wars, desolations are determined.

27 And he will confirm a covenant with many for one week; *seven years*, and in the midst of the week, he will cause the sacrifice and the oblation to cease; instead, he will cause the prevalence of the Lord of Heaven even until the destruction that is determined will be poured upon the desolator.

History proves **Daniyl 9:24-27** has come to pass, except for the last destruction prophesied to come upon the desolator.

The Desolator

The desolator is the leading religious system, under the guidance of Satan the Devil, that has been responsible for taking away the Laws that would have prevented the desolation of mankind. This is shown in **Daniyl 7**. There are four world-ruling Kingdoms shown to be permitted in Yahweh's Plan of forming a Kingdom of People who will rule as Yahweh rules. Yahweh has permitted these evil empires to rule and destroy. There will never be another world-ruling kingdom of mankind. The next Kingdom to rule will be the Kingdom of Yahweh that is prophesied to take over the rulership of the world, at the end of this 3½ year time period that we are now in.

In this 3½ year time period, mankind will destroy four-fifths of the earth's population. It started with the nine-months gestation of the nuclear baby, already in progress, which started September 12th, 2006.

The Quartet Of Revelation

Notice the following Scriptures.

● Revelation 7:1-3—

1 And after these things I saw four messengers standing on the four corners of the earth, holding the four winds of the earth, so that the wind should not blow on the earth, nor on the sea, nor on any tree.

2 And I saw another Malak ascending from the east, having the Seal of the Living Father; and he cried with a loud voice to the four messengers, to whom it was given to hurt the earth and the sea,

3 Saying: Hurt not the earth, neither the sea, nor the trees, until we have sealed the Servants of our Father in their foreheads.

Of course there are no corners on the earth. It's round. Reading this makes you think these messengers found a corner somewhere and they're standing there, hovering in the atmosphere, holding

back the clouds, the low pressure and the high pressure so that these winds wouldn't blow. Then another one flies through in the east shouting to these other four. It paints a picture in your mind. It's not this. Here is the explanation.

This word messenger is translated as **angel** in the *King James Version*. The word **angel** is #32 in *Strong's Greek Dictionary*. It comes from word #71 and means *to lead, induce or bring forth*. The word **induce** means *to bring about by influence or stimulation*.

These four angels or messengers are four leaders called the Quartet. These are the four messengers who are, without even realizing it, holding back these winds of war from every part of the earth.

The Quartet

History And Structure

The Middle East Quartet emerged from a desire among the four principal international players engaged in the peace process—the United Nations, the United States, the European Union, and the Russian Federation—to consult more closely over the Middle East conflict and its resolution.

In its meeting on 10 April 2002, the Quartet laid the foundations for what later became the Roadmap. The Roadmap defines parameters and steps to be taken by both Israelis and Palestinians to end the bloodshed and settle the conflict between the two parties, resulting in the existence of two states in the region, living side by side in peace and security.

...the Roadmap is a three-phase plan aimed at achieving a final and comprehensive settlement of the Israeli-Palestinian conflict, on the basis of a goal-driven and performance-based approach. The Quartet is committed to assist and facilitate the implementation of the Roadmap and meets regularly on both the envoys and the principals levels to evaluate the parties performance on implementation.

www.un.org

Notice, from this meeting of April 10, 2002, the foundation for the Roadmap was laid. The Roadmap was laid to lead the Israelis and the Palestinians back to their sacrifices and oblations that were stopped in the midst of the week (seven-year peace plan) by Benyamin Netanyahu after Yitzhak Rabin was assassinated, and to finish the last 3½ years of the peace plan.

Keep in mind, that the power was given to these leaders to hold back the wars. In other words, Yahweh knew in advance that these four nations would have such influence that they could actually prevent or stop these wars from taking place and play a role in this plan way back in **Daniyl**. They're responsible for it and it's all tied together.

Notice in **Revelation 7:2** that there is a Malak ascending from the east having the Seal. Prophecy has proven that I am the Seventh Malak. I have cried with a loud voice to the Quartet and

I'm continuing to do it in our activities with the United States. President Clinton and President Bush were both sent personal letters detailing the seven-year plan and even showing them how they had a role in it. They were both sent the book *The End*, and the Temple Brochure and they have been fully witnessed to.

I have been to the United Nations on several occasions. I was there in 2000. That was the same year that the Pope met with Ariel Sharon. In the summer of 2002, we were in Rome for the Rome Statute of the International Criminal Court set about by the United Nations. All these leaders of the United Nations were witnessed to on this very plan.

Also in Rome, at that time, were the leaders of the European Union, who also on their desks, received this outline of the plan. All these leaders have been cried out to.

I have met with several leaders of Russia in Israel, who were actually working with the government of Israel. We also made a trip to Armenia which is part of Russia, witnessing there about the seven-year plan and The Peaceful Solution.

The entire plan has been presented to all four of these messengers of the Quartet. They have the power. It's not, like I gave some command, "Don't do this." I told them, "I know in Prophecy that you will not do this, this won't start, until a certain thing takes place." This thing was the Sealing of the Saints. These men know nothing about why they are doing what they are doing, but they were actually serving the Plan of Yahweh in doing their work.

Notice the Malak going to these four messengers, the Quartet, is carrying the Seal of Yahweh.

● **Revelation 7:2—**

And I saw another Malak ascending from the east, having the Seal of the Living Father; and he cried with a loud voice to the four messengers, to whom it was given to hurt the earth and the sea,

● **II Timothy 2:19—**

Nevertheless, the Foundation of Yahweh stands sure, having this Seal: Yahweh knows those who are His, because: everyone who reverences the Name of Yahweh departs from iniquity.

The Quartet (four beasts/messengers) was not formed, not active or organized, when I wrote the book, *The Mark of the Beast*. But I knew it would be formed in a time period when the seven-year peace plan was in action. This plan is now active and we're in the last 3½ years of this plan. The Quartet was actually responsible for restarting the seven-year peace plan that was confirmed with Rabin.

I wrote about the seven-year peace plan in the 1970s. This Prophecy was given by the Inspired

Prophets of Yahweh. Daniyl, being one of those Prophets, wrote about this plan. Daniyl was inspired to write the following: "And he will confirm a covenant with many (Rabin) for one week (seven years) and in the midst of the week, he will cause the (or this) sacrifice (which includes both sacrifices and oblations of the Israelis and the Palestinians) to cease. That is, to cease following the plan for a while.

As we saw, this Prophecy was fulfilled September 13, 1993 with the signing of the seven-year peace plan that went into effect on October 13, 1993. This Prophecy was written by Daniyl the Prophet and was foretold in the 1970s in our books, *The Mark of the Beast*, Volumes 1 and 2. This Prophecy was only foretold by The House of Yahweh. It was not foretold by any other group. The very fact that The House of Yahweh foretold this event before it took place, in itself fulfills Prophecy.

The Quartet Being Formed In This Generation Is Yet Another Prophecy Fulfilled

Out of pure necessity the Quartet was formed, due to the deterioration of man's relations—a result of the lack of Character Education taught by the Laws of Yahweh. With this fact in mind we see another Prophecy being fulfilled. The Inspired Prophets spoke of this generation being without the Laws of Yahweh that build Righteous Character; and therefore being filled with sickness, disease, confusion, hatred, violence and destruction that are caused by rebellion against Yahweh's Laws. Rebellion taught to the people by the religions.

The Inspired Scriptures show that today's scientists are just now discovering that uncontrolled acts of illegal sexual lust are causing the millions upon millions of cases of STDs and deaths. What is even more devastating, but ignored, is the confusion they cause to man's mind, making it impossible to make proper decisions.

Due to the drop in morals brought about by the false religions, who teach against the Character Education found only in your Scriptures, the world has extreme uncontrolled illegal lust, fornication, adultery, and sodomy, which lead to sickness, hatred, violence, fighting and war. The fighting and wars are not getting better but worse.

Therefore, the distraught nations, in this generation, formed the Quartet, also prophesied for this time period. Think of it, these messengers of the nations, called the Quartet in the news, were actually prophesied to be formed in this time period

to try to solve today's mounting problems. This shows yet another Prophecy fulfilled.

● **Daniyl 9:27—**

And he will confirm a covenant with many for one week; seven years, and in the midst of the week, he will cause the sacrifice and the oblation to cease; instead, he will cause the prevalence of the Lord of Heaven even until the destruction that is determined will be poured upon the desolator.

This world's religions are telling the world not to listen to The House of Yahweh. They are saying the end will not come. That, too, is another Prophecy fulfilled.

● **II Kepha 3:3-4—**

3 First, you must understand this: that scoffers will come in the Last Days, walking according to their own lusts,

4 And saying: Where is the promise of His coming? For since the fathers fell asleep, all things have remained just as they were from the beginning of creation.

The Apostle also shows the reason that the world cannot see the destruction coming, saying in:

● **II Kepha 2:10, 14 —**

10 And especially those who walk after the flesh in the lust of uncleanness, and despise authority. Presumptuous and self-willed, they are not afraid to speak evil of Yahweh,

14 Having eyes full of adultery, and who cannot cease from sin, beguiling unstable souls. Having minds expertly trained in covetous practices. Cursed children—

The Prophet Daniyl shows that these Prophecies were only sealed until the time of The End which the Savior said was the last generation.

● **Mattithyah 24:32-34—**

32 Now learn a parable from the fig tree: When its branch becomes tender and puts out leaves, you know that summer is near.

33 In the same way, when you see all these things, know that *His coming and The End of the Age* is near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

We are in the time of The End, the last generation. But notice also what the Prophet Daniyl was inspired to write in:

● **Daniyl 12:10—**

Many will be purified, and made white, and tried; tested; but the wicked will do wickedly; and none of the wicked will understand, but the wise will understand.

Yahweh is again calling for all religions on earth to repent. You are the cause of this Great Tribulation. If you will repent of sin, the world will follow and the problems will, after a time, stop. But you won't repent, so you can expect these Prophecies to come to pass.

The nine-month nuclear baby was conceived September 12, 2006. By June 12, 2007 a third part of man will be killed over a fourth part of the earth in and around the great River Euphrates. Maybe you will start to believe then. For those who will

believe, repent of sin and convert to keeping Yahweh's Laws of Righteousness, there is protection also prophesied.

The nine-month nuclear baby is being brought about by the Quartet and will be born around June 12, 2007 with a third part of man killed over a fourth part of the earth, in and around the great River Euphrates. When this nine-months allotted to the Quartet by Yahweh's Plan is completed, and that which was foretold has come to pass, the religions of this world, following the guidance of the Catholic Church, that great city that sits on seven hills, who changed the Laws of Yahweh, still will not repent. They will continue following sin for four more months until the sun is darkened and four-fifths of the earth's population is dead.

● **Daniyl 7:25—**

And he will speak *great* words against Yahweh, and will wear out; *mentally attack to cause to fall away*, the Saints of Yahweh, and think to change the Feasts, Holy Days, and Laws; and they will be given into his hand until a time, and times, and the dividing of time.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

● **Revelation 6:12—**

And I looked when He had opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood.

It's important that you notice this is the same time period mentioned in **Mattithyah 24**.

● **Mattithyah 24:29—**

Immediately, *but* after the *Great Tribulation* of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

After a third part of man is killed over a fourth part of the earth, we will have four months remaining of the last 3½ years allotted to governments of and by the people, which will come to an end with nuclear burning October 13, 2007, according to the Plan of Yahweh.
