Ebola...What's Prophesied Next for this Present Prophesied Generation?

Some do not want freedom of speech. Some do not want the cause shown. Should we continue to hide the Truth because some do not want it told?

Ebola virus *n* [Ebola River, Democratic Republic of the Congo] (1976): any of several filoviruses (genus Ebola virus and esp. species Zaire ebola virus) of African origin that cause an often fatal hemorrhagic fever

“Isolates of Zaire ebola virus from wild apes reveal genetic lineage and recombinants.”

The authors presented the sequences of two genes from ebola isolates. One gene the envelope glycoprotein, GP, was related to one of two lineages of Ebola. However, when a second gene, the NP nucleoprotein gene, was analyzed, it was found to be most closely related to the other lineage. Since ebola has non-segmented genome, the relation of the two genes to the two distinct lineages signaled recombination.

Recombination is also frequently found in influenza, another negative sense RNA virus. However, since influenza is a segmented genome that can shuffle gene segments via reassortment, recombination requires that intragene switches

of parental origin are required to demonstrate recombination.

However, this more stringent requirement has been met by multiple sequences generated by multiple genes sequenced by multiple labs. Demonstrations have been presented for H5N1 in PB2, PB1, PA, and NP. Clear examples are also seen in H1 swine isolates including PB2 and PA. These examples involve large portions of the gene coming from one parental source, and other portions from a second parental source.

The recombination requires that the same host is infected with two or more species. One species provides a template for a portion of the gene, while a second species acts as a template for other portion(s) of the gene. Since all replicating genes must copy one strand using traditional (standard set by law) base pairing, the sense of the RNA, is not relevant. Negative sense RNA virus must make a positive sense copy, while positive sense RNA viruses must make a negative sense copy.

Yahweh, the Creator of mankind, did not set standard Laws of genetic lineage for mankind as He did for animals, insects, bacteria, viruses, and all microorganisms. Yahweh did, however, make man to use similitudes to be able to consider, compare, think, and make proper decisions to govern his life according to Righteousness, and the Righteous Laws that he determines them to follow.

With the proof shown above, we can see this present day virus is made up of genetic lineage from swine, apes, and of course, transferd to mankind, the third would naturally be man. Swine and apes do not rape man or freely have sex with man. Read please:

Leviticus 18:23-24—

23 Neither shall you have sexual relations with any animal and defile yourself, along with it; neither shall any woman present herself to have sexual relations with an animal. It is confusion and perversion.

24 Do not defile yourselves in any of these ways, for this is how the nations who are going to be driven out before you became defiled:

Verse 23 shows these viruses are able to invade the brain of mankind, causing confusion, and there are several different names for these brain disorders. The word **defile** in **verse 24** means *sickness or disease*. In many cases, the diseases, acquired by forbidden lustful activities, can be passed on to your children, as far down as your great, great, great grandchildren.

But that's not all, as you just read in the recombinomics article, these illegal sexual acts that are forbidden in your bible and you are warned about by the Loving Heavenly Father Yahweh to keep you healthy, start diseases, viruses or bacteria, that in multiple sequences of these actions bring forth drug-resistant deadly viruses that are incurable.

Now think, please!

Ebola is a very dangerous disease that's capable of hiding, so you can't see it. It's without feeling until the symptoms start showing in the organs, one or all of your organs. It spreads rapidly and in many different ways that we still don't know about. People can have it for days and be spreading it to others without knowing they got it.

Like HIV-AIDS and all STDs, ebola has a cause. There are

health Laws being broken that cause these microorganisms to become deadly. They live freely and always in, what the Scriptures call, unclean animals. There are also acts of uncleanness practiced all over the world in this present, prophesied generation. Read this ignored warning in your own bible or from *The Book of Yahweh*, as shown here.

Leviticus 18:22–

You shall not have sexual relations with a man, as with a woman. It is an abomination.

Did you see the word **abomination**? The Hebrew word translated **abomination** means you cause sickness in your body when you perform certain sexual acts, such as man with man. That same sickness, caused by microorganisms that you placed in your body or took into your body when this forbidden act was performed, is referred to in the Hebrew language as abominable.

Leviticus 18:30–

Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. I *am* Yahweh your Father.

Abominable means you can then pass that sickness on to your offspring by heredity through a wife or another woman.

Science is just now, in this generation, with the use of powerful, electronic microscopes discovering unseen microbes, that your bible warns, are created if certain illegal, sexual lusts are performed. They can crossbreed and mutate inside your body, and your body will start dying. Dying you will die due to sickness and disease, to which there are no cures. This

does not need to be.

Scientific Facts Prove These Health Laws True

The laws in your bible were given to mankind to guide him to a perfect life of peace, joy, love, and health. Having healthy minds, without confusion.

The more you multiply your forbidden acts, the greater these plagues become. Each act of sodomy, fornication, adultery, homosexuality and bestiality adds to this concoction that has been building in your genes and organs. As a result, this concoction has built into a mighty, deadly army that is defiling your body, the earth, and the atmosphere, called the firmament in your bible. Again, notice this warning.

Leviticus 18:20–

Moreover, you shall not have sexual relations with your neighbor's wife, to defile yourself, *along* with her.

Science knows this act causes cervical cancer.

Sexually transmitted diseases (STDs)

Risk factors

By Mayo Clinic Staff

Anyone who is sexually active risks exposure to a sexually transmitted infection to some degree. Factors that may increase that risk include:

Having sexual contact with multiple partners. The more people you have sexual contact with, the greater your overall exposure risks. This is true for concurrent partners as well as monogamous consecutive relationships.

Cervical Cancer

Worldwide, cervical cancer is the third most common type of cancer in women.

Almost all cervical cancers are caused by HPV (human papilloma virus). HPV is a common virus that is spread through sexual intercourse.

A woman's sexual habits and patterns can increase her risk of developing cervical cancer. Risky sexual practices include:

- Having sex at an early age
- Having multiple sexual partners
- Having a partner or many partners who are active in high-risk sexual activities

Contagious cancers

Scientists suspected long ago that cancer could be an infectious disease: 19th-century physicians observed that cervical cancer was common among prostitutes and rare among nuns, suggesting the disease was spread through sex. But it wasn't until the last 50 years that researchers began to draw the direct connection between viruses – organisms that need to get inside healthy cells in order to survive – and the nation's second leading killer. Even now, researchers are still figuring out exactly how the viruses cause cancer.

Leviticus 18:19–

Also, you shall not have sexual relations with a woman during the uncleanness of her monthly period; *niddah*, nor during any similar uncleanness; *zavah*.

Scientific tests show this act slows the brain and causes confusion.

Experimental Studies, Old and New, On Menstrual Toxin. (Journ. Compar. Psychol., vol. xviii, p. 113, August, 1934.) Macht, D. I. and Davis, M. E.

The traditional “uncleanness” of a menstruating woman is based on something more than superstition. Studies conducted for more than ten years have established the existence in the blood serum, the blood cells, the sweat, milk, tears, urine and other secretions of a menstruating woman of a poison, closely related to oxycholesterol, to which the name menotoxin has been applied. The most striking and characteristic effects

of menotoxin are of a phytotoxic nature; but a number of zoopharmacological reactions have been described. Injections of menotoxin have a markedly depressant effect upon animals. It is possibly that a fertile field of research has thus been opened up and further work may lead to important results in medicine and pharmacology.

M. Hamblin Smith

Effect of menotoxin injections on behavior of rats in the maze.

From the Pharmacological Laboratory, John Hopkins University, Baltimore, Md.

Macht and Lubin¹ have described their studies on menotoxin first in these Proceedings and later in a fuller communication elsewhere.² It was shown that in the blood, sweat, saliva, milk and other secretions of menstruating women there is present a toxin, which is especially deleterious to plant protoplasm, but is also...for animals and animal tissues. The chemical nature of this toxin was found by them to bear a relationship to oxycholesterin and allied bodies such as cholic acid.

It is well known that at the time of catamenia, the female organism undergoes profound metabolic and other physiological changes.

Very common concomitants of menstruation are pain, malaise, nervous irritability, and psychic disturbances. In the present investigation an inquiry was made as to whether such symptoms may not be referred to the presence of menstrual toxins.

Albino rats were trained to run in the circular maze, so as to perform that exercise in the shortest period of time and

without errors. The rats were then injected with normal human blood serum on the one hand, and with blood serum from menstruating women, on the other hand, and the effect of the injections was observed. In order to avoid anaphylactic phenomena the injections were made in different rats, and when the same rats were used again, it was only after a long period of rest. Fifteen experiments were made with injections of normal human serum, and twenty-one with menstrual serum, the doses injected ranging from 0.01 cc. to 0.2 cc.

It was found that injections of normal serum produced no effect, or occasionally a slight transient depression. Injections of menstrual serum produced very marked depression of the animals, as manifested by their speed of running, loss of orientation, and numerous errors and frequently there was a distinct paresis of the hind legs.

Did you notice the word **confusion**?

Suffering from brain fog? It may be due to an STD

Confusion, forgetfulness and even dementia can stem from herpes, hepatitis and even HIV

Are you having trouble remembering things, making decisions or having hard time concentrating? You may be suffering from cognitive decline. Although cognitive decline is associated with the aging process it can be caused by other factors such as infections like the herpes simplex viruses 1 and 2.

Just last March, a study published in Neurology found that people who had herpes simplex type 1 virus could be at greater risk for cognitive problems especially when it came to memory.

The study which consisted of 1,625 people, average age 69 years and lived in northern Manhattan in New York, they were given brain function tests that measured thinking, memory and processing abilities and were tested yearly for an average of eight years. Participants had blood samples taken that were tested for five common low grade infections: three viruses (herpes simplex type 1 (oral) and type 2 (genital), and cytomegalovirus), chlamydia pneumoniae (a common respiratory infection) and Helicobacter pylori (a bacteria found in the stomach).

The results showed that those with higher levels of the herpes simplex type 1 virus in their blood were more likely to have more cognitive deficits. More research needs to be done before one can be more definitive about the relationship between the virus and cognitive decline.

In a University of Michigan study published in the Journal of Infectious Diseases for the first time has shown a link between cognitive impairment and herpes simplex virus Type 1 (HSV-1) in children and cytomegalovirus (CMV) in adults.

Researcher's used data from the National Health and Nutrition Examination Survey (NHANES) III and found that HSV-1 (oral herpes) is linked with reading and spatial reasoning test scores among children ages 12-16; impaired coding speed, which is a measure of visual motor speed and attention. HSV-1 was also linked to immediate memory impairment among middle-age

and older adults. CMV was linked with impairment in coding speed, learning and recall in middle-aged adults.

Dr. Amanda Simanek, PhD, MPH, assistant professor of epidemiology at the University of Wisconsin-Milwaukee commented in a release "If HSV-1 begins to have impact on cognitive function early in life; HSV-1 infection in childhood may have important consequences for educational attainment and social mobility across the lifespan."

"Once acquired, herpes viruses are never cleared from the body and instead persist in a latent state. Such pathogens are, however, subject to reactivation and capable of invading the central nervous system, where they may exert direct damage to brain."

Leviticus 18:22–

You shall not have sexual relations with a man, as with a woman. It is an abomination.

There is much scientific data showing gay men suffer from these acts.

Gay and Bisexual Men's Health

Sexually Transmitted Diseases (STDs) have been increasing among gay and bisexual men. Recent increases in syphilis cases have been documented across the country. In 2008, men who have sex with men (MSM) accounted for 63% of primary and secondary syphilis cases in the United States. MSM often are diagnosed with other bacterial STDs, including chlamydia and gonorrhea

infections.

Gay and bisexual men can be infected with HPV (Human Papillomavirus), the most common STD in the United States. Some types of HPV cause genital and anal warts and some can lead to the development of anal and oral cancer. Men who have sex with men are 17 times more likely to develop anal cancer than heterosexual men. Men who are HIV-positive are even more likely than those who are uninfected to develop anal cancer.

The Health Risks of Gay Sex

JOHN R. DIGGS, JR., M.D.

Sexual relationships between members of the same sex expose gays, lesbians and bisexuals to extreme risks of Sexually Transmitted Diseases (STDs), physical injuries, mental disorders and even a shortened life span.

The list of diseases found with extraordinary frequency among male homosexual practitioners as a result of anal intercourse is alarming:

- Anal Cancer
- Chlamydia trachomatis
- Cryptosporidium

Giardia lamblia

- Herpes simplex virus
- Human immunodeficiency virus

- Human papilloma virus
- Isospora belli
- Microsporidia
- Gonorrhea

Viral hepatitis types B & C

- Syphilis²⁵

Sexual transmission of some of these diseases is so rare in the exclusively heterosexual population as to be virtually unknown. Others, while found among heterosexual and homosexual practitioners, are clearly predominated by those involved in homosexual activity.

Consequences of Sodomy

... the reason sodomites are prone to a myriad of infections and an early death is because the lining of the rectum was made...for one purpose only – to rid the body of waste.

Anal intercourse...traumatizes the soft tissues of the rectal lining. Even in the absence of major trauma, minor or microscopic tears in the rectal lining allow for immediate contamination and the entry of germs into the bloodstream.”

In addition to the trauma of intercourse, semen can eat away

at the intestinal lining. This allows a person to “infect themselves” as the bacteria from their feces enter the blood stream.

As a result of this, a man is 2,700 times more likely to get an HIV infection from anal intercourse...

Sexual revolution leaving diseased minds and bodies in its wake

There was a time in America when a physician had just two or three young adult patients with sexually transmitted diseases. In 2013 that number has become two or three dozen and is increasing as “hooking up” turns out to be a deadly sexual game.

The participants in the sexual revolution may be paying a price that is so high and fraught with disappointment and

disease that it may turn into a continuing nightmare for those caught up in it.

J. Budziszewski, a professor of government and philosophy at the University of Texas and author of *On the Meaning of Sex* explains that humans are not designed for hooking up, that hearts and minds are designed to work together.

However “hooking up” promotes the idea that sex is merely release or recreation with no expectation of a lasting relationship—what the body does has no relation to the heart.

In the article “Why Hooking Up is Letting You Down” he describes the dysfunctional results of the sexual revolution that started with one generation thinking of it as a game without rules and now the next generation is paying a price in disappointment as well living with life-long sexually transmitted diseases.

Budziszewski asks, “Has the time come to bury the sexual revolution and return to the commands and prohibitions contained in traditional sexual morality?”

Is There a Price to Pay for Promiscuity?

By Chris Lliades, MD | Medically reviewed by Pat F. Bass III, MD, MPH

Society puts an emphasis on sexuality – but casual sex can impact your physical and emotional health in ways that you may not suspect.

Can promiscuity threaten your longevity? The short answer is

yes. Having a large number of sexual partners has been linked to poor sexual health and decreased longevity. Why? The more sexual partners you have, the greater your risk for sexually transmitted diseases (STDs) like HIV/AIDS and other life-threatening conditions like prostate cancer, cervical cancer, and oral cancer.

Promiscuity's Impact on Your Physical Health

Don't believe the myths that you can't get STDs unless you have sexual intercourse or that you can't get them from oral or anal sex. Many viruses and bacteria that cause STDs can enter your bloodstream through tiny cuts in your mouth, anus, or the outer parts of your genitals.

Here's a rundown of physical risks you face from promiscuity:

- **STDs.** The U.S. Centers for Disease Control and Prevention estimates that 19 million new STD infections occur each year. Among the most common STDs are chlamydia, gonorrhea, and syphilis, but the most common of all is the human papillomavirus (HPV). HPV can infect the mouth or the genitals, and most people do not know they are infected. HPV has been linked to cervical cancer and to oral and throat cancers.
- **HIV and AIDS.** Being promiscuous and having STDs both increase your susceptibility to the AIDS virus. Despite better education and treatment, AIDS still killed more than 14,000 Americans in 2007.

The shocking number of new STD cases each year

Published April 28, 2014

Still think STDs are something that can't happen to someone like you? Here's a shocking reality check: Nearly 20 million new cases of sexually transmitted diseases occur every year in the U.S., according to a recent report by the CDC. That's over 54,000 new cases per day!

And unfortunately, that number has been increasing in recent years, according to Lynn Barclay, President and CEO of the American Sexual Health Association (ASHA).

Virus Behind Oral Cancer Epidemic

Study Shows 'Startling Increase' in Oral Cancer Is Linked to Sexually Transmitted HPV

By Daniel J. DeNoon WebMD Health News

Reviewed by Laura J. Martin, MD

Oct. 13, 2010 – Researchers warn of an ongoing epidemic of oral cancer caused by the sexually transmitted human papillomavirus (HPV).

A study in Stockholm, Sweden, finds that cases of oral cancer – primarily cancer of the tonsils – increased sevenfold from 1970 to 2007.

They find that while HPV caused only 54% of oral cancers from 1998-1999, it caused 84% of these cancers in 2006-2007.

"It looks like HPV-positive oral cancers are rising quite sharply in the past 10 years... That is why we say it is an epidemic," study leader Tina Dalianis, MD, PhD, professor of tumor biology at Sweden's Karolinska Institute, tells WebMD.

"Yes there is a startling increase in the incidence of oropharyngeal cancer, and that increase is being driven by HPV," D'Souza tells WebMD.

The risk of developing oral cancer increases with the lifetime number of oral or vaginal sex partners...

HPV Linked to Heart Disease in Women, Oral Sex and Cancer in Men...

October needs to become HPV Awareness Month, because earlier this month, there were reports of the link between oral sex, HPV and throat cancer in men. Now there is a report of HPV linked to an increased risk of heart disease in women.

On October 24th, the University of Texas at Galveston released a report that, of 2500 women subjects, HPV-infected women had a higher incidence of heart disease. Does this explain why, in the past years, there has been an uptick in the number of heart disease cases in women aged 35-44? Those women didn't have any of the usual risk factors we usually ascribe to heart disease: increased weight, obesity, diabetes, family history and the like.

How does HPV cause heart disease? It's likely that the HPV causes inflammation that gets into the bloodstream; it attaches to blood vessels or heart tissue and causes damage to

the cardiovascular system.

Sexually Transmitted Diseases Hamper Development Efforts

...one crucial element of maternal and child health has been sorely neglected: the prevention and treatment of sexually transmitted diseases (STDs). Historically, STDs have also been overlooked in the global fight against infectious diseases; as a result, they continue to drain the lives of young and old throughout the developing world.

The vast majority of STDs are spread through sexual intercourse...each year, millions of infants begin their lives disadvantaged by an STD they contracted from their mother; STD infections in newborns compromise their health, both immediately and in the coming years.

STDs are a serious problem not only because they are widespread, but also because they may have delayed, long-term consequences, including poor maternal health, ectopic pregnancy, infant illness and death, cervical cancer, infertility and increased susceptibility to HIV.

Worldwide, more than 400 million adults become infected with an STD every year.

Every day, about 16,000 people (or nearly six million people each year) become infected with HIV, a startling number, given the short period of time since the virus emerged.

Cancer Viruses

Researchers have long attempted to elucidate the role that viruses play in causing cancer. Worldwide, cancer viruses are estimated to cause 15 to 20 percent of all cancers in humans.

Cancer Viruses: Classes

There are two classes of cancer viruses: DNA and RNA viruses. Several viruses have been linked to certain types of cancer in humans. These viruses have varying ways of reproduction and represent several different virus families.

DNA Viruses

- The Epstein-Barr virus has been linked to Burkitt's lymphoma. This virus infects B cells of the immune system and epithelial cells.
- The hepatitis B virus has been linked to liver cancer in people with chronic infections.
- Human papilloma viruses have been linked to cervical cancer. They also cause warts and benign papillomas.
- Human herpes virus-8 has been linked to the development of Kaposi sarcoma. Kaposi sarcoma causes patches of abnormal tissue to develop in various area of the body including under the skin, in the lining of the mouth, nose, and throat or in other organs.

RNA Viruses

- Human T lymphotropic virus type 1 (HTLV-I), a retrovirus, has been linked to T-cell leukemia.
- The hepatitis C virus has been linked to liver cancer in people with chronic infections.

Science is proving, every day, that Yahshua's statement in **Yahchanan 5:14** is absolutely True, and that this warning should have been heeded.

Yahchanan 8:34–

Yahshua answered them: Truly, truly, I say to you: Whoever commits sin is the servant of sin.

Is the world being taught and encouraged to accept sodomy, which is the beginning of many, if not all, of these viruses? Sodomy is being pushed into schools, churches, and homes by the owners of hollywood movie makers as something desirable, like the evil of the Gods that looked desirable to Eve. Notice:

Genesis 3:1-5–

1 Now the serpent was more subtle *and* crafty than any beast of the field which Yahweh had made. And she said to the woman; Has Yahweh indeed said: You shall not eat of every tree of the

garden?

2 And the woman said to the serpent; We may eat the fruit of the trees of the garden;

3 But of the fruit of the tree which *is* in the midst of the garden, Yahweh has said: You shall not eat it, nor shall you touch it, or you will die.

4 And the serpent said to the woman; You will not surely die.

5 For He knows that in the day you eat of it, your eyes will be opened, and you will be as Gods (elohim), knowing Righteousness and evil.

Did you notice in **verse 5**, evil like the Gods? Look again at Yahshua Messiah's Words in:

Yahchanan 8:34, 43-47—

34 Yahshua answered them: Truly, truly, I say to you: Whoever commits sin is the servant of sin.

43 Do you know why you cannot understand My language? Because you cannot hear My Word; *You reject the Law and the Prophets.*

44 You are of your teacher *who is Satan the devil*, and whatever she who is your teacher desires, you will do. She was a murderer from the beginning, and remained not in the Truth, because there is no Truth in her. Therefore, *when* you speak your falsehoods, you speak her words, because she is a liar, and the teacher of *all* lies!

45 Yet, because I tell you the Truth, you do not believe Me.

46 Which of you convicts Me of sin? So if I speak the Truth, why do you not believe Me?

47 He who is of Yahweh, hears Yahweh's Words; *the Laws and the*

Prophets. Now you do not hear, because you are not of Yahweh.

Satan taught Eve to ignore Yahweh's warning and enticed her to be evil like the Gods. Satan seems to be much more skilled at deception today. Although, these Laws are a guide to healthy minds and bodies, no religions teach these warnings any more.

Remember!

Yahchanan 5:14–

Afterward, Yahshua found him in the sacred precincts of *The House of Yahweh*, and said to him: Behold, you are healed. Sin no more, or a worse thing will come upon you.

It's a scientific fact that breaking these Laws causes sickness and disease in the bodies of men who practice the sexual acts in **Leviticus 18**. These sickness and disease become stronger with each generation to whom they are passed. Look at the amount of birth defects today.

I asked Pope Francis, when he first took his high office on the seven hills of Rome, that he should lend a hand to stop the curses from coming because his voice on this subject would affect a lot of people. There is a power shown in your bible that seems to be affecting this last generation of people. Notice:

Revelation 17:1-5–

1 And there came one of the seven malakim who had the seven bowls, and talked with me, saying to me: Come, I will show you the sentence of the great whore that sits upon many waters,

2 With whom the kings of the earth have committed fornication; *practiced idolatry: God worship (the worship of elohim)*, and the inhabitants of the earth have been made drunk with the wine of her fornication.

3 So he carried me away in the Spirit into the *midst of* God worshipers (worshippers of elohim) (Genesis 3:5); and I saw a woman sitting on a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color, and decked with gold, and precious stones, and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

5 And upon her head was a name written: Mystery Babylon the great, the mother of the harlots and of the abominations of the earth.

Remember the word **abominations**? It's used throughout the Inspired Scriptures and always means the same thing—sickness and disease.

Leviticus 18:27—

(For all these abominations have the people of the land done, who were before you, and thus the land is defiled; unholy)—

Leviticus 18:22—

You shall not have sexual relations with a man, as with a woman. It is an abomination.

Leviticus 18:23—

Neither shall you have sexual relations with any animal and defile yourself, *along* with it; neither shall any woman present herself to have sexual relations with an animal. It is

confusion and perversion.

The **Book of Revelation** is being fulfilled in this generation, as the Savior shows in:

Mattithyah 24:3, 7, 33-35–

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will be* the sign of Your coming and The End of the Ages?

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *environmental disasters*, in place after place:

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

35 Heaven and earth may pass away, but My Words; *My teachings pertaining to the Laws and the Prophets*, will not pass away.

Back to **Revelation**.

Revelation 17:1-4–

1 And there came one of the seven Malakim who had the seven bowls, and talked with me, saying to me: Come, I will show you the sentence of the great whore that sits upon many waters,

2 With whom the kings of the earth have committed fornication; *practiced idolatry: God worship (the worship of elohim)*, and the inhabitants of the earth have been made drunk with the wine of her fornication.

3 So he carried me away in the Spirit into the *midst of* God worshipers (worshippers of elohim); and I saw a woman sitting on a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color, and decked with gold, and precious stones, and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

Notice the word **abominations**.

Revelation 17:9–

And here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits.

Compton's Pictured Encyclopedia, 1948, Volume 12, page 144, tells us about the city of seven hills.

...the "City of Seven Hills." ...the Capitoline, Palatine, Aventine, Quirinal, Viminal, Esquiline, and Caelian hills. ...the seat of the papacy, the head of the great Roman Catholic Church.

Scriptures show that the world is being held in these activities by a power stronger than mankind.

Yahchanan 8:34–

Yahshua answered them: Truly, truly, I say to you: Whoever commits sin is the servant of sin.

Yahchanan 8:44-47–

44 You are of your teacher *who is Satan the devil*, and whatever she who is your teacher desires, you will do. She was a murderer from the beginning, and remained not in the Truth, because there is no Truth in her. Therefore, *when* you speak your falsehoods, you speak her words, because she is a liar, and the teacher of *all* lies!

45 Yet, because I tell you the Truth, you do not believe Me.

46 Which of you convicts Me of sin? So if I speak the Truth, why do you not believe Me?

47 He who is of Yahweh, hears Yahweh's Words; *the Laws and the Prophets*. Now you do not hear, because you are not of Yahweh.

Revelation 12:9–

And the great dragon was cast out, that old serpent, called the devil, and Satan, who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

The Scriptures and science show clearly that sin, or the activities we see in this generation, called sin in your bible, is the cause.

Sin? What is Sin Shown to be in Your Bible?

I Yahchanan 3:4, 7-8, 10–

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Sin is simply ignoring the warning from Yahweh to mankind and practicing what Yahweh said would cause you sickness, disease, confusion, hatred, violence, fighting, and wars. Ebola is just one of many of the armies of microorganisms that mankind has been breeding and has raised in his body from one generation to another. It has now peaked and is showing its power to kill.

The powers of this last generation are certainly shown to be in defiance of the Scriptures. They show danger in man's activities. Notice:

I Corinthians 6:9–

Do you not know that the unrighteous will not inherit the Kingdom of Yahweh? Do not deceive yourselves. Neither fornicators, nor God worshipers (worshipers of elohim), nor adulterers, nor men who commit sexual perversions with boys, nor men who commit sexual perversions with other men.

This was being done from the seven hills of Rome in the days of the Apostle Shaul (Paul). Notice what he says in his letter to the Romans.

Romans 1:27–

And the men did the same thing: leaving the original use of the woman, *they* burned in their lusts for one another; men committing shameful acts with men, and suffering in their own bodies the penalty for their error, which is *their* fitting retribution.

Notice this causes the curses, from ignoring these warnings, that spread to others.

Men with men seems to be the pope's main concern, with no thought of the warnings written by the Prophets, Apostles, and the Savior. The Savior's Words are that mankind is making sickness worse with their activities.

Yahchanan 5:14–

Afterward, Yahshua found him in the sacred precincts of *The House of Yahweh*, and said to him: Behold, you are healed. Sin no more, or a worse thing will come upon you.

...John Cook, a research fellow at the Global Change Institute at the University of Queensland in Australia; and 10 other scientists who blog under the collective name of Skeptical Science. The scientists examined 4,014 abstracts on climate change and found 97.2 percent of the papers assumed humans play a role in global warming (*ClimateWire*, May 16, 2013).

...climate change is no longer a debate over science. The latest surveys show that 89 percent of Democrats, 79 percent of independents and 70 percent of Republicans already believe global warming is happening and is at least partly caused by human actions.

There's no doubt that Cook regards climate change as a moral issue.

“As a father, I realized that we are handing over a world to our children that is worse than the world we were given,” he said over the phone from Brisbane, Australia. “And as a Christian, I saw climate change as a social justice issue.”

Now read the warning for this present generation.

Revelation 18:1-5–

1 And after these things I saw another malak come down from heaven, having great authority; and the earth was enlightened with His Glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

The pope could yield a great deal of influence towards changing the moral activities of mankind just by reading to the public the Ten Commandments...But does he want to?

Exodus 20:3-17–

3 You shall have no hinder gods (elohim) *at all*. They are in opposition against Me.

4 You shall not make for yourself any carved image; *an idol*, in the form of anything in heaven above, or on the earth beneath, or in the waters below.

5 You shall not bow down to them nor serve them; for I, Yahweh your Father, *am* a Heavenly Father Who is zealous for My House. The sexual sins of the fathers will be on the children to the third and fourth *generation* of those who transgress My Laws and change them.

6 But I will show My love to thousands who love Me by keeping My Laws.

7 You shall not take the Name of Yahweh your Heavenly Father to bring it to nothing, for Yahweh will not hold him guiltless who brings dishonor upon or profanes His Name.

8 Remember the Sabbath Day, to keep it Holy.

9 Six days you shall labor and do all your work,

10 But the Seventh Day is the Sabbath of Yahweh your Heavenly Father. Therefore, *in it* you shall do the Work of Yahweh: you, *and your wife*, and your son, and your daughter, and your manservant, and your maidservant, and your cattle, and the stranger who *dwells* within your gates.

11 For *in* six days Yahweh made the heavens and the earth, the sea, and all that are in them; and ceased from *this* work on the Seventh Day. Therefore, Yahweh blessed the Sabbath Day, and did Righteous works on it.

12 Honor your father and your mother, so your days may be long upon the land which Yahweh your Father is giving you.

13 You shall not murder.

14 You shall not commit adultery.

15 You shall not steal.

16 You shall not bear false testimony against your neighbor.

17 You shall not covet; *lust after*, your neighbor's house; you shall not covet your neighbor's wife, nor his manservant, nor his maidservant, nor his ox, nor his donkey, nor anything that *belongs to* your neighbor.

Isayah 24:1-6—

1 Before Yahweh's very Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

...and the entire chapter of **Leviticus 18**. He would read these Scriptures, if enough members requested him to do so.

These curses are growing just as the Prophets, Apostles, and Savior said. The only obvious way to stop these disease epidemics is to stop the cause. The cause, according to the Scriptures, is fornication, adultery, homosexuality, sodomy, and bestiality. Should we not at least consider what they say? They do show a sensible solution to the many disease epidemics of this generation.

Leviticus 18:24–

Do not defile yourselves in any of these ways, for this is how the nations who are going to be driven out before you became defiled:

Yahchanan 5:14–

Afterward, Yahshua found him in the sacred precincts of *The House of Yahweh*, and said to him: Behold, you are healed. Sin no more, or a worse thing will come upon you.

Besides a worse thing coming upon you, you will also receive the eternal death spoken of in **Revelation 20** for not becoming a part of the Righteousness offered by the Creator Yahweh.

Revelation 20:11-15–

11 And I saw a Great White Throne, and Him Who sat on it, from Whose Face the powers of the earth and the powers of the heavens, *including* the Gods (elohim), were driven away; for the verdict was reached that there is no place for them.

12 And I saw the dead, small and great, standing before Yahweh. And the books were opened; and another book was opened, which is *The Book of Life*. And the dead were judged out of those things which were written in the books, according to their works.

13 And the sea gave up the dead which were in it; and death and sheol; *the grave*, delivered up the dead which were in them. And they were judged, every man, according to his works.

14 And death and sheol were cast into the lake of fire. This is the second death.

15 And whoever was not found written in The Book of Life was cast into the lake of fire.

I Corinthians 6:9–

Do you not know that the unrighteous will not inherit the Kingdom of Yahweh? Do not deceive yourselves. Neither fornicators, nor God worshipers (worshippers of elohim), nor adulterers, nor men who commit sexual perversions with boys, nor men who commit sexual perversions with other men.

I Yahchanan 3:4, 7-8, 10–

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Hebrews 10:26-27–

26 For if we sin willfully after we have received the knowledge of the Truth, there no longer remains a sacrifice for sins,

27 But a certain fearful expectation of judgment, and fiery

indignation which will devour the adversaries.

Where are the blessings promised in the bible? Notice the Savior's Words.

Revelation 22:12-15–

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the City.

15 For outside *are* dogs, and sorcerers, and whoremongers, and murderers, and worshipers of Gods (elohim) and everyone *who* professes to love, yet practices breaking the Laws.

Unless we stop the cause, these curses are prophesied to get worse. Notice again the Words of Yahshua Messiah from *The Book of Yahweh*.

Isayah 34:16–

Search out The Book Of Yahweh, and read. Not one of these will be neglected. For it is written: Yahweh is their Shepherd; they shall not want; for His Mouth has commanded it, and His Spirit has gathered them.

Mattithyah 24:3-4–

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will be* the sign of Your coming and The End of the Ages?

4 Yahshua answered, and said to them: Be on guard, so that no man deceives you;

Remember the Apostle's words in:

I Yahchanan 3:7-8–

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

Back to the Savior's Words in:

Mattithyah 24:5, 7–

5 For many will come against My Name, saying: I am anointed to *preach salvation!*—and will deceive many.

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *environmental disasters*, in place after place:

It's plain to see that these disease epidemics, called plagues in **Revelation 18**, are what we see today. With each, of what the Scriptures call sin, they are getting worse, according to Prophecy. This will be the worst the world has ever seen, according to the Words of the Savior, Yahshua Messiah. Notice the Savior's Words for this generation.

Mattithyah 24:21-22–

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

Sin is at its peak; so is the cause of the plagues, and so are the plagues.

Isayah 24:1-6—

1 Before Yahweh's very Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

According to Scriptures, these plagues will not just go away. Mankind's sins have built factories to produce, mutate, and continually feed and nourish these deadly armies. Ebola is just one form of this deadly army that can pop up and destroy many before we can get it stopped or before it dies off. Until the cause is shut down, these factories, created by man's activities, will continue to make stronger armies of deadly microorganisms that will plague mankind worse each day.

The Apostle Yahchanan said it clearly:

I Yahchanan 3:7-8–

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

Acts 3:19–

Repent therefore, and be converted, that your sins may be blotted out; that times of refreshing may come from the Presence of Yahweh.

These are the key words—repent and convert. The Savior said more sin make the matters worse.

Yahchanan 5:14–

Afterward, Yahshua found him in the sacred precincts of *The House of Yahweh*, and said to him: Behold, you are healed. Sin no more, or a worse thing will come upon you.

The second list of key words is found in:

Luke 24:25–

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

By the Savior showing there would go out a warning in this generation, as seen in **Mattithyah 24:14**, and repentance offers in **Acts 3:19**, means mankind still has a choice in turning this thing around, at least in our own lives. The very first and best thing that we can do to stop these epidemics is to inform the public of the activities that cause the viruses that are spreading the epidemics.

Mattithyah 24:14–

And this joyous Message of the Kingdom of Yahweh shall be preached in all the world *from* The House of Yahweh *at* Abel by the Witness Yisrayl; for Yahweh will be with him. *He will preach this Message* to all nations; and then The End will come.

There is a Protected Place for those who will do as **Acts 3:19** states and is shown in many Prophecies.
