Drugs Were Not The Cause of Robin Willams' Death…Learn the Truth

People get hooked on drugs because they are taught or forced to do so. In this generation, those who make money off the sale of drugs, advertise and sell drugs. The same drug dealers who bring in billions of dollars from drug sales also get their propaganda into hollywood movies convincing everyone that doctors are faithful servants who can make you well with drugs. Others teach that through drug use, you can enter your own utopia, becoming free of pain and the worry of the rat race, which involves the whole world today.

If you will pay close attention to what you watch and allow your children to watch on television, you will start noticing subtle hints, and even not so subtle propaganda, to drug-up, hook-up, and buy guns like the 'good' guys do. They even teach your children that the 'good' kills the evil and live happily ever after.

Those who make money off of guns, also put their efforts into selling guns. They buy many advertisements to teach you to buy guns for your safety. Why do you need guns for safety? Why do you need drugs to relieve pain? Why is everyone's bodies suffering pain? What's causing all the pain? Do drugs really cure what is causing the pain or just cover it up for a while?

It's said now that Robin Williams had Parkinson's Disease and that's why he killed himself. So the question the next generation should ask is: what gave him Parkinson's Disease (PD)? Approximately 1.5 million people have PD in the United States. PD is a degenerative disorder of the central nervous system that affects movement, balance and speech. Your body uses dopamine, which is produced by neurons in the brain, to

control movement. Parkinson's disease kills these neurons. Scientists don't know what exactly causes these cells to deteriorate.

A curse causeless does not come. So what is the cause of this curse called Parkinson's Disease?

But still, PD was not the cause of Robin Williams' death.

Prophecy Warns

Why would the Inspired Prophets of Yahweh and the Savior, Yahshua Messiah, warn us that this generation would have the worst epidemics ever in history? Hey! Wake up! We have the greatest computers capable of storing vast amounts of knowledge, only in this present, prophesied generation. Yet, the greatest epidemics in the history of mankind are present in this intellectual generation.

Stomach Bug May Be Linked to Parkinson's

By Tina Hesman Saey, Science News

Brain cells may be the latest victim of a bacterial bad guy already charged with causing ulcers and stomach cancer.

Helicobacter pylori, a bacterium that lives in the stomachs of about half the people in the world, may help trigger Parkinson's disease, researchers reported May 22 at a meeting of the American Society for Microbiology.

Parkinson's disease is a neurological disorder that kills dopamine-producing cells in some parts of the brain. People

with the disease have trouble controlling their movements. About 60,000 new cases of the disease are diagnosed each year in the United States.

Some previous studies have suggested that people with Parkinson's disease are more likely than healthy people to have had ulcers at some point in their lives and are more likely to be infected with *H. pylori*.

…neuroscientist Michael Salvatore, found that *Helicobacter*-infected mice make less dopamine in parts of the brain that control movement, possibly indicating that dopamine-making cells are dying just as they do in Parkinson's disease patients.

The bacteria didn't have to be alive to cause the problem.

Wired.com

First reported in 1986, human herpes virus 6 (HHV-6) has since become one of the most widespread members of human herpes viruses and comes in two related variants: HHV-6A and HHV-6B.

How Does HHV-6 Function?

HHV-6 is known to attack specific cells including, but not limited to, CD 4 lymphocytes, NKTs, oligodedrocytes, CD8 cells and microglial cells. Moreover, this virus is immune suppressive and also activates other viruses in the process. While HHV-6 can remain latent for long periods of time, it can reactivate and cause infection quickly. The virus can lie in wait in the salivary glands, kidneys or brain until reactivated.

HHV-6 as a Potential Cause to Chronic Lyme Disease, Parkinson's and Alzheimer's

Viruses have been implicated in the development of neurodegenerative diseases such as Alzheimer's, Parkinson's and Multiple Sclerosis (MS.) More specifically, neurotropic virus HHV-6 has been clinically shown to be directly linked to many neurologic problems including encephalitis, mesial temporal lobe epilepsy and many others.

Now, they're on the right track…STDs. But don't stop there because STDs were not the cause.

'Perfect Storm': Parkinson's Disease May Worsen Depression

By Linda Carroll

A push from Parkinson's disease could have put Robin Williams at risk of a "perfect storm" of depression, medical experts said Thursday.

Williams' wife said the comedian was battling the early stages of Parkinson's along with the mood disorder when he took his own life, and health experts say the two are closely linked. Parkinson's, it turns out, can produce depression even in those who have never suffered from it before.

"I think it makes absolute sense that if you have a pre-existing depression and you get a disorder that by itself has a tendency to cause depression and you also just learned you have the disorder, it creates the perfect storm," said Dr.

Jeff Bronstein, a professor of neurology and director of the movement disorder program at the University of California, Los Angeles.

Although the disease is best known for its deleterious effects on the nerve cells that produce dopamine, a neurotransmitter that facilitates movement, Parkinson's also affects a host of other chemical messengers, including serotonin and norepinephrine, which may explain why patients are more likely to develop depression.

The bad news: Often doctors and even patients themselves do not recognize the depression. It's just too easy to say that the patient is down because of the diagnosis, Richard said. Further, Parkinson's and depression have overlapping symptoms, such as a blank facial expression and a monotone voice, she explained.

When it comes to suicide, there isn't any data suggesting that Parkinson's patients are at higher risk than others, experts said. However, Williams did fall into a group with one of the highest suicide rates in the world: Suicides among white, upper-middle-aged men has jumped by more than 50 percent in the last decade, according to the Centers for Disease Control and Prevention.

One thing researchers do know is that people with a history of depression are likely to develop Parkinson's-related depression before they start having motor symptoms, said Dr. Daniel Weintraub, an associate professor of psychiatry at the University of Pennsylvania School of Medicine. However, it's usually a motor symptom, such as unexplained tremor, that brings patients in to the doctor's office, he said.

Studies have shown "that it's not uncommon for Parkinson's patients to have death and suicide ideation," said Weintraub

Nbcnews.com

That’s all the information on neurology that the neurologists can disclose at this time. The fact is, the diseases set up in your body at this time are incurable.

Neurology – What is Neurology

Neurology is the medical specialty which focuses on the diagnosis and treatment of diseases and disorders of the brain and nervous system. A physician who practices neurology is called a neurologist. A surgeon who operates on the brain is called a neurosurgeon.

Neurologists treat stroke patients, as well as patients with epilepsy, Parkinson’s disease, and hundreds of other neurological issues, some of which are acute, others of which may be ongoing, or chronic.

About.com

History of neuroscience

From the ancient Egyptian mummifications to 18th century scientific research on “globules” and neurons, there is evidence of neuroscience practice throughout the early periods of history. The early civilizations lacked adequate means to obtain knowledge about the human brain. Their assumptions about the inner workings of the mind, therefore, were not accurate. Early views on the function of the brain regarded it to be a form of “cranial stuffing” of sorts. In ancient Egypt, from the late Middle Kingdom onwards, in preparation for mummification, the brain was regularly removed, for it was the heart that was assumed to be the seat of intelligence.

According to Herodotus, during the first step of mummification: “The most perfect practice is to extract as much of the brain as possible with an iron hook, and what the hook cannot reach is mixed with drugs.” Over the next five thousand years, this view came to be reversed; the brain is now known to be the seat of intelligence, although colloquial variations of the former remain as in “memorizing something by heart”.

Wikipedia.com

No science left behind

University College London (UCL) recently won £140 million ($245 million) of private funding for a new initiative to study neural circuits and behavior, fighting off tough competition from Oxford and Cambridge. With reduced government grants and increasingly expensive technology, funding from private sources is crucial to continuing advancement in science. However, whereas private funding once aimed to fund risky projects and fill in gaps in public funding, public and private sources now increasingly seem to funnel money toward similar projects. It is essential that funding for specific topics does not skew research to the detriment of important areas that might be temporarily less fashionable.

Although foundations have always been a part of the research funding landscape, the contribution of private philanthropy to biomedical research has been steadily increasing. The Germany-based Hertie Foundation has spent more than $122 million on neuroscience since 2000, a threefold increase compared to what it spent in the previous quarter-century. In the UK, funding from the Wellcome Trust is almost comparable to the funds available from the government’s Medical Research Council. In the US, philanthropic funding for the biomedical sciences is reported to be about $5 billion a year, roughly one-sixth that

of the total amount granted by the National Institutes of Health. Such a trend certainly seems like welcome news to the scientific community.

Such large injections of money certainly have the power to galvanize research in specific areas, but they also have potential downsides. As they are targeted only towards particular projects, they have the potential to skew the distribution of research projects being proposed and executed, by pulling resources from other, less 'popular' areas. Recent funding decisions from private foundations in the US suggest a slant towards clinical rather than basic research: in 2006, 23% of a total of $19 billion of private funding was spent on topics to do with health, compared to 2.9% on science and technology topics. This is a significant shift from the figures for 1999, when basic science received a slightly larger piece of the pie: 17.2% of $11 billion of private funding was for research on health, compared to 3.6% for science and technology topics (http://foundationcenter.org/findfunders/statistics/gssubject.html). Although this difference seems slight in terms of percentages, the percentage of money allocated to pure science and technology has decreased over the intervening years, while the total money available has increased by about $10 billion from 1998 to 2006. These small differences in percentage points therefore mean huge differences in the money available. Areas deemed important by private donors are thus increasingly important for determining research priorities.

Nature.com

There's much more money to be made in diseases than in stopping the cause of the disease. A curse causeless does not come. There is no cure, but there is a cause that could be stopped, which in turn would stop the disease.

We know what causes STDS. We know that STDs are created by breaking the health Laws found in the Inspired Writings of Yahweh's Prophets. These health Laws are found in every bible.

We see America and the whole world teaching and practicing breaking these Laws in spite of the fact that we know they will cause, and are causing, diseases of all kinds, including Parkinson's Disease. Numerous scientific tests prove, without a doubt, that the Inspired Scriptures written by Yahweh's Prophets are correct in what they warned would cause sickness, disease, confusion, and even death.

Is There a Price to Pay for Promiscuity?

By Chris Iliades, MD | Medically reviewed by Pat F. Bass III, MD, MPH

Society puts an emphasis on sexuality – but casual sex can impact your physical and emotional health in ways that you may not suspect.

Can promiscuity threaten your longevity? The short answer is yes. Having a large number of sexual partners has been linked to poor sexual health and decreased longevity. Why? The more sexual partners you have, the greater your risk for sexually transmitted diseases (STDs) like HIV/AIDS and other life-threatening conditions like prostate cancer, cervical cancer, and oral cancer.

Here's a rundown of physical risks you face from promiscuity:

- **STDs.** The U.S. Centers for Disease Control and

Prevention estimates that 19 million new STD infections occur each year. Among the most common STDs are chlamydia, gonorrhea, and syphilis, but the most common of all is the human papillomavirus (HPV). HPV can infect the mouth or the genitals, and most people do not know they are infected. HPV has been linked to cervical cancer and to oral and throat cancers.

- **HIV and AIDS.** Being promiscuous and having STDs both increase your susceptibility to the AIDS virus. …AIDS still killed more than 14,000 Americans in 2007.

Everydayhealthmedia.com

Sexual revolution leaving diseased minds and bodies in its wake

There was a time in America when a physician had just two or three young adult patients with sexually transmitted diseases. In 2013 that number has become two or three dozen and is increasing as "hooking up" turns out to be a deadly sexual game.

The participants in the sexual revolution may be paying a price that is so high and fraught with disappointment and disease that it may turn into a continuing nightmare for those caught up in it.

Budziszewski, a professor of government and philosophy at the University of Texas and author of *On the Meaning of Sex* explains that humans are not designed for hooking up, that hearts and minds are designed to work together.

According to Budzisewski a recent survey commissioned by the Women's Forum, 83 percent of college women say marriage is a very important goal for them while at the same time 40 percent

of them are engaging in “hooking up” without any expectation of a lasting relationship.

In the article “Why Hooking Up is Letting You Down” he describes the dysfunctional results of the sexual revolution that started with one generation thinking of it as a game without rules and now the next generation is paying a price in disappointment as well living with life-long sexually transmitted diseases.

Budziszewki asks, “Has the time come to bury the sexual revolution and return to the commands and prohibitions contained in traditional sexual morality?”

Suffering from brain fog? It may be due to an STD

By authordeb | Posted March 1, 2014 | Detroit, Michigan

Confusion, forgetfulness and even dementia can stem from herpes, hepatitis and even HIV

Are you having trouble remembering things, making decisions or having hard time concentrating? You may be suffering from cognitive decline. Although cognitive decline is associated with the aging process it can be caused by other factors such as infections like the herpes simplex viruses 1 and 2.

Just last March, a study published in Neurology found that people who had herpes simplex type 1 virus could be at greater risk for cognitive problems especially when it came to memory.

“Once acquired, herpes viruses are never cleared from the body and instead persist in a latent state. Such pathogens are, however, subject to reactivation and capable of invading the

central nervous system, where they may exert direct damage to brain."

Would you believe me if I said that cold sores, yes the ones that come from herpes simplex virus type 1 (HSV1), HIV and even cytomegalovirus (CMV) are linked to the development of Alzheimer's and dementia.

For over 20 years it has been observed that some people with the disease experience declines in cognition that impairs memory, attention, language, problem solving and decision making that can occur when HIV enters the nervous system and impacts the health of nerve cells. It is estimated that cognitive dysfunction is a major problem for an estimated 1 million Americans living with HIV.

Heart problems linked to sexually transmitted diseases

April 14, 2014

Stroke, heart valve disease and cardiovascular events can stem from STDs

The term "heart disease" refers to several types of heart conditions. The most common type in the United States is coronary artery disease, which can cause heart attack, angina, heart failure, and arrhythmias. High blood pressure, high LDL cholesterol, and smoking are key risk factors for heart disease. Another factor of heart disease coming to light is sexually transmitted diseases.

HIV (human immunodeficiency virus) is a virus spread through body fluids that affects CD4 cells or T cells. Over time, HIV can destroy so many of these cells that the body that it is no

longer able to fight infections and disease. About 50,000 new infections occur each year, with an estimated 1.2 million people already living with HIV.

Patients infected with HIV have an increased risk of developing heart disease. Past studies have looked at this association but had inconclusive results until now. John Hopkins researchers have made the association between HIV and coronary artery disease.

HIV patients may be up to three times more likely to suffer a stroke than people uninfected by the virus that causes AIDS. Over the last decade in the United States, there has been a substantial and significant rise in patients hospitalized for stroke with coexisting HIV infection…

A report released by the CDC (January 8) showed 334,826 cases of gonorrhea in 2012, a 4.1% increase form 2011. There were 15,667 cases of primary and secondary syphilis (the first two stages of syphilis) in 2012.

Cardiovascular syphilis is the most frequent basic cause of death from acquired syphilis. Cardiac syphilis is an infection of the heart and related blood vessels by the syphilis bacteria. Destruction caused by cardiovascular syphilis can be life-threatening. Complications include narrowing of the blood vessels that supply blood to the heart which can cause angina, heart attack and even death. Damage to heart valves can result in heart failure. Human papillomavirus (HPV) is the most common sexually transmitted virus in the United States. Almost every sexually active person will acquire HPV at some point in their lives. HPV is also linked to heart disease.

According to a study by the University of Texas Medical Branch at Galveston, women who had tested positive for HPV were two to three times more likely to have a heart attack or stroke

Hepatitis C is a liver disease caused by the hepatitis C virus: the virus can cause both acute and chronic hepatitis

infection, ranging in severity from a mild illness lasting a few weeks to a serious, lifelong illness. Besides causing damage to the liver, Hepatitis c is a risk factor for heart disease.

Examiner.com

Sodomy: A Public Health Risk

MEN:

– Ninety-five percent or more of the AIDS infections among gay men result from receptive anal intercourse.2

– The risk of anal cancer "soars" by nearly 4,000% for men who have sex with men. The rate doubles again for those who are HIV positive. A Michigan homosexual newspaper admits there is no such thing as "safe sex" to prevent this "soaring" cancer risk.

– Homosexual men face a significantly higher risk of HIV/AIDS, hepatitis, anal cancer, gonorrhea and gastrointestinal infections as a result of their sexual practices.4

– Men who engage in sodomy are 860% more likely to contract a sexually transmitted disease (STD), increasing up to 500% their risk of contracting HIV/AIDS. Men who commit acts of sodomy with men have large numbers of anonymous partners, which can result in rapid, extensive transmission of STDs. Control of STDs is a central component of HIV infection prevention in the United States; resurgence of bacterial STDs threatens national HIV infection prevention efforts.5

– Anal Human Papillomavirus (HPV) infection is nearly universal among HIV-positive homosexual or bisexual men and about 60% in HIV-negative men exhibiting the same sexual

behavior.6

WOMEN:

– Women who commit sex acts with other women face a significantly higher risk of bacterial vaginosis, breast cancer and ovarian cancer than heterosexual women.8

– The spread of Human Papilomavirus (HPV) is not prevented by condoms. The persons most susceptible to cancer associated with HPV are young women (under 20) and people who practice anal intercourse.9

– Women who engage in receptive anal sex are at a higher risk for contracting anal cancer. In fact, in the U.S. general population, anal cancer is more prevalent among women than men – between 1.5 and 2 times more common, perhaps because more women than men engage in receptive anal sex.10

Bestiality brothels are 'spreading through Germany' warns campaigner as abusers turn to sex with animals as 'lifestyle choice'

Animal welfare officer Madeleine Martin problem of 'erotic zoos' is growing

She tells of farmer whose once friendly sheep began refusing human contact

So when he put CCTV in his barn he watched men file in and abuse his herd

By Matt Blake

Published: 11:53 EST, 1 July 2013 | Updated: 11:58 EST, 1 July

2013

Bestiality brothels are spreading through Germany faster than ever thanks to a law that makes animal porn illegal but sex with animals legal, a livestock protection officer has warned.

Madeleine Martin told the Frankfurter Rundschau that current laws were not protecting animals from predatory zoophiles who are increasingly able to turn to bestiality as a 'lifestyle choice'.

'There are now animal brothels in Germany,' Martin told the paper, adding that people were playing down the issue by describing it as a 'lifestyle choice'.

Last November German authorities said they were planning to reinstate an old law forbidding sex with animals after a sharp rise in incidents of bestiality along with websites promoting it.

There are even 'erotic zoos' which people can visit to abuse animals ranging from llamas to goats.

Hans-Michael Goldmann, chairman of the agriculture committee, said the government aimed to forbid using an animal 'for individual sexual acts and to outlaw people 'pimping' creatures to others for sexual use.'

German 'zoophile' group ZETA has announced it will mount a legal challenge should a ban on bestiality become law.

'Mere concepts of morality have no business being law,' said ZETA chairman Michael Kiok.

The terms bestiality and zoophilia are the formal names for having sex with animals for pleasure.

Sex With Animals Linked to Penile Cancer

Jennifer Abbasi, LiveScience Contributor

Date: 07 November 2011 Time: 09:21 AM ET

Updated at 1:05 p.m. ET on Friday, Nov. 11.

For many people, bestiality is a bad joke, but for some it could be a matter of life or death, according to a new study finding that men who had sex with animals in their lifetimes were twice as likely to develop cancer of the penis as others.

Men who had sex with animals also reported a higher incidence of sexually transmitted diseases.

Of the 118 penile cancer patients, 45 percent reported having sex with animals, compared with 32 percent of healthy men, who visited the medical centers for benign conditions, check-ups or cancer prevention. Fifty-nine percent of men who had sex with animals did so for one to five years, while 21 percent continued the behavior, also known as zoophilia, for more than five years. The subjects reported a variety of frequencies for their sex acts, ranging from monthly to daily.

“We think that the intense and long-term SWA practice could produce micro-traumas in the human penile tissue,” Zequi said. “The genital mucus membranes of animals … have different characteristics from human genitalia, and the animals’ secretions are … different from human fluids. … non-human secretions would be toxic for us,” he explained.

Livescience.com

The previous articles show the work of scientists in this generation. Their discoveries were made in the same generation—the last generation—of the prophesied increase in knowledge which produced the computer that has given mankind the ability to increase and store vast amounts of knowledge. The computer has allowed mankind almost instant access to the combined research on any subject. Notice the Prophecy for this generation.

Daniyl 12:1, 4

1 And at that time, one who is like Yahweh will stand up *at* Abel; Yisrayl, the Great Priest, who stands *at* Abel to teach Yahweh's Just, Perfect Laws to the children of Your People; and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time, Your People will be delivered, everyone who will be found written in The Book *of Life*.

4 But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

This time of trouble includes sickness and disease epidemics. To get the full understanding of this most accurate Prophecy, we must couple it with the Savior's Prophecy for this same time period, where it actually means Last Generation. **Daniyl 12:1** reveals it's the greatest time of trouble ever. Now read the Savior's Words.

Mattithyah 24:21-22

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh

be saved; but for the Elect's sake, those days will be shortened.

Verse 21 gives us the same information as Daniyl…the greatest time of trouble ever.

Daniyl 12:4

But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

Notice the phrase **time of The End**.

Mattithyah 24:3

Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will be* the sign of Your coming and The End of the Ages?

Notice the phrase **The End**. Now read:

Mattithyah 24:33-34

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass *away,* until all these things are fulfilled.

In **verse 34** notice the phrase **that generation**, and what takes place in that generation.

Daniyl 12:4

…knowledge will be increased.

This should prove to anyone that the Inspired Prophecies, written by Yahweh's Prophets who were sent by Yahweh, are 100% accurate and can be trusted as future Instruction for us today.

Long Before the Increase of Knowledge

The start of the prophesied increase in knowledge was in 1934.

The Evolution of the Modern Computer. An Open Source Graphical History (1934 to 1950)

This is the home of the Computer Evolution File. This file attempts to provide a comprehensive graphical representation of the evolution of the modern computer for the period 1934 to 1950.

The Evolution of the Modern Computer (1934 to 1950): An Open Source Graphical History

For the record. I believe that The Manchester Mk I Prototype was the first Computer in a modern sense. But the text file is not intended to prove this or any other machine was first. It is only intended to record the known dates and influences for computing machines designed between 1934 and 1950. I Believe that the graph is complex enough to support many interpretations.

virtualtravelog.net

With this knowledge, computerized equipment was produced that allowed the scientific world to see microorganisms that make up all things, including our bodies, which function through the work of the micro-kingdoms that operate every organ in your body, like your eyes, ears, lungs, etc. Only in this generation is mankind capable of seeing these kingdoms at work. Mankind can somewhat tell what these kingdoms do in each organ to keep that organ functioning. Remember, this knowledge only came to man in this generation.

Years before this increase in knowledge, Yahweh gave Laws to mankind showing that certain things could, and would, enter the body of kingdoms and start warring against those kingdoms. Yahweh said these things will defile the body if you engage in those activities that would allow them to enter your body. Don't defile yourself with these things, Yahweh said. Read in your own bible or read the copy below from *The Book of Yahweh*.

Leviticus 18:19-30

19 Also, you shall not have sexual relations with a woman during the uncleanness of her monthly period; *niddah,* nor during any similar uncleanness; *zavah.*

20 Moreover, you shall not have sexual relations with your neighbor's wife, to defile yourself, *along* with her.

21 You shall not give any of your children to be passed through the fire, to sacrifice them to Molech. You shall not profane the Name of Yahweh *by giving your children to gods (elohim).* I *am* Yahweh.

22 You shall not have sexual relations with a man, as with a woman. It is an abomination.

23 Neither shall you have sexual relations with any animal and defile yourself, *along* with it; neither shall any woman

present herself to have sexual relations with an animal. It is confusion and perversion.

24 Do not defile yourselves in any of these ways, for this is how the nations who are going to be driven out before you became defiled:

25 For the world is defiled because they have given themselves over to sin; and the land itself vomits out her inhabitants.

26 You shall therefore keep My Statutes and My Judgments, and you must not commit any of these abominations; neither any of your own nation nor any of the strangers that sojourn among you—

27 (For all these abominations have the people of the land done, who were before you, and thus the land is defiled; *unholy)*—

28Or the land will vomit you out, if you defile it, as it vomited out the nations that were before you.

29 For whosoever shall commit any of these abominations, the person who commits them shall be cut off from among his people.

30 Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. I *am* Yahweh your Father.

Leviticus 11:4-8

4 Nevertheless, there are some that only chew the cud, or only have a split hoof, you must not eat these: the camel, because it chews the cud, but does not have a split hoof, it is unclean to you.

5 The coney, *or rock badger,* because it chews the cud, but

does not have a split hoof, it is unclean to you;

6 The rabbit, because it chews the cud, but does not have a split hoof, it is unclean to you;

7 And the pig, although it has a split hoof completely divided, yet it does not chew the cud; it *is* unclean to you.

8 Their meat you shall not eat, and their carcasses you shall not touch. They *are* unclean to you.

Did you notice these things are unclean to you? Unclean means something that can cause sickness or disease (abomination). If you touch the dead carcass of an unclean animal, this uncleanness, something that is not visible by the naked eye, can transfer to you. Until instruments were manufactured in this Last Generation, it was impossible to see these microorganisms. This proves this writing was inspired by a High Power, a Supreme Being, Who knows about these microorganisms and can see them without a microscope.

The **Book of Leviticus** was not written until round 1490 BCE. Add to that date 1934, the start of the generation when knowledge was increased, and you have 3,424 years before the increase in knowledge when the electric microscope was made possible to view the microorganisms found in and on swine. At death, these microorganisms begin leaving the body of the pig, looking for a new host. They can enter a person's body and start causing the abominations; that is, sickness and disease, we were warned about.

The same is true of STDs that are created by mankind through forbidden sexual acts shown to us in **Leviticus Chapter 18**. Sodomy, bestiality, fornication, adultery and homosexuality create and mutate STDs that were discovered in this generation due to the prophesied increase in knowledge shown in **Daniyl**.

Daniyl 12:1, 4

1 And at that time, one who is like Yahweh will stand up *at* Abel; Yisrayl, the Great Priest, who stands *at* Abel to teach Yahweh's Just, Perfect Laws to the children of Your People; and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time, Your People will be delivered, everyone who will be found written in The Book *of Life*.

4 But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

No person can foretell the future. Yet, the Prophecies in **Daniyl 12** and **Mattithyah 24** stand as absolute proof that these Prophecies were inspired by a Power much more Superior than mankind.

The diseases in this generation were caused by performing sexual acts that we were warned against by Yahweh's Prophets. They had nothing but the Inspiration of Yahweh as their source of knowledge.

Our Forefathers

Yahweh warned, as is written in your bible, that you must teach these Laws to your children to keep them safe and to guide them all the days of their lives. What was so then is also so now. STDs are caused by breaking these Laws. STDs cause confusion of the mind. They cause heartache, pain and discomfort in the body, disruption of family life, murder, suicide, hatred, anger, fighting, war, and so many other maladies and life-altering scenarios. It's difficult to absorb

all of the misery that breaking Yahweh's Laws causes. Yes, STDs are linked to all of these diseases, but there would not be STDs if Yahweh's Laws had been practiced. Therefore, the breaking of Yahweh's Laws is the cause. Notice:

Isayah 24:1-6, 18-20

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

18 And it will come to pass, *that* he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

20 The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

Verse 5 shows that the earth and the people are defiled because they all practice breaking Yahweh's Laws, and the defilement is getting worse each day.

Mattithyah 24:21-22, 29, 33-34

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

29 Immediately, *but* after the *Great* Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass *away,* until all these things are fulfilled.

Yahweh showed us in **Genesis Chapter 4** the trouble a confused, rebellious mind can cause in the example of the great sinner Cain who killed his own brother.

Genesis 4:6-8, 11, 14

6 So Yahweh said to Cain: Why are you angry? Why are you downcast?

7 If you do Righteousness, will you not be acceptable? And if you do not do Righteousness, sin *is* crouching at your door. The desire to sin is with you, but you must overcome it!

8 Now Cain talked with Abel his brother; and it came to pass, when they were spread abroad, that Cain rose against Abel his brother and killed him.

11 So now, you *are* cursed from the earth which has opened its mouth to receive your brother's blood from your hand.

14 Surely You have driven me out this day from the face of the ground; I shall not be seen by Your Face. I shall be a fugitive and a vagabond on the earth, for there shall be continual war, vengeance, and retaliation.

All the world in this generation has gone the way of Cain. They are suffering the same sickness and confusion that cause people to harm themselves and others. Compare what is taking place in the world today with the vengeance and retaliation today.

Yahdah 1:11

Woe to them! For they have gone in the way of Cain, have run greedily in the error of Balaam for reward, and have perished in the rebellion of Korah!

Genesis 4:6-8

6 So Yahweh said to Cain: Why are you angry? Why are you downcast?

7 If you do Righteousness, will you not be acceptable? And if you do not do Righteousness, sin *is* crouching at your door. The desire to sin is with you, but you must overcome it!

8 Now Cain talked with Abel his brother; and it came to pass,

when they were spread abroad, that Cain rose against Abel his brother and killed him.

Genesis 4:14

Surely You have driven me out this day from the face of the ground; I shall not be seen by Your Face. I shall be a fugitive and a vagabond on the earth, for there shall be continual war, vengeance, and retaliation.

The whole world is in a crisis today and getting ready to go into nuclear wars because they have not been taught the way to health and peace.

The Only Way to Peace

The only way to stop or keep your children from taking drugs is through character education. We are all commanded to teach it.

Deuteronomy 6:1, 6, 25

1 Now these are the Laws, the Statutes, and the Judgments which Yahweh your Father has commanded me to teach you: so that you may observe them in the land you are crossing over to possess;

6 And these Laws which I command you this day must be in your heart;

25 And it will be our Righteousness if we observe to do all of these Laws before Yahweh our Father, as He has commanded us.

Our Righteousness? Yes!

I Yahchanan 3:4, 7-8, 10

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

There is a reason for the children getting hooked on drugs and killing themselves or others. It's the same reason there are forty-one wars raging today and nuclear wars prophesied. Yet, you are invited to come to church before you go to war or before you kill yourself or before you start using drugs as if the preachers who teach war have some contact with the Power to save. Read:

Isayah 59:1-8

1Behold, Yahweh's Hand is not shortened, that it cannot save; nor His Ear heavy, that it cannot hear.

2 But your *own* iniquities have separated you from your Father; and your *own* sins have *caused Him* to hide *His* face from you, so He will not listen.

3 For your hands are defiled with blood, and your fingers with iniquity; *sin.* Your lips have spoken lies, your tongue has muttered perverseness.

4 No one calls for Justice, nor does *any* plead for Truth. They trust in vanity; *confusion,* and speak lies; *scriptural untruths.* They conceive mischief; *trouble,* and give birth to evil; *sin.*

5 They hatch vipers' eggs, and weave the spiders' web; he who eats their eggs dies, and when one is broken a viper bursts out.

6 Their webs will not serve as clothing, nor will they cover themselves with what they make; their works *are* works of iniquity, and the act of violence *is* in their hands.

7 Their feet run to evil, and they make haste to shed innocent blood; their thoughts *are* thoughts of iniquity; wasting and destruction *are* in their paths.

8 They do not know the way of Peace, and *there is* no judgment in their goings: they have made themselves crooked paths; whoever walks on them will not know Peace.

Yahshua Messiah's Words? Yes!

Mattithyah 19:17

But He said to him: Why do you question Me about Righteousness? There is only One Who is the Standard of Perfection, and He is Yahweh; so if you would enter into life, keep the Laws of Yahweh.

Revelation 22:12-14

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates

into the City.

Robin Williams got caught up in this money-making rat race, of which and for which all nations stand. It got so depressing, he couldn't stand it any longer. This rat race, that your bible warns you against, brings sickness, disease, confusion, and destruction. Read this!

Deuteronomy 30:15-19

15 See, I have set before you this day Life by Righteousness, and death by destruction—

16 In that I command you this day to love Yahweh your Father, by walking in *all* His Ways, by keeping His Laws, His Statutes, and His Judgments, so that you may live and multiply, and so Yahweh your Father may bless you in the land which you go in to possess.

17 But if your heart turns away, and you are not obedient, and you are drawn away to submit to Gods (elohim), to worship them by serving them—

18 I declare to you this day that you will surely perish; you will not prolong your days in the land which you cross over the Yardan to possess.

19 I call heaven and earth as witnesses against you this day, *that I* have set before you life and death, blessings and curses. Therefore choose Life, so both you and your children may live.

The Way Out!

This is given also in:

Deuteronomy 6:7

And you must teach them diligently to your children, and talk about them when you sit in your house, and when you walk on the road, and when you lie down, and when you rise up.

Did you see the word **diligently**?

Proverbs 20:11-12

11 Even a child is known by his actions; whether his work is pure, and whether it is right.

12 The ear that hears, and the eye that sees—Yahweh has made both of them.

Proverbs 22:6

Train up a child in the way he should go, and when he is old, he will not depart from it.

Proverbs 29:15-18

15 Foolishness is bound in the heart of a child; but the rod of correction will drive it far from him.

16 He who oppresses the poor to increase his riches, and he who gives to the rich—both will surely come to want.

17 Incline your ear, and listen to the words of the wise, then apply your mind to my knowledge;

18 For it will be a delight to cherish them in your mind, and have all of them ready on your lips.

In **verse 15**, we see the rod of correction is the Staff or Scepter of Righteousness that the Savior, Yahshua Messiah, as

High Priest over The House of Yahweh, is now teaching along with this warning.

Hebrews 1:1-4

1Yahweh, Who at various times and in different ways spoke in times past to our fathers through the Prophets,

2 Has in these Last Days spoken to us through *His* Son, Whom He has appointed Heir of all things, for Whom He also made the world;

3 Who, being the reflection of the Perfection of Yahweh, and the Representation of Yahweh's Plan, by upholding all things concerning that which was spoken by Yahweh through the Laws and the Prophets, when He had purged sins, sat down on the Right Hand of Yahweh on high,

4 Becoming so much better than the Malakim, He has, by inheritance, obtained a more excellent Name than they.

Hebrews 10:21, 16

21 And *having* a High Priest over The House of Yahweh:

16 This is the Covenant that I will renew with them after those days, says Yahweh: I will put My Laws into their hearts, and in their minds I will write them.

Children are not left to themselves today; they are left to hollywood, which teaches them sodomy, fornication, adultery, bestiality, homosexuality, and of course, drug use. These things are also taught in schools and many churches, and they are supported by the 'supreme' court and all churches.

All parents should first repent, and then peacefully start demanding that these things change. You would be surprised at what a difference this would make in this generation and your

own life.

Isayah 59:1-2

1 Behold, Yahweh's Hand is not shortened, that it cannot save; nor His Ear heavy, that it cannot hear.

2 But your *own* iniquities have separated you from your Father; and your *own* sins have *caused Him* to hide *His* face from you, so He will not listen.

I Yahchanan 3:22

And whatever we ask, we receive from Him, because we keep His Laws and do those things that are pleasing in His sight.

Revelation 22:12-16

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the City.

15 For outside *are* dogs, and sorcerers, and whoremongers, and murderers, and worshipers of Gods (elohim) and everyone *who professes* to love, yet practices breaking the Laws.

16 I, Yahshua, have sent My Messenger to testify to you these things in the congregations of The House of Yahweh. I am the Root and the Offspring of David, *and* the Bright and Morning Star.

Acts 3:19

Repent therefore, and be converted, that your sins may be blotted out; that times of refreshing may come from the Presence of Yahweh.

I will be given authority to resurrect Robin Williams one day soon. It is Yahweh's Will that he be taught these Wonderful Laws that all the world rejects today. These Laws create love between people, as well as healthy minds and bodies.

II Yahchanan 1:5-6

5 But now I plead with you, lady, not as though I wrote any new Laws to you, but that which we had from the beginning: That we love one another—

6 And this is love: That we walk after His Laws. Those are the Laws, that, as you have heard from the beginning, you should walk in them.

What caused Robin Williams to take his own life is the same thing that's causing forty-one wars in the nations today. Read it for yourself in your own bible and know for sure this was prophesied for this generation.

Isayah 24:1-6, 18-20

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades

away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

18 And it will come to pass, *that* he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

20 The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

All religions today stand guilty before Yahweh, for they were warned of what they are causing. Now is the time to repent and be converted. Call, write or email us; we can help and we desire to do so.

May Yahweh bless your understanding.

Love, True Love
