**Coronavirus, Sickness, Disease,
Weapons of War, and War–
The Worst of Everything,
Thirteen Months...The End**

Everything in the political and religious worldly system, in this generation, is shown in Yahweh's prophecies to get continually worse, not just the coronavirus.

The coronavirus is only one of the seven plagues that you will

see run together. They will bring 4,199 religions with all of their sinful systems to the perishing.

The deep confusion taking place from sick bodies is also getting worse each day. Confusion causes harmful decisions to be made. Harmful decisions causes harmful reactions, like the Capitol insurrection.

Former President Donald Trump had the coronavirus, and thought it left him without doing any harm. Everyone could see the mistakes he was making, except him, because of the deep confusion that had taken control of his mind.

The confusion comes after the symptoms of the coronavirus are over. The symptoms of the coronavirus last for five moons (months), just as prophecy foretells.

Read this:

Revelation 9:5

And it was granted to them that they should not kill them, but that they should be tormented five moons; months; and their torment was like the torment of a scorpion when it strikes a man.

The sicknesses—already present in the body—caused by sin, take control of the body after the five moons have finished. After the five moons, the character of Cain becomes more aggressive. We see the character of Cain and much more in this generation. This is because of the many diseases carried in the body, but

remain hidden by the immune system until the coronavirus leaves, then they are exposed and ravage the mind and body.

Cain's character is exposed in this generation. Read this:

Genesis 4:6-14

6 So Yahweh said to Cain: Why are you angry? Why are you downcast?

7 If you do righteousness, will you not be acceptable? And if you do not do righteousness, sin *is* crouching at your door. The desire to sin is with you, but you must overcome it!

8 Now Cain talked with Abel his brother; and it came to pass, when they were spread abroad, that Cain rose against Abel his brother and killed him.

9 Then Yahweh said to Cain: Where *is* Abel your brother? And he said; I do not know. *Am* I my brother's keeper?

10 And He said: What have you done? The voice of your brother's blood cries out to Me from the ground.

11 So now, you are cursed from the earth which has opened its mouth to receive your brother's blood from your hand.

12 When you work the soil, it shall no longer yield its strength to you. You shall be a fugitive, and you will be ever searching for peace on the earth.

13 And Cain said to Yahweh; My consequences *are* greater than I can bear!

14 Surely You have driven me out this day from the face of the ground; I shall not be seen by Your face. I shall be a fugitive and a vagabond on the earth, for there shall be continual war, vengeance, and retaliation.

Verse 11: the earth holds the curses but feeds them back to mankind through their food supply.

The Prophecy Time

The **Book of Revelation** was written exclusively for this 3½ year time period we are now in. This 3½ year time period is assigned to be witnessed and foretold by Yahweh's Two Witnesses, as is written in prophecy.

The 3½ years are the last of the time period that Yahweh allotted to mankind and their leader (**I Yahchanan 3:4, 7-8**) to prove what sin, when practiced, brings.

Yahweh's Two Witnesses were assigned to witness and to foretell the actions of the 4,199 religions that bring the seven last plagues on the world and bring the world to the end by the seven last plagues they cause.

Read it and believe it:

Revelation 11:1-4

1 And there was given me a reed like a measuring rod. And the malak stood, saying: Rise, and measure the temple of Yahweh, and the altar, and its confines;

2 But the court which is outside the temple leave out, and measure it not; for it is given to the nations. And the holy

city they will tread under foot three and one-half years.

3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the one thousand two hundred and sixty days (3½ years), those cast about with darkness.

4 These are the two olive trees, and the two lamps *of the seven lamp lampstand*, ministering for the Father in the earth.

The Present Prophesied

Worldly System Ends

When the 3½ Years

of Revelation 11:1-3 End

This 3½ years is the last half of the seven year peace plan confirmed with the late Prime Minister of Israyl, Yitzhak Rabin in 1993.

Daniyl 9:27–

And he will confirm a covenant with many (Rabin) for one week; seven years, and in the midst of the week, he will cause the sacrifice and the oblation to cease; instead, he will cause the prevalence of the Lord of heaven even until the destruction that is determined will be poured upon the desolator.

This Prophecy came to pass September 13, 1993. Information about the seven year peace plan was reported on *ABC World News*, with anchorman Peter Jennings, August 1993. The following is the transcript of that report.

The PLO Chairman Yassir Arafat is also hearing those shouts of traitor from within the Palestinian community, which is one reason he is working so hard to get this agreement with Israel sealed, signed, and delivered fast. He wants the Arab leaders behind him. Here's ABC's Jim Bitterman:

For the third straight day, Yassir Arafat trooped around the Capital seeking political support and money, and as he arrived in Oman at the end of the day, hoping wealthy Persian Gulf States will back him financially, it was becoming clear that peace would be very expensive.

In Tunis, the man who led the PLO's secret negotiations with Israel, Ahmed Qureia, told ABC News that the PLO is putting the finishing touches on a SEVEN YEAR PLAN to rebuild the occupied territory.

“If this plan will not be able to be implemented, there will be a catastrophe.” The price tag, Qureia said, nearly 12 billion dollars, a price that he says must be paid to guarantee the peace agreement.

“This process, this Agreement can't move without a generous Israeli support to the development in the occupied territories.”

Queria said the PLO's first priority is to get institutions in the occupied territories; to get schools, hospitals and municipalities working at full strength again; to rebuild infrastructure and reduce unemployment; all of it necessary to meet the expectations of average Palestinians, to get them behind the PLO and away from more extremist groups.

The more immediate problem is the peace agreement itself. Arafat's advisors are saying tonight, that the next step will be to convene a PLO executive community meeting here in the next twenty-four hours; a meeting which must produce official

recognition of Israel's right to exist, if the peace process is to continue.

Sept. 13, 1993 | Israel and P.L.O. Sign Accord Granting Limited Palestinian Autonomy

Yitzhak Rabin and Yasser Arafat shake hands as President Bill Clinton looks on during the Oslo Accords signing ceremony on Sept. 13, 1993.

On Sept. 13, 1993, Prime Minister Yitzhak Rabin of Israel and the Palestine Liberation Organization chairman, Yasser Arafat, shook hands in the public ceremony at the White House after signing an agreement that granted limited autonomy to Palestine and laid the foundation for future peace talks.

The agreement, officially called the "Declaration of Principles on Interim Self-Government Arrangements" but better known as the Oslo Accords, called for Israeli forces to withdraw from parts of the West Bank and the Gaza Strip, which would come under the control of a Palestinian government. The agreement was intended to be temporary, with permanent solutions to be negotiated over the next five years.

Arafat, Rabin and the Israeli foreign minister, Shimon Peres, received the Nobel Peace Prize in 1994 for their work. Rabin was assassinated by a far right-wing Zionist for his support of the Oslo Accords in November 1995, just a month and a half after signing a concrete agreement to cede the West Bank to Palestinian control.

I wrote the books, *The Mark of the Beast*, Volumes 1 and 2 in 1976, seventeen years before this prophecy took place, revealing Yahweh's prophecies in **Daniyl 9:27** showing the peace plan would be a seven year plan of action. It would be shut down after 3½ years, in the midst, leaving 3½ years to go. The plan was shut down by Benjamin Netanyahu in the midst, as prophesied.

Benjamin Netanyahu: Putting “an End to the Oslo Accords” & the Two-State Solution

For more than two decades, Benjamin Netanyahu has played a central role in the failure of the US-sponsored Oslo negotiations process and the two-state solution that it's predicated on. As he boasted to a group of Israeli settlers in a candid moment caught on video in 2001 following his first term as prime minister (1996-1999): “I de facto put an end to the Oslo Accords.”

In March 2015, while running for his fourth term as prime minister, Netanyahu reiterated his opposition to the creation of a Palestinian state, promising that he would never allow it to happen as long as he's in office.

The plan was not started again until former President Donald Trump fulfilled the terms of the Jerusalem Embassy Act in 2019.

S.1322 (104th): Jerusalem Embassy Act of 1995

govtrack.us

The **Jerusalem Embassy Act of 1995** is a public law of the United States passed by the post-Republican Revolution 104th Congress on October 23, 1995.

Jerusalem Embassy Act

wikipedia.com

The Act recognized Jerusalem as the capital of the State of Israel and called for Jerusalem to remain an undivided city. Its purpose was to set aside funds for the relocation of the Embassy of the United States in Israel from its location in Tel Aviv to Jerusalem, by May 31, 1999.

Despite passage, the law allowed the President to invoke a six-month waiver of the application of the law, and reissue the waiver every six months on “national security” grounds. The waiver was repeatedly renewed by Presidents Clinton, Bush, and Obama. President Donald Trump signed a waiver in June 2017.

On December 6, 2017, Trump recognized Jerusalem as Israel’s capital, and ordered the planning of the relocation of the embassy. However, following the announcement, Trump signed an embassy waiver again, delaying the move, as mandated by the Act, by at least six months.

On February 23, 2018, President Trump announced that the US Embassy in Israel would reopen at the Arnona consular services site of the then US Consulate-General in Jerusalem. The United States Embassy officially relocated to Jerusalem on May 14, 2018, to coincide with the 70th anniversary of the Israeli Declaration of Independence.

The terms of the Jerusalem Embassy Act were met when former

President Donald Trump formally recognized Jerusalem as Israel's capital, 12/6/2017, and moved the US embassy from Tel Aviv to Jerusalem, 5/14/2018.

4 These are the two olive trees, and the two lamps *of the seven lamp lampstand*, ministering for the Father in the earth.

These 3½ years are during the same time period as the last seven plagues. They will end "The End" time period with nuclear burning.

Yahweh reveals the future to those who turn to Him for answers.

Isayah 45:21-22

21 Speak out, bring *your proofs* near; yes, let them take counsel together. Who has declared this from ancient time? *Who* has foretold it from that time? Have not I, Yahweh? And *there is* no source of power except Me, a just Father and a Savior; *there is* none but Me.

22 Look to Me, and be saved, all the ends of the earth; for I *am* Yahweh, and *there is* no other source of power.

The House of Yahweh is here to help you.

Micahyah 4:1-3

1 But in the Last Days it will come to pass *that* the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will *eventually* flow to it.

2 And many nations will come and say; Come, and let us go up to the mountain; *uplifting*, of Yahweh, and to the House of the

Father of Yahaqob, and He will teach us of His ways, and we will walk in His paths. Because the Laws will depart from Zion, and the word of Yahweh from Yerusalem.

3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up a sword against nation, nor will they learn war anymore.

Yahweh bless your understanding.

True Ahab,
