Global Warming could be stopped if we act now…see how

When I wrote the article for the 6/2007 *Prophetic Word* magazine entitled *The Real Cause of Global Warming*, I knew the only proof of the activities of the firmament were found in the Inspired Writings of Yahweh's Prophets and Apostles. Maybe the firmament is too complex for even today's increase in knowledge, but that's even more reason to study and understand the vast amount of wisdom it took to create and to put each and every living object in their place and to keep each of them, by Law, in their assigned places.

In the use of and in the definition of the Hebrew and Greek words translated firmament, we see the meaning shows the firmament is made up of micro-kingdoms that are actually assigned to specific jobs and are held by Law to those positions, Laws obviously assigned by the Creator. Notice this in the definition of the Hebrew word translated firmament in:

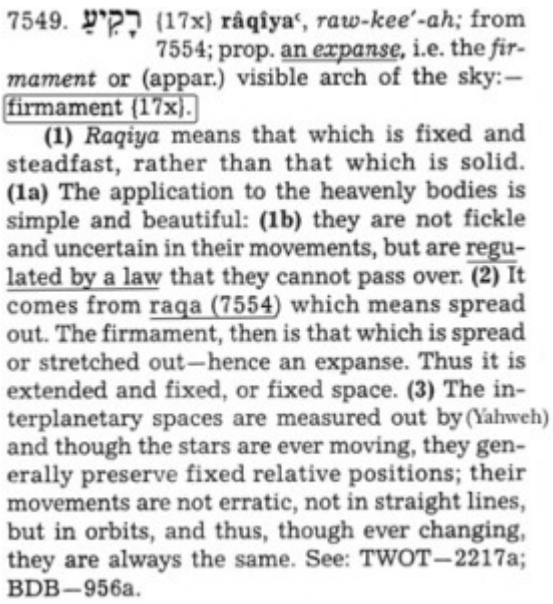

Genesis 1:6-8, KJV

6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.

7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

8 And God called the firmament Heaven. And the evening and the morning were the second day.

From the Hebrew dictionary in *Strong's Exhaustive Concordance* we find **firmament** is word 7549.

7549. רָקִיעַ (17x) **râqîya'**, *raw-kee'-ah;* from 7554; prop. an *expanse*, i.e. the *firmament* or (appar.) visible arch of the sky:—firmament (17x).

(1) *Raqiya* means that which is fixed and steadfast, rather than that which is solid. **(1a)** The application to the heavenly bodies is simple and beautiful: **(1b)** they are not fickle and uncertain in their movements, but are regulated by a law that they cannot pass over. **(2)** It comes from raqa (7554) which means spread out. The firmament, then is that which is spread or stretched out—hence an expanse. Thus it is extended and fixed, or fixed space. **(3)** The interplanetary spaces are measured out by (Yahweh) and though the stars are ever moving, they generally preserve fixed relative positions; their movements are not erratic, not in straight lines, but in orbits, and thus, though ever changing, they are always the same. See: TWOT—2217a; BDB—956a.

We know from present scientific discoveries that the firmament is made up of kingdoms of microorganisms. Starting at earth level, even below earth level, we know that kingdoms of different microorganisms are assigned work. Kingdom with kingdom assist each other to bring forth food for mankind. We know that without them doing their jobs, vegetation would not grow. Trees would not bear fruit. In fact, there would be no trees, period. The same is true in the seas. All life in the seas would quickly die if these different kingdoms of microorganisms stopped doing their jobs.

In the same way and by these same kingdoms, your body receives its life giving elements. Your body is made up of about 30 trillion different kingdoms. If one of these kingdoms is attacked by a virus and the immune system, another kingdom of microorganisms, is unable to defend the working kingdom under attack, your body suffers from what is referred to as sickness and disease.

The Firmament

Mankind works at tilling the earth and planting seeds, from which come forth food for man. Mankind must guard and keep the process of seed and harvest so that they do not deteriorate or go lax, which would cause mankind to lack in harvest and food for the winter. However, if the kingdoms of microorganisms are sick and can't do their job of making food grow, all the labor of mankind would not be able to produce even one apple or potato. That's how much we are dependant upon the firmament.

Firmament? Remember, the firmament is made up of trillions of micro-kingdoms regulated by Law to provide many services for mankind, even to adjust themselves. Speaking of, the micro-kingdoms adjust themselves to allow just the right amount of the sun's rays to reach earth for man.

Microorganisms are live beings

Microorganisms live or exist throughout all of creation. They have personalities. They eat. They produce offspring; yes, they multiply. They even enjoy doing the jobs assigned to them by Law.

It is estimated that it takes around 30 trillion different micro-kingdoms to keep your body running properly. If one micro-kingdom is made sick from defiled food, water, air, or STDs; yes, STDs, it affects every organ in your body. The micro-kingdoms assigned to work in the firmament are made up of the same micro-kingdoms that manage your body. They are assigned to manage the firmament in much the same way.

It should be understood that these micro-kingdoms of the earth, water and air and are being attacked by the same bacteria, viruses, etc. that attack the micro-kingdoms in your

body. It should also be understood that our earth, water, and air—the firmament—are suffering damage, as are our bodies. We treat the symptoms of our bodies, but is there a way to treat the firmament?

Newly discovered micro-kingdoms of viruses and bacteria in the air, water, food supply, and animals

Twelve new viruses fished from world's oceans

Scoop a cup of water out of the Atlantic Ocean, the Pacific Ocean, or any sea in between and you're sure to get more than just salty water. The sample will be teeming with algae, bacteria, and millions of viruses. Most of the viruses are phages, they infect bacteria and control how the bacteria grow and interact with their surroundings, making them a key player in the ocean's nutrient cycles.

Now, scientists report…the discovery of twelve new genera of ocean-dwelling phages. The new phages were found in both deep and surface waters, both shoreline and open oceans.

There's no single gene that all viruses share, which makes it difficult to isolate all the viruses from a seawater sample.

"When we normally talk about viral groups, they share at least half their genomes with each other," says Sullivan. "But these viral genomes share less than three percent of their genomes with known viruses."

Mysterious New Interspecies Disease Hits Dog Kennels

Startling reports of a new deadly virus infecting dogs have

arisen in the media in the past month. It's said to be highly contagious for dogs and can kill them in just a few days. Currently there's no viable veterinary treatment available, because no one even knows entirely what this is yet or how it spreads.

For now, it is being labeled in dogs as circovirus, which is actually a name to describe the largely unknown small viruses seen in other species.

Veterinarians have known it to affect pigs – wiping out a hog farm in a week.

New bacteria species in purple mat in cave

In a hot, steamy lava cave on the Kilauea Caldera in Hawaii, microbiologists collecting samples from a dripping purple mat on the cave floor have found a new species…

The purple mat was a type of biofilm, which is when microbes congregate together into one sticky mass.

This cave's biofilm was different. The main species of this film was one not seen before…

We live in a very strange world today. It's filled with sickness and disease that is lurking in every store and on every item in the stores. Yes, it is that bad. There has never been a time like this generation in history. It's a time period that all of Yahweh's Prophets spoke and wrote about. They prophesied of unheard of weather patterns. The earth, seas, and even the heavens (firmament) will get so bad in this present generation, that watching these events will cause mans' hearts to fail them.

Luke 21:25-26, KJV

25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;

26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

The Prophets also spoke of an increase in sickness and disease that has never been matched in history. We know that sexually transmitted diseases (STDs) are being created, mutated and spread like never before, because mankind's morals have dropped to an all-time low in this generation. We also know that some of these STDs are capable of raping other microorganisms. In fact, the firmament that controls mans' world is being attacked.

Viruses Are as Simple as They Are 'Smart'

Nov. 25, 2013 — Viruses are as simple as they are "smart": too elementary to be able to reproduce by themselves, they exploit the reproductive "machinery" of cells, by inserting pieces of their own DNA so that it is transcribed by the host cell. To

do this, they first have to inject their own genetic material into the cells they infect. An international team of researchers, including Cristian Micheletti from SISSA (the International School for Advanced Studies in Trieste), has studied how this occurs and how long it takes for this process to be completed.

Notes on the virus, pirate of the cell

Viruses are custom designed to invade archaea, bacteria, animals and everything in between. In humans they are responsible for the common cold, chicken pox, influenza, polio and a host of sexually transmitted diseases like genital warts, HIV, herpes, and plenty others.

They are made of genetic material (single stranded or double stranded DNA or RNA) wrapped up in proteins. On their own, a virus can’t replicate themselves, they don’t have the machinery, the energy, or the building blocks. They get around this by sneaking into a cell and holding it at ransom, forcing it to make more and more viruses until they break the cell apart or sneak out one by one to infect other cells. Instead of a lust for gold, viruses have a lust for machinery and energy. They will board, hijack, rape, ravage and destroy to get what they want.

We know that a sick micro-kingdom makes for a sick being. It should not be too hard to understand that sickening the micro-kingdoms with floating micro-STDs will indeed disrupt the performance of these kingdoms in the firmament and cause unusual performance in these micro-kingdoms, such as we see

taking place in the weather patterns–temperature fluctuations, hurricanes, massive tornadoes and typhoons–as well as the death of whole hives of bees, schools of fish, herds of cattle, flocks of birds, and even starfish.

NBC News: "Grisly disease decimating starfish populations… from Orange County to Alaska" – Scientists: Alarm as they began eating each other, then melting away – Similar problem on East Coast observed since 2011 – Now spreading at "scary" rate

NBC News, Oct. 28, 2013 (*Emphasis Added*): A grisly disease is decimating starfish populations on both North American coasts. From Orange County to Alaska, and along the rocky shores of New England, leggy echinoderms are shedding their limbs and "melting" away. […] on the East Coast, this year's dying is a second chapter to a die off that started in 2010 […] "**A year after that** we started seeing animals that have been exhibiting this 'wasting disease.' It appears to have [been] developing over the past few years," Gary Wessel, a professor at Brown University who is investigating the disease, told NBC News. […] What's different this year is the speed at which the mystery ailment is zipping through starfish populations, leaving tattered limbs and spilled guts in its wake. […] "The spread – that's a little bit scary for me," Wessel said.

Yahweh's Prophets

Yahweh's Prophets, who successfully foretold all of these events for this generation only, should be given credit. We should also believe in their future success of foretelling

what the cause is and where and how it will end. As for the end of these, Yahweh's Prophets and Yahshua Messiah show seven last great plagues that will be covered in another article, soon to be released upon all the world in order to set Yahweh's two billion people free from the clutches catholic church.

As for the cause, it is shown to be the breaking of regulatory Laws that govern the actions of mankind. When these Laws are broken by mankind, the result is the springing forth of destructive microorganisms that are as deadly and disruptive as a nuclear bomb. These destructive microorganisms today are called everything from sickness and disease to "unnatural" weather patterns.

What is described throughout the Scriptures is described in a nutshell by the Prophet Isayah in:

Isayah 24:1-6, 18-20

1 Before Yahweh's very Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

18 And it will come to pass, that he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

20 The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

The root cause is described as sin

The Savior, Yahshua Messiah, spoke of this generation when we, alive on earth, would see the following:

Mattithyah 24:21-22, 7, 29, 33-34

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes; disasters, in place after place:

29 Immediately, but after the Great Tribulation of those days

will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

33 In the same way, when you see all these things, know that His coming and The End of the Ages are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Now notice the cause shown by the Savior.

Mattithyah 24:12

And because iniquitywill abound, the love of the many will grow cold.

The cause is the same as shown by the Prophet Isayah.

Isayah 24:5

The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

Now notice Yahshua Messiah's Words in Luke. This is what we are seeing today.

Luke 21:25

And there will be signs in the sun, and in the moon, and in the stars; and on the earth, distress among nations in their perplexity at the roaring and surging of the sea:

Please remember their words and believe the Prophets of Father Yahweh.

Luke 24:25

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

Luke 21:25

And there will be signs in the sun, and in the moon, and in the stars; and on the earth, distress among nations in their perplexity at the roaring and surging of the sea:

Believe the cause shown by the Prophets

You have got to give the Prophets of Yahweh credit because everything they foretold for this generation, including the nuclear bombs that can darken the sun (**Mattithyah 24:29**) is here now, as anyone can see. So give them credit and believe the cause for what we see, and what we will yet see. The cause, as all the Prophets show, is sin—the breaking or transgression of Yahweh's Laws.

I Yahchanan 3:4

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

Scientists say, without any proof, that global warming and the strange weather patterns causing disasters are caused by burning fossil fuels and other materials. Please believe the Prophets. Burning these things is not sin. Sin is breaking Yahweh's Governing Laws. Sin is the cause of these growing plagues we see today. There are no Laws of Yahweh broken by

burning these fuels. What has reached into the heavens (firmament) and is causing disruption in the micro-kingdoms, regulated by Law to work the firmament for man, caused by the sins of all religions today.

They have all gone the way of the catholic church. Their sins are reaching into the heavens (firmament). The sins that cause STDs are sodomy, fornication, adultery, homosexuality, and bestiality. There are plenty of samples now to prove what the Scriptures show. The more these sins are practiced, the more the population of STDs gather in the earth, the water, and the air (firmament).

Revelation 18:1-5

1 And after these things I saw another Malak come down from heaven, having Great Authority; and the earth was enlightened with His Glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become thehabitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

Did you notice, it’s the result of her sins that is reaching into the heavens? Because of this:

Isayah 24:1-6

1 Before Yahweh's very Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

Did you notice the earth is defiled by those religions (verse 2) that teach, practice, and spread their filth, even into the heavens? The STDs that have invaded the bodies of men, women and children, because of the sins of fornication, adultery, homosexuality, bestiality and sodomy, have reached into our water supplies, our food supplies, and the air we breathe. They have also reached into the heavens. Because of this…

Revelation 18:8

Therefore, her plagues will come in one day—death, and mourning, and famine; and she will be utterly burned with

fire; for strong is Father Yahweh Who judges her.

The Hebrew meaning for the words translated **one day** actually means *a time period*. Compare:

Mattithyah 24:33-34

33 In the same way, when you shall see all these things, know that *His coming and The End of the Ages* is near, at the very doors.

34 Truly I say to you, That generation shall not pass away, until all these things are fulfilled.

This generation…we are living it now. I recommend that you read the 6/2007 issue of *The Prophetic Word* magazine and our book *Birth of the Nuclear Baby.*

We could turn the tide now if the vatican; that is, the pope, would let Yahweh's People go. Read why in the next article.
