

Microorganisms Do Much More Than You Think

When I wrote about the real cause of global warming, I was writing it mostly from the information that Yahweh shows in the Inspired Scriptures. In the beginning book of the bible, the **Book of Genesis**, the microbes are mentioned in the first two chapters, but not under the name 'microorganisms'. From the study of these two Inspired Scriptures, Yahweh shows me that He made mankind from microorganisms. These Scriptures brought many other Scriptures to mind, Scriptures that Yahweh inspired other of His Prophets to write, such as:

Isayah 45:11-12

11 This is what Yahweh, the Holy One of Yisrayl, and Yisrayl's Maker, says: Ask Me about the things that are coming. Ask Me about My sons, or the Work of My Hands, which I have given command.

12 I have made the earth, and created man upon it. I, *even* My Hands, have stretched out the heavens, and all their host I have commanded.

If Yahweh commanded, then that means whatever Yahweh formed His creation with can hear and heed the command. The heavens, too, can hear the Command of Yahweh and obey His Voice. Remember the heavens, part of which is called the firmament, provides the rain. Not only does it provide rain, but it gives the former and the latter rains yearly, obeying Yahweh's Commands very well; at least when it is possible to do so.

Yeremyah 5:23-25

23 But this people has a defiant and rebellious heart; they

have revolted *against Me*, and have turned to *God (el) worship!*

24 They do not say in their heart; Let us now reverence Yahweh our Father, Who gives rain, both the former *rain in the fall* and the latter *rain in the spring*, in its season; Who reserves for us the appointed weeks of the harvest.

25 Your iniquities have turned these *blessings* away; your sins have withheld Righteous *blessings* from you.

Verse 25—iniquity turns away the rain in heaven? Iniquity means doing away with Yahweh's Laws of Righteousness or holding back the Teaching of Yahweh's Laws of Righteousness. How?

The Firmament is Made up with Kingdoms of Microbes

When we look up at what we call the sky, we see the sun, moon and stars. But we are actually looking through countless kingdoms of microorganisms. When I wrote the article about the real cause of global warming, the world's greatest scientists had not yet found or fully studied the microbes that make up the firmament. They had not seen the infinite microbes that we look through each day; nor did they have the understanding of how raindrops and snowflakes are formed and sent gently to the earth.

The bacteria, fungi, and even viruses live and thrive, breed, crossbreed and mutate in the universe. Many of these countless numbers of viruses were created and mutated by the sinful activities of mankind. These viruses do damage to the rain-making bacteria, created and commanded by Yahweh, which forms raindrops and brings water to the land, rivers, lakes, and wells. Without these micro-kingdoms doing their assigned work

in the firmament, the rain and snow would stop. If these micro-kingdoms were to be made sick, or were mutated, or deformed with birth defects, or any other sickness, like mankind suffers, they would not be able to do their jobs for man in the firmament.

The Same Micro-Kingdoms Make Up Your Body

Science knows now that each organ of your body has thousands of micro-kingdoms, not just individual microbes, controlling it. Each kingdom has its own job to do in the organ it's assigned to. Each kingdom lives its own life, producing and reproducing, to keep the organ, in which it lives, alive and functional.

We know that certain harmful bacteria and viruses, depending on the type, can invade the body and, in some cases, get to different organs, say for instance the heart or kidneys, and attack the micro-kingdoms there, causing damage to that organ. Doctors may diagnose this as kidney failure or heart attack. This means that one or more micro-kingdoms has stopped working; therefore, the heart or kidneys have stopped functioning in its proper, commanded way in which Yahweh commanded them to function.

You have two hearing devices, one on each side of your head. If the right virus or virion rapes a host cell and has the ability to replicate, those replications will not have the exact DNA or RNA to do the work of the original kingdom of microbes Yahweh designed for hearing. They wouldn't be able to work with those changes. That's when you start saying, "What?" "Huh?" "Would you repeat that?"

When mutations take the place of the original micro-kingdoms, that's when difficulty begins. The more the mutations, the

less performance you will have coming from those kingdoms designed and set by Law; that is, commanded by Yahweh, in the beginning. This was done and described in:

Genesis 2:7

And Yahweh formed man *of the dust of the ground*, and breathed into his nostrils the breath of life; and man became a living being.

The phrase 'breath of life' actually means *instruction*; that is, instruction to all the kingdoms of microorganisms that Yahweh commanded to work in unison. Notice the phrase 'dust of the ground'. Those are the creeping things that creep. Those are microorganisms, of which Yahweh formed the earth, mankind and everything that exists. Although translated 'dust of the ground', they're creeping things that creep or that with which the earth creeps, and Yahweh commanded them.

Isayah 45:12

I have made the earth, and created man upon it. I, *even My Hands*, have stretched out the heavens, and all their host I have commanded.

Notice the words **heavens** and **host**.

Set by Law

In the definition of the Hebrew and Greek words translated **firmament**, we see the meaning shows the firmament is made up of micro-kingdoms that are actually assigned to specific jobs and are held by Law to those positions, Laws obviously

assigned by the Creator. From the Hebrew dictionary in *Strong's Exhaustive Concordance* we find **firmament** is word 7549.

7549 רָקִיעַ (17x) *râqîya'*, *raw-kee'-ah*; from 7554; prop. an *expanse*, i.e. the firmament or (appar.) visible arch of the sky:—firmament (17x).

(1) *Raqiya* means that which is fixed and steadfast, rather than that which is solid. (1a) The application to the heavenly bodies is simple and beautiful: (1b) they are not fickle and uncertain in their movements, but are regulated by a law that they cannot pass over. (2) It comes from *raqa* (7554) which means spread out. The firmament, then is that which is spread or stretched out—hence an expanse. Thus it is extended and fixed, or fixed space. (3) The interplanetary spaces are measured out by God, and though the stars are ever moving, they generally preserve fixed relative positions: their movements are not erratic, not in straight lines, but in orbits, and thus, though ever changing, they are always the same. See: TWOT—2217a; BDB—956a.

With the invention of the telescope, Galileo Galilei, and a few others, almost simultaneously, around 1610-1611 discovered sunspots. With new telescopes and ancillary instrumentation of great sophistication, such as the spectroscope in 1870, dark bands were discovered in the spectrum of light radiated from sunspots, from which it was concluded come gaseous eruptions in the neighborhood of sunspots now called flares.

In 1909 and 1913 a reverse flow, inward toward the center of the spot, from the gases at the highest levels of the atmosphere (firmament) above it, was found.

The determination of the sun's temperature has been one of the most difficult problems in solar astronomy. The English astronomer, Sir John Herschel, at the Cape of Good Hope (1837), observed that the vertical rays of the sun, if totally absorbed, would raise the temperature of a layer of water 1.8 centimeters deep by 1° C per minute.

From 1881 to 1942 the findings in astronomy were by far the best. Because the combination of events and studies showed that the firmament is governed; that is, the micro-kingdoms that make up the firmament are governed by Law.

What these studies prove is just as the law of gravity is assigned to do one thing in the firmament so also are each of the micro-kingdoms assigned to do their job to regulate what gets to mankind. As the earth is made for mankind, so also is the firmament made for mankind.

Herschel's studies of the extreme heat of the vertical rays of the sun show that heat, if totally absorbed, cause the earth's surface to rise to extreme temperatures in minutes. The measurements come easy. What is difficult is the atmospheric absorption. In fact, it's impossible to understand, without understanding that a Creator, a Designer, set Laws that govern the micro-kingdoms to adjust and to allow only enough of the vertical rays of the sun to be absorbed and no more.

Below are further studies shown by past and present astronomers on their discoveries. Notice, they came to understand that the micro-kingdoms are set by Law to do jobs in the firmament, and they all must work in harmony.

The problem was solved in 1881 and again in 1904, when it was shown that extrapolations must be made for solar radiation of different wavelengths, to determine what the intensity of each would be if there were no intervening air; and the values for all wavelengths must then be summed. A value of 1.96 calories per square centimeter per minute was obtained for the solar constant (the flux of total radiation received outside the Earth's atmosphere per unit area at mean Earth-Sun distance), that only recently has been improved by observation from balloons and high-flying aircraft. Early estimates of the Sun's temperature ranged from 1,461° C (2,660° F) to 10,000,000° C (18,000,000° F). Transforming the solar constant into the energy radiated by the Sun and thence into its effective temperature was impossible until the law that connects the temperature of a surface with the amount of heat radiated per second—the Stefan-Boltzmann law—was established about 1880.

We know the wind is part of the heavenly host—the firmament.

Genesis 1:6-8

6 And Yahweh said: Let there be a firmament between the waters and let there be separation between waters from the waters.

7 So Yahweh made the firmament, and separated the water under the firmament from the water above it. And it was so.

8 And Yahweh called the firmament Sky. And the evening and *then* the morning were the Second Day.

Psalms 19:1

Heaven's messengers proclaim the Glory of Yahweh, and the expanse of the sky declares the works of His Hands.

Here again, Yahweh's Prophets are speaking of kingdoms of microbes that Yahweh commanded to do jobs that pertain to the survival of mankind.

Can the wind hear? Yes, and obey. We have witnessed this.

Mattithyah 8:26-27

26 But He said to them; Why are you fearful, O you of little faith? Then He arose and rebuked the winds and the sea; and there was a great calm.

27 And the men marveled, saying; What kind of Man is this, that the winds and the sea obey Him?

We see the same obedience in the microorganisms that form the fish of the seas and waters.

Mattithyah 17:24-27

24 And when they came into Capernaum, those who collected the half-shekel tax came to Kepha, and asked; Does not your Teacher pay the temple tax?

25 He said; Yes. And when Kepha came into the house, Yahshua spoke before Kepha did, saying: What do you think, Simon? Of whom do the kings of the earth exact custom or tribute? From their own children, or from strangers?

26 Kepha answered Him; From strangers. Yahshua said to him: Then the children are free.

27 However, so that we may not offend them, go to the sea, cast in a hook, and take the fish that comes up first. When you have opened its mouth, you will find a piece of money

equal to one full shekel. Take that, and give it to them for Me and you.

One more on this subject. Yahshua said in:

Yahchanan 10:27

My sheep hear My Voice, and I know them, and they follow Me.

Like sheep, the microbes are set by Law to perform as kingdoms in unity all throughout your body—your ears, your eyes, your brain, etc. Read again from the Hebrew dictionary in *Strong's Exhaustive Concordance*:

7549 רָאִיָּא [17x] *rāqiyā'*, *raw-kee'-ah*; from 7554; prop. an *expanse*, i.e. the firmament or (appar.) visible arch of the sky:—firmament {17x}.

(1) *Raqiya* means that which is fixed and steadfast, rather than that which is solid. (1a) The application to the heavenly bodies is simple and beautiful: (1b) they are not fickle and uncertain in their movements, but are regulated by a law that they cannot pass over; (2) It comes from *raqa* (7554) which means spread out. The firmament, then is that which is spread or stretched out—hence an expanse. Thus it is extended and fixed, or fixed space. (3) The interplanetary spaces are measured out by God, and though the stars are ever moving, they generally preserve fixed relative positions: their movements are not erratic, not in straight lines, but in orbits, and thus, though ever changing, they are always the same. See: TWOT—2217a; BDB—956a.

Yahweh's Laws of Protection

Yahweh gives to mankind rules to follow which help to protect the kingdoms of microbes that make up the body because a kingdom damaged in anyway loses some of its ability to serve the body. When part of the micro-kingdoms in your eyes are damaged, you have trouble seeing because with that damage comes dimness. If enough is damaged, your sight will no longer be.

The firmament is made up of the same kingdoms of microorganisms of which our bodies are made. Although they are transparent, they are set by Law, for mankind, to adjust the sunlight constantly; otherwise, you would die of exposure in a very short time.

Earth is being protected by a 'Star Trek-style invisible shield': Scientists probe mysterious barrier blocking 'killer electrons'

- **These 'killer electrons' whip around the planet at near-light speed**
- **If they hit the earth, they could knock out power grids and change its climate**
- **Shield was found 7,200 miles (11,600 km) above Earth in Van Allen belts**
- **Scientists are baffled as to how the shield formed, and how it works**

- **‘It’s almost like these electrons are running into a glass wall,’ said Professor Daniel Baker from the University of Colorado Boulder**

By Ellie Zolfagharifard for MailOnline

An invisible shield, some 7,200 miles (11,600 km) above Earth, has been found blocking ‘killer electrons’ from bombarding our planet.

But while scientists know this mysterious shield exists, they are baffled as to how it formed and how exactly it works.

‘Somewhat like the shields created by force-fields on Star Trek that were used to repel alien weapons, we are seeing an invisible shield blocking these electrons,’ said Professor Daniel Baker from the University of Colorado Boulder.

The shield was discovered in the Van Allen radiation belts – two doughnut-shaped rings above Earth that are filled with high-energy electrons and protons.

Held in place by Earth’s magnetic field, the Van Allen radiation belts swell and shrink in response to incoming energy disturbances from the sun.

They were discovered in 1958 and are comprised of an inner and outer belt extending up to 25,000 miles (40,000 km) above Earth’s surface.

Last year, Professor Baker led a team that used the twin Van Allen Probes launched in 2012 to discover a third, transient ‘storage ring’.

This ring is located between the inner and outer Van Allen radiation belts and seems to come and go with intensity of

space weather.

The ring appears to block the ultra-fast electrons from breaching the shield and moving deeper towards Earth's atmosphere.

The team originally thought the highly charged electrons, which are looping around the earth at more than 100,000 miles per second, would slowly drift downward into the upper atmosphere.

But the impenetrable barrier seen by the twin Van Allen belt spacecraft stops the electrons before they get that far, said Professor Baker.

dailymail.co.uk

Like all the different kingdoms of microbes, this invisible shield that blocks killer electrons from bombarding our planet was set by Law, by Yahweh on the second day of creation.

Genesis 1:6-8

6 And Yahweh said: Let there be a firmament between the waters and let there be separation between waters from the waters.

7 So Yahweh made the firmament, and separated the water under the firmament from the water above it. And it was so.

8 And Yahweh called the firmament Sky. And the evening and *then* the morning were the Second Day.

Microorganisms also form the rain that man is now beginning to see the importance of, because the firmament is damaged and the micro-kingdoms are unable to perform the Laws that Yahweh gave them to send rain in its season for the earth and mankind. Instead of getting the former and latter rains, the

earth is being pounded with snow, hail, high water, and strong winds.

One Reported Dead As California, Oregon, Washington Are Slammed by Heavy Rain, Strong Winds

Extreme Weather Caused By Global Warming Could Become Normal, World Bank Warns

Published Nov 24 2014

Extreme weather because of global warming could become the new climate normal, increasing the risk of world instability, the World Bank warns in a new report released Sunday.

Extreme heat is the biggest problem, the report found, because it can reduce crop yields, negatively impacting food security and future economic growth as well as economic development, social stability and well-being.

'Whole world' at risk from simultaneous droughts, famines, epidemics: scientists

Research published by US National Academy of Sciences warns climate change impacts could be worse than thought

An international scientific research project known as the Inter-Sectoral Impact Model Intercomparison Project (ISI-MIP),

run by 30 teams from 12 countries, has attempted to understand the severity and scale of global impacts of climate change. The project compares model projections on water scarcity, crop yields, disease, floods among other issues to see how they could interact.

Keep in mind, if the kingdoms of microbes that make up the function of your ears and eyes are damaged by the AIDS virus or any of the mutated viruses mankind has created by practicing breaking Yahweh's Laws that govern sexual activities, such as found in **Leviticus 18:22-23, 25**, your ears will not be able to hear and your eyes would not be able to see. The same things can and do damage the kingdoms in the firmament. So, they are disrupted in doing what they were set by Law to do.

Leviticus 18:22-23, 25

22 You shall not have sexual relations with a man, as with a woman. It is an abomination.

23 Neither shall you have sexual relations with any animal and defile yourself, along with it; neither shall any woman present herself to have sexual relations with an animal. It is confusion and perversion.

25 For the world is defiled because they have given themselves over to sin; and the land itself vomits out her inhabitants.

Notice, they defile the land. They defile the waters. They defile the air (firmament). Read on.

Europe, North America at risk

One paper whose lead author is Franziska Piontek of the Potsdam Institute for Climate Impact Research explores impacts related to “water, agriculture, ecosystems, and malaria at different levels of global warming.” The study concludes that:

“... uncertainty arising from the impact models is considerable, and larger than that from the climate models. In a low probability-high impact worst-case assessment, almost the whole inhabited world is at risk for multisectoral pressures.”

Chronic water scarcity

A study led by Jacob Schewe of Potsdam finds that “the combination of unmitigated climate change and further population growth will expose a significant fraction of the world population” to “chronic or absolute water scarcity.”

The Mediterranean, the Middle East, the southern United States and southern China, for example, could see a “pronounced decrease of available water,”...

Agricultural collapse

Water scarcity in turn will have a dramatic impact on agriculture. Another study in the PNAS collection combining climate, agricultural and hydrological models warns that freshwater shortages could double climate change’s debilitation of global food crop yields.

Other findings of the range of studies show that increases in river flooding are expected in more than half of the areas investigated, and that the frequency of drought may increase by more than 20% in some regions.

...Recent Sinkholes Reveal Hazards Lurking Below

Natural and human-caused sinkholes have swallowed cars and houses in Florida, Minnesota, England, China, Latin America, and beyond.

Brian Clark Howard | National Geographic

Published July 24, 2014

Last Saturday, a massive sinkhole swallowed part of a residential neighborhood in Spring Hill, Florida, about 45 miles (72 kilometers) north of Tampa. No one was injured, but a pair of houses suffered damage, and four families had to

evacuate.

The circular sinkhole is about 40 yards (37 meters) across and 30 feet (9 meters) deep, says Virginia Singer, a spokesperson for the local Hernando County government.

Nearly 300 sinkholes have opened up in the Sunshine State since 2010 and thousands over the past century.

In February 2014, a sinkhole in Bowling Green, Kentucky, swallowed eight Corvettes at the National Corvette Museum.

In February 2007, a 330-foot-deep (100-meter-deep) sinkhole opened up in Guatemala City, killing three people and swallowing about a dozen homes.

As the Dead Sea in Israel and Jordan continues to recede, thanks to diversion of the Jordan River, the water table below is also dropping. This has caused numerous sinkholes to open up in the land..

China has extensive karst zones, where soluble rock below the surface has been dissolved by water, creating a network of fissures and caves. This massive sinkhole opened up in the village of Pingxi in southwest Sichuan Province in December 2013.

Within hours, the hole expanded into a crater measuring 200 feet by 130 feet (60 by 40 meters) and 100 feet (30 meters) deep that swallowed about a dozen buildings.

For this time period, this generation, the earth sinking was foretold in advance by Yahweh to warn mankind of his being evil like the Gods.

Genesis 3:5

For He knows that in the day you eat of it, your eyes will be

opened, and you will be as Gods (elohim), knowing Righteousness and evil.

Don't do it or dying you will die. You will kill yourself and the soil from which you were taken, the firmament that supplies your needs—air, water, sun and much, much more.

Genesis 2:9, 17

9 And out of the ground Yahweh made every tree grow that is pleasant to the sight, and desirable for food. The Tree of Life *was* in the midst of the garden, and the tree of the knowledge of Righteousness and evil *was in the midst also*.

17 But of the tree of the knowledge of Righteousness and evil you must not eat, for in the day that you eat of it you will surely die.

The original Hebrew says dying you will die.

Genesis 3:1-5

1 Now the serpent was more subtle *and* crafty than any beast of the field which Yahweh had made. And she said to the woman; Has Yahweh indeed said: You shall not eat of every tree of the garden?

2 And the woman said to the serpent; We may eat the fruit of the trees of the garden;

3 But of the fruit of the tree which *is* in the midst of the garden, Yahweh has said: You shall not eat it, nor shall you touch it, or you will die.

4 And the serpent said to the woman; You will not surely die.

5 For He knows that in the day you eat of it, your eyes will

be opened, and you will be as Gods (elohim), knowing Righteousness and evil.

Doing evil like the gods does damage to the micro-kingdoms in your body. The Apostle Shaul (Paul) was inspired by Yahweh to inform us of this damage that comes to the micro-kingdoms that form your body and make you a living being capable of living a healthy, joyous life or a being struggling to stay alive because of illegal, lustful acts, such as fornication, which leads to cervical cancer.

Cervical cancer

Worldwide, cervical cancer is the third most common type of cancer in women.

Almost all cervical cancers are caused by HPV (human papilloma virus). HPV is a common virus that is spread through sexual intercourse. There are many different types (strains) of HPV. Some strains lead to cervical cancer. Other strains can cause genital warts.

A woman's sexual habits and patterns can increase her risk of developing cervical cancer. Risky sexual practices include:

- Having sex at an early age
- Having multiple sexual partners
- Having a partner or many partners who are active in high-risk sexual activities

medlineplus

These are facts. Fornication works against men and women

differently. But a woman who has sex with others, besides her husband, will cause herself to produce cervical cancer. Now, notice what the Apostle Shaul said about this over 2,000 years ago.

I Corinthians 6:13, 18, KJV

13 Meats for the belly, and the belly for meats: but (Yahweh) shall destroy both it and them. Now the body is not for fornication, but for (Yahweh); and (Yahweh) for the body.

18 Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body.

I Corinthians 6:13, 18, Amplified Bible

13 Food [is intended] for the stomach and the stomach for food, but (Yahweh) will finally end [the functions of] both and bring them to nothing. The body is not intended for sexual immorality, but [is intended] for (Yahshua), and (Yahshua) [is intended] for the body [to save, sanctify, and raise it again].

18 Shun immorality and all sexual looseness [flee from impurity in thought, word, or deed]. Any other sin which a man commits is one outside the body, but he who commits sexual immorality sins against his own body.

I Corinthians 6:13, 18, BOY

13 Food is for the stomach, and the stomach is for food; but Yahweh will destroy both it and them. Now the body *is* not for sexual impurity, but for Yahshua, and Yahshua for the body.

18 Flee sexual immorality! All *other* sins that a man commits are outside his body; but he who sins sexually, sins against his own body.

Against your body? This means these sins cause STDs. STDs attack the kingdoms of microorganisms from which your body was built and start organs in your body to die, as Yahweh warned Adam, saying dying you will die.

Verse 18—sexual immorality is sin.

So, What is Sin?

I Yahchanan 3:4, 7-8, 10

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

I Corinthians 6:18...those who commit sexual sins, break the Laws of their own body. They break the set Laws that Yahweh gave to the micro-kingdoms that assist your body functions. Cervical cancer is the resulting damage caused by sexual immorality or sin; breaking the set Laws of your body.

Don't Ignore the Symptoms: Sexual Problems, STDs Affect Millions

Sexually transmitted diseases can cause serious complications.

The latest estimate from the Centers for Disease Control and Prevention says that there are approximately 19 million new STD infections each year, with almost half of those occurring in teens and young adults ages 15 to 24.

Certain STDs...can wreak havoc, bringing serious and even life-threatening consequences. Here's a list of nine serious STDs...

1. Chlamydia. Nicknamed the "silent disease," chlamydia often does its damage unnoticed...But that can mean trouble, especially for women: Infertility, pelvic inflammatory disease, and dangerous ectopic pregnancies can result...

2. Syphilis. Once thought to be nearly eradicated in the United States, syphilis has staged a comeback in the past decade. It is most common among men with same-sex partners, although women, too, can become infected. Syphilis typically unfolds in stages...late-stage syphilis...can take up to 20 years, but it can involve such extensive damage to vital organs like the brain, heart, blood vessels, nerves, liver, bones, and joints that a person can't survive.

3. Genital Human Papillomavirus. It's a common complaint but should not be taken lightly...some of the 40-plus HPV strains that infect the genitals boost the risk of certain cancers, according to the CDC. Cervical cancer, for one, can be especially dangerous because it tends not to produce symptoms until it's quite advanced.

4. Gonorrhea. Like chlamydia, this common bacterial STD can progress silently, leaving people with intractable health problems.

5. Pelvic Inflammatory Disease. Pelvic inflammatory disease

occurs when the uterus, fallopian tubes, or other female reproductive organs become invaded by infection-causing bacteria. Two common culprits are chlamydia and gonorrhea.

6. Trichomoniasis. A one-celled parasite causes this STD...

7. Genital Herpes. Caused by two types of the herpes simplex virus, genital herpes has no cure... can cause potentially deadly infections in babies if transmitted from a mother.

8. HIV. ... HIV can cripple the immune system. The infection may not ever advance to AIDS, but if it does, it can be deadly.

9. Chancroid. Like many STDs, untreated chancroid makes it easier to acquire and spread HIV.

10. Crabs. ...blood-sucking parasites

usnews.com

Microorganisms will work in unity to keep a healthy body healthy. But breaking the Laws, disrupting the set Laws of their kingdoms, brings the body down.

Scientific tests prove that the heavens—the firmament—is made up of microorganisms that work in the heavens under set Laws, keeping them in unity. As long as they are not damaged, they do their assigned jobs. Again read the information from the Hebrew dictionary in *Strong's Exhaustive Concordance*:

7549 רָקִיָּא {17x} rāqiyā, raw-kee'-ah; from 7554; prop. an *expanse*, i.e. the firmament or (appar.) visible arch of the sky:—firmament {17x}.

(1) *Raqiya* means that which is fixed and steadfast, rather than that which is solid. (1a) The application to the heavenly bodies is simple and beautiful: (1b) they are not fickle and uncertain in their movements, but are regulated by a law that they cannot pass over. (2) It comes from raqa (7554) which means spread out. The firmament, then is that which is spread or stretched out—hence an expanse. Thus it is extended and fixed, or fixed space. (3) The interplanetary spaces are measured out by God, and though the stars are ever moving, they generally preserve fixed relative positions: their movements are not erratic, not in straight lines, but in orbits, and thus, though ever changing, they are always the same. See: TWOT—2217a; BDB—956a.

Several different kingdoms of microorganisms work in unity to prepare the raindrops and snowflakes, and let them down onto the earth. Normally the rains would come in due season by set Laws, without hail and high water.

Yeremyah 5:20-21, 23-25

20 Declare this in the house of Yaaqob, and publish it in Yahdah, saying;

21 Hear this now, O foolish people *who* have no understanding; who have eyes, but do not see; who have ears, but do not hear!

23 But this people has a defiant and rebellious heart; they have revolted *against Me*, and have turned to *God (el) worship!*

24 They do not say in their heart; Let us now reverence Yahweh our Father, Who gives rain, both the former *rain in the fall* and the latter *rain in the spring, in its season*; Who reserves for us the appointed weeks of the harvest.

25 Your iniquities have turned these *blessings away*; your sins have withheld righteous *blessings* from you.

Here again we see that iniquity, the doing away with Yahweh's Laws, and sin, the breaking of Yahweh's Laws, have turned these blessings away. Remember what sin is.

I Yahchanan 3:4, 7-8, 10

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Scientific evidence now proves what I wrote in the 6/2007 and 11/2012 issues of *The Prophetic Word* magazine about the real cause of global warming. Now notice the articles showing what they are only now discovering in the firmament. Then I will again show you the real cause of global warming, and how to

stop the droughts that are growing all over the world at this time.

Bacteria Live At 33,000 Feet

By Stephanie Warren Posted 06.19.2013 at 4:12 pm

Earth's upper atmosphere—below freezing, nearly without oxygen, flooded by UV radiation—is no place to live. But last winter, scientists from the Georgia Institute of Technology discovered that billions of bacteria actually thrive up there. Expecting only a smattering of microorganisms, the researchers flew six miles above Earth's surface in a NASA jet plane. There, they pumped outside air through a filter to collect particles. Back on the ground, they tallied the organisms, and the count was staggering: 20 percent of what they had assumed to be just dust or other particles was alive. Earth, it seems, is surrounded by a bubble of bacteria.

Scientists don't yet know what the bacteria are doing up there, but they may be essential to how the atmosphere functions, says Kostas Konstantinidis, an environmental microbiologist on the Georgia Tech team. For example, they could be responsible for recycling nutrients in the atmosphere, like they do on Earth. And similar to other particles, they could influence weather patterns by helping clouds form. However, they also may be transmitting diseases from one side of the globe to the other. The researchers found *E. coli* in their samples (which they think hurricanes lifted from cities), and they plan to investigate whether plagues are raining down on us. If we can find out more about the role of bacteria in the atmosphere, says Ann Womack, a microbial ecologist at the University of Oregon, scientists could even fight climate change by engineering the bacteria to break down greenhouse gases into other, less harmful compounds.

Biotechnology Forums

Bacterial Viral and Fungal Diseases Transmissible Through Air

Human diseases caused by microorganisms can be classified as bacterial, viral and fungal disease based on the type of infectious microbe and classified as food borne, water borne, soil borne and air borne disease based on the nature of the medium (food, water, soil and air) through which these infectious agents enters the human system causing pathogenic diseases. Like drinking contaminated water, consuming spoiled food and contact with soil increases the chances of getting infected inhaling air with infectious microbe is also a major cause for concern for some of the harmful microbial diseases. Breathing pure air is a challenging task in the present scenario as air is being polluted by various factors. ...increased amount of carbon monoxide, sulfur dioxide, nitrogen oxide, volatile organic compounds, noxious gases and other suspended particles in the air. Apart from these physical and chemical pollutants there is microbial flora present in the air. Acromonium, Ascospores, Basidiospores, Cladosporium, Epicocum, Penicillium, Smut spores, Stachybotrys are examples of some of the reported microbes present in the air identified through air sampling.

'Rain-making' bacteria found around the world

Some microbes are frequent flyers in clouds.

The same bacteria that cause frost damage on plants can help clouds to produce rain and snow (in the firmament). Studies on freshly fallen snow suggest that 'bio-precipitation' might be much more common than was suspected.

Before a cloud can produce rain or snow, rain drops or ice particles must form. This requires the presence of aerosols: tiny particles that serve as the nuclei for condensation. Most such particles are of mineral origin, but airborne microbes – bacteria, fungi or tiny algae – can do the job just as well. Unlike mineral aerosols, living organisms can catalyse ice formation even at temperatures close to 0 °C.

The researchers were surprised to find ‘rain-making’ bacteria in all samples; the snow from Antarctica had fewer than that from France and Montana, but it still had some. The results add evidence to the idea that microbes can safely travel long distances in clouds, and suggest that substantial biology-driven precipitation occurs everywhere on Earth.

This idea – that bacteria are at an advantage if they can travel distances in clouds and then return to Earth – which Lenton developed ten years ago with the late Bill Hamilton², features in the Gaia hypothesis. The Gaia theory holds that that living and non-living parts of the Earth are a complex interacting system, in which living things have a regulatory effect that promotes life overall.

But humans also have a big effect on these regulatory processes.

Nature

First-Ever Video Reveals How HIV Spreads Between Immune Cells

Cell-to-Cell Transmission Could Explain Why Experimental Vaccines Have Yet to Work

From Center for Biophotonics Science & Technology

March 30, 2009

Sacramento, Calif. – For the first time, scientists at UC Davis and Mount Sinai School of Medicine have captured video footage showing the transfer of the human immunodeficiency virus (HIV) from an infected T-cell to an uninfected one through an adhesive structure called a virological synapse. The researchers hope their breakthrough findings, which appear in the March 27 issue of *Science*, will lead to a new era in HIV treatment and revive hope of developing a vaccine to halt the virus that leads to AIDS.

While previous efforts to create an HIV vaccine have focused on priming the immune system to recognize and attack surface proteins of free-circulating virus, the current results indicate that HIV avoids recognition by being directly transferred between cells.

In 2004, scientists discovered that cell-to-cell transfer of HIV also occurred via virological synapses. This was considered to be an effective method of transferring the infection, but the reasons were unclear. The current study, however, reveals that the synapse is providing the essential structure by which viral proteins are gathered and relocated to uninfected cells.

“Direct T-cell to T-cell transfer through a virological synapse is a highly efficient avenue of HIV infection, and it could be the predominant mode of dissemination,” said study senior author Benjamin Chen, assistant professor of medicine and infectious diseases at the Mount Sinai School of Medicine.

Chen made the study possible when he created a molecular clone of infectious HIV by inserting into its genetic code a gene that codes for the green fluorescent protein (GFP), a molecule originally isolated from a species of jellyfish. The protein glows when exposed to blue light, making it visible on digital video.

Chen, however, required the expertise of UC Davis researchers to record the behavior of live cells. Using the video microscopy developed at CBST, the researchers filmed interactions between cells infected with GFP-labeled HIV-infected T cells and uninfected ones, generating 19 hours of video footage.

In the videos, the researchers observed an infected cell coming into contact with a healthy one. Huser said that the two cells appear to struggle as a virological synapse is formed at the point where they connect, and, within minutes, fluorescent viral particles in the infected cell move toward the synapse and into the healthy cell.

The AIDS virus Rapes Everything it Gets Near

Viral Disease – Particularly from Herpes – Gaining Interest as Possible Cause of Coral Decline

ScienceDaily – As corals continue to decline in abundance around the world, researchers are turning their attention to a possible cause that's almost totally unexplored – viral disease.

It appears the corals that form such important parts of marine ecosystems harbor many different viruses – particularly herpes. And although they don't get runny noses or stomach upset, corals also are home to the adenoviruses and other viral families that can cause human colds and gastrointestinal disease.

In a research review published in the Journal of Experimental Marine Biology and Ecology, scientists point out that coral declines are reaching crisis proportions...

“Coral abundance in the Caribbean Sea has gone down about 80 percent in the past 30-40 years, and about one-third of the corals around the world are threatened with extinction,” said Rebecca Vega-Thurber, an assistant professor of microbiology at Oregon State University.

“We’ve identified 22 kinds of emerging disease that affect corals, but still don’t know the pathogens that cause most of them,” Vega-Thurber said. “Most researchers have looked only at bacteria. But we suspect viruses may play a role in this as well, and it’s important to learn more about what is causing this problem. Corals are the building blocks of the tropical seas.”

One of the surprises from recent research was the predominance in corals of herpes viruses – similar but not identical to the herpes virus that can infect humans. Herpes viruses appear to constitute a majority of the viruses found in corals, and one experiment showed that herpes-like viral sequences were produced in coral tissues after acute episodes of stress.

ScienceDaily.com

The Inspired Scriptures, written by Yahweh’s Prophets, is the greatest book of Wisdom on earth. The more it’s searched, the more you will see that fact. Yahweh’s Inspired Prophet, Daniyl, wrote about 2,500 years before this generation about exactly what we’re seeing in this generation. Daniyl said knowledge would be increased and due to the increase in knowledge, there would come to pass the greatest time of trouble ever in the history of man.

Daniyl 12:1, 4

1 And at that time, one who is like Yahweh will stand up at Abel; Yisrayl, the Great Priest, who stands at Abel to teach Yahweh’s Just, Perfect Laws to the children of Your People;

and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time, Your People will be delivered, everyone who will be found written in The Book of Life.

4 But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

Yahshua spoke of this same generation.

Mattithyah 24:3, 21-22, 29, 33-34

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What will be the sign of Your coming and The End of the Ages?

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

29 Immediately, but after the Great Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

33 In the same way, when you see all these things, know that His coming and The End of the Ages are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Without knowledge being increased, nuclear bombs that were

invented in this generation, would not be possible.

The Evolution of the Modern Computer (1934 to 1950): An Open Source Graphical History

For the record. I believe that The Manchester Mk I Prototype was the first Computer in a modern sense. But the text file is not intended to prove this or any other machine was first. It is only intended to record the known dates and influences for computing machines designed between 1934 and 1950. I Believe that the graph is complex enough to support many interpretations.

virtualtravelog.net

It took the computer to produce the bomb.

Leo Szilard – Patenting the Atomic Bomb

Hungarian physicist, Leo Szilard was the first person to conceive of the nuclear chain reaction and the atomic bomb. He was noted for his contributions to the fields of thermodynamics, biophysics, nuclear physics, and the development of atomic energy.

Leo Szilard was part of the group of scientists that invented the atomic bomb as part of the Manhattan Project.

Notice the date 1934.

Leo Szilard – Nuclear Chain Reaction Patent:

On July 4, 1934 Leo Szilard filed the first patent application for the method of producing a nuclear chain reaction aka nuclear explosion. His British patent included a description of a “neutron induced chain reactions to create explosions”, and the concept of critical mass. The patent was given to the British War Office as part of the war effort.

nuclearweaponarchive.org

No person can foretell Prophecy. Daniyl saw two others in a vision made possible by Inspiration of Yahweh. All of Yahweh's Prophets wrote equally, as well, in foretelling the future and warning us of what our activities, in this generation, would bring. In seeing these Prophecies fulfilled, one by one in this generation, and knowing that no man can foretell the future, no God can foretell the future and certainly not the queen of heaven spoken of in **Yeremyah 44:17** and all through that chapter, and still worshipped today by the Roman Catholic Church, anyone would be a fool not to believe Yahweh. In fact, that's what the Savior said.

Luke 24:25

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

Besides the Prophecies, Yahweh has shown us things about the microorganisms. In fact, I wrote about them as Yahweh showed me. As proof, the information is in our printed material. I wrote about these things long before science discovered them,

in fact, even before they started looking for viruses in the firmament. The word **firmament** is in *Webster's Dictionary* and in the *King James Version* of the Inspired Writings of Yahweh's Prophets.

The *King James Version* is one of the first bibles that the Roman Catholic Church finally let back into the hands of the people. That was long after they had destroyed the House of Yahweh and moved all of its artifacts to Rome, including *The Book of Yahweh*.

Isayah 34:16

Search out The Book Of Yahweh, and read. Not one of these will be neglected. For it is written: Yahweh is their Shepherd; they shall not want; for His Mouth has commanded it, and His Spirit has gathered them.

The Second Temple Destroyed – As Predicted

...[Yahshua] had assembled his disciples together on the Mt. of Olives overlooking the Temple. The disciples opened the conversation by talking about the beauty of the temple and its courts. [Yahshua] opened his amazing and detailed reply by predicting the soon-coming destruction of that magnificent building:

[Yahshua] left the temple and was going away, when his disciples came to point out to him the buildings of the temple. But he answered them, "You see all these, do you not? Truly, I say to you, there will not be left here one stone upon another, that will not be thrown down." As he sat on the Mount of Olives, the disciples came to him privately, saying, "Tell us, when will this be, and what will be the sign of your coming and of the close of the age?" (Matthew 24:1-3)

[Titus the Roman General]

Both the Temple and the City of Jerusalem were indeed about to be destroyed. With four Legions, Titus the Roman General, later to become Caesar, began the siege of Jerusalem in April, A.D. 70.

On the 10th of August, in A.D. 70...Titus took the city and...the Temple.

Jerusalem was totally destroyed and as [Yahshua] had predicted – not one stone was left upon another. The Menorah and vessels were carried to Rome and the treasury was robbed.

As Daniel had predicted, the Temple was destroyed *after* the Messiah had come, not before.

Bible scholar Ray C. Stedman comments on the predictions of [Yahshua] and their fulfillment in history a few years later:

In Luke 21:20 we have other details of this predicted overthrow of the city and the Temple. There [Yahshua] adds, “But when you see Jerusalem surrounded by armies, then know that its desolation has come near.” Forty years later the Roman armies under Titus came in and fulfilled the prediction to the very letter.

ldolphin.org

Titus was made a God for destruction and torture.

What is the Arch of Titus?

The Victory Arch of Titus commemorates Titus' victorious conquest of Judaea, leading the sacking of Jerusalem and ending the Jewish wars. The arch was constructed after Titus's death in 81 c.e. after his becoming a god.

Where is the Arch of Titus?

The Arch of Titus is located on the highest point of the Via Sacra, a road leading to the Roman Forum. This is a single arch, 15.4m high, 13.5m wide, and 4.75m deep. The marble reliefs stand nearly 2.5m in height. On the Arch of Titus is a relief depicting the Romans' triumphal procession, returning with spoils from the Jewish Temple in Jerusalem. Especially prominent is the sacred Menorah, but we can also see the Table of the Shewbread, and the silver trumpets which called Jews to Rosh Hashanah.

about.com

These Prophecies in your bible are sure. The beastly system that Prophecy shows to be located on the seven hills of Rome was prophesied to fight against Yahweh's Saints and to take the Holy Inspired Writings away from the people until the Last Generation when it was prophesied to be taught to all nations by Yahweh's Two Witnesses. All of these Prophecies have come to pass, and others are coming to pass at this time.

The names of the Two Witnesses are given in *The Book of Yahweh*. As part of their Message in these Last Days, the Two Witness foretell future events.

The Two Witnesses

Isayah 44:1-8

1 Yet now hear, O Yaaqob My Servant, and Yisrayl whom I have chosen,

2 This is what Yahweh says, Who made you and formed you from the womb, Who will help you: Do not be afraid, Yaaqob My Servant and Yeshurun; *Beloved Yisrayl*, whom I have appointed.

3 For I will pour water upon him who is thirsty, and floods upon the dry ground; I will pour out My Spirit upon your seed, and My blessing upon your offspring.

4 They will spring up among the grass, as willows by the water courses.

5 One will say; I belong to Yahweh, and the same will call himself with the name of Yaaqob. The other will subscribe with his hand, and write; I belong to Yahweh, and surname himself with the name of Yisrayl.

6 This is what Yahweh, the King of Israyl, and Redeemer, Yahweh our Father, says: I *am* the First, and I *am* the Last, and except for Me there is no source of power!

7 And Who, as I, will foretell, and set it in order for Me, since I appointed the ancient people? And the things which are coming, and will come, let them foretell them.

8 Do not fear, nor be afraid. Have I not told you from that time, and have declared; You are My Witnesses! Is there a source of power except Me? Truly, *there is no other* Rock; I know not *one*.

Isayah 45:4-7, 12, 15-22

4 For Yaaqob My servant's sake, and Yisrayl My chosen; and I call you by your name (Yaaqob); and I surname you (Yisrayl),

though you did not recognize that it was Me.

5 I *am* Yahweh, and there is no other apart from Me. There is no God (elohim). I will strengthen you *with this knowledge*, though you did not recognize that it was Me—

6 So that they may know from the rising of the sun to the place of its setting that *there is none besides Me. I am Yahweh, and there is no other!*

7 Light and darkness were created because you were created to learn *these things*; peace and destruction were created because you were created to learn *these things*. Behold! It has come to pass *that all these things* were done.

12 I have made the earth, and created man upon it. I, even My hands, have stretched out the heavens, and all their host I have commanded.

15 Truly You *are* a Father Who hides Yourself, O Father of Israyl, the Savior.

16 They will be ashamed, and also confounded; all of them. They will go into confusion together—*those who are makers of Gods (elohim)!*

17 *But* Israyl will be saved by Yahweh with an everlasting salvation; you will not be ashamed nor confounded *to the world* without end.

18 For this is what Yahweh, Who created the heavens, Who is *the* Father, Who formed the earth and made it, Who has established it, Who did not create it in vain, Who formed it to be inhabited, says: I *am* Yahweh, and *there is* no other source of power!

19 I have not spoken in secret, in a dark place of the earth; I did not say to the seed of Yaaqob: Seek Me in vain. I, Yahweh, speak righteousness! I openly speak things that are right!

20 Gather yourselves together and come; draw near together, you *who have* escaped from the nations. They have no knowledge, who set up the wood of their graven images, and pray to a god (el) *which* cannot save.

21 Speak out, bring *your proofs* near; yes, let them take counsel together. Who has declared this from ancient time? *Who* has foretold it from that time? *Have* not I, Yahweh? And *there is* no source of power except Me, a just Father and a Savior; *there is* none but Me.

22 Look to Me, and be saved, all the ends of the earth; for I *am* Yahweh, and *there is* no other source of power.

The Next Activities of the Nations...Nuclear Wars that Will Darken the Sun

Yahweh's Prophets show that we will have the worst time of killing in this generation, not just some generation in the distant future, but this present generation.

Daniyl 12:1

And at that time, one who is like Yahweh will stand up at Abel; Yisrayl, the Great Priest, who stands at Abel to teach Yahweh's Just, Perfect Laws to the children of Your People; and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time, Your People will be delivered, everyone who will be found written in The Book of Life.

Yahshua speaks of the same time period.

Mattithyah 24:21-22

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

Prophecy even shows where the killings would start in this generation.

Revelation 6:2, 6-8

2 And I looked, and behold, a white horse; and he who sat on it had a bow; and a crown was given to him: and he went out conquering and to conquer.

6 And I heard a voice in the midst of the four living creatures, saying: A measure of wheat for a penny, and three measures of barley for a penny; and see you do not hurt the oil and the wine.

7 And when He had opened the fourth seal, I heard the voice of the fourth living creature say: Come and see.

8 And I looked, and behold, a pale horse. And the name of him who sat upon it was death; and sheol; *the grave*, followed with him. And power was given to them over a fourth part of the earth, to kill with sword, and with hunger, and with pestilence—the same under the authority of the beast of the earth.

Continue in the killings in **Revelation 9** for the location.

Revelation 9:13-15, 18, 20-21

13 And the Last Malak sounded, and I heard a voice from the

four horns of the golden altar which is before Yahweh,

14 Saying to the Last Malak which had the trumpet: Loose the four messengers who are bound for the great river Euphrates!

15 And the four messengers were loosed, which were prepared for an hour, and a day, and a moon; *month*, and a year, in order to slay the third part of men.

18 By these three were the third part of men killed: by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and Gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Did you get that? The wars start in and around the great River Euphrates (verse 14). **Verse 15** shows a third part of men will be killed (Revelation 6:8) in that fourth part of the earth.

Notice again **Revelation 6:6**, hurt not the oil.

The explosion of the nuclear bomb is shown in the colors given to us in **Revelation 9**. The Savior shows the nuclear wars will darken the sun.

Mattithyah 24:29

Immediately, *but* after the *Great* Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

In This Generation

Mattithyah 24:33-34

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

This generation started in 1934, the year I was born. We are now in the end of the generation that will not pass until all these things are fulfilled. All nations are included in this outcome of wars.

Isayah 24:1-6, 18-20

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the

Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

18 And it will come to pass, *that* he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

20 The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

Please remember this: our sins have defiled our bodies, minds, the earth, all water bodies, and the firmament. This will not just go away without change. **Revelation 9:20-21** shows the religions that lead the nations will not repent. The hatred and killings are growing worse with the iniquity of the religions.

Mattithyah 24:11-12

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

Neither the nations, nor the religions will repent.

Revelation 9:20-21

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and Gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

The Gods and demons that lead the world at this time will not repent; neither do they have the power to answer your prayers. You should know that by now seeing all these Prophecies come true.

Revelation 9:20

And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and Gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

The destruction mankind has caused to the micro-kingdoms that assist the earth, seas, firmament, and mankind is a result of sin that is now reaching into the heavens, to which the Savior said:

Mattithyah 24:22

And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

Did you notice there is an Elect? Who are they?

I Yahchanan 2:3-4

3 Now by this we do know that we know Him: If we keep His Laws.

4 He who says: I know Him, but does not keep His Laws, is a liar, and the Truth is not in him.

Who are they?

Revelation 14:11-12

11 And the smoke of the death and destruction, which is the consequence of their sin, ascends up on that day. And they have no Sabbath night and day, who worship the beast and his likeness, and whoever receives the mark of his name.

12 In this manner are the Saints purified—by keeping the Laws of Yahweh, in *conformity with* the Faith, as *Yahshua Messiah*.

Who are they?

Revelation 22:12-15

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the City.

15 For outside *are* dogs, and sorcerers, and whoremongers, and murderers, and worshipers of Gods (elohim) and everyone *who professes* to love, yet practices breaking the Laws.

Who are they?

I Yahchanan 3:4, 7-8, 10

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Isayah 45:21-22

21 Speak out, bring *your proofs* near; yes, let them take counsel together. Who has declared this from ancient time? *Who* has foretold it from that time? *Have* not I, Yahweh? And *there is* no source of power except Me, a just Father and a Savior; *there is* none but Me.

22 Look to Me, and be saved, all the ends of the earth; for I *am* Yahweh, and *there is* no other source of power.

Mattithyah 6:33

But seek you first the Kingdom of Yahweh and His Righteousness, and all these things will be added to you.

Compare:

Deuteronomy 12:5, 7-8

5 But you are to seek the Habitation of your Father; *The House of Yahweh*—the place which Yahweh your Father shall choose out of all your tribes to establish His Name—and there you must

go.

7 There, in front of Yahweh your Father, you and your families shall eat, and you shall rejoice in all that you have put your hand to do, because Yahweh your Father has blessed you.

8 You must not at all do as we are doing here this day—every man doing whatever is right in his own eyes—

Remember the Last Days (**Daniyl 12:1-4**). In the Last Days, the Last Generation all these things will be fulfilled (**Mattithyah 24:3, 33-34**). Compare now:

Micahyah 4:1-3

1 But in the Last Days it will come to pass *that* the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will *eventually* flow to it.

2 And many people will go and say; Come, and let us go up to the mountain; uplifting, of Yahweh, and to the House of the Father of Yaaqob, and He will teach us of His Ways, and we will walk in His Paths. Because the Laws will depart from Zion, and the Word of Yahweh from Yerusalem.

3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up sword against nation, nor will they learn war anymore.

What do the Two Witnesses do? Compare:

Revelation 11:3-4

3 And I will give to My Two Witnesses to perform their

Prophetic Offices, and they will foretell events about the one thousand two hundred and sixty days, those cast about with darkness.

4 These are, as it were, the two Olive Trees, and, as it were, the Two Lamps *of the Seven Lamp Lampstand*, ministering for the Father in the earth.

Compare:

Isayah 44:7-8

7 And Who, as I, will foretell, and set it in order for Me, since I appointed the ancient people? And the things which are coming, and will come, let them foretell them.

8 Do not fear, nor be afraid. Have I not told you from that time, and have declared; You *are* My Witnesses! Is there a source of power except Me? Truly, *there is no other* Rock; I know not *one*.

The House of Yahweh was sent to help. Call, write, or email us.

May Yahweh bless your understanding.

Love, True Love,
