Prophecy – Damascus

Idlib Province Gematria

The following article was published on 8/28/18, showing US officials warning Syrian and Russian governments against the use of chemical weapons in their upcoming offensive in the Idlib Province of Syria.

US warns Russia, Syria against chemical weapons use

Russia says it's a false flag in preparation of the nuclear wars intended by the U.S.

Associated Press – August 28, 2018

WASHINGTON (AP) – Senior U.S. officials are warning the Russian and Syrian governments against chemical weapons use in Syria as forces allied with its President Bashar Assad prepare for an offensive on a rebel stronghold.

State Department spokeswoman Heather Nauert says the United States “will respond to any verified chemical weapons use in

Idlib or elsewhere in Syria ...in a swift and appropriate manner.”

Speaking to reporters in Washington Tuesday, Nauert said senior U.S. officials engaged with the Russian counterparts to “encourage Russia to make this point very clear to Damascus.”

The Syrian government is gearing up for an expected offensive in Idlib province, which is home to nearly 3 million people and has a large al-Qaida presence in addition to Syrian rebel groups.

A war started in Idlib with the mindset of Russia, the U.S. and Syria could lead to the prophesied destruction of Damascus, and from there to all nations in this generation.

Mattithyah 24:29, 33-34

29 Immediately, *but* after the *Great Tribulation* of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Isayah 17:1

The burden of Damascus: Behold, Damascus will cease from being a city; it will be a ruinous heap.

Revelation 18:8, 10, 17, 19

8 Therefore, her plagues will come in one day—death, and mourning, and famine; and she will be utterly burned with fire; for strong is Father Yahweh Who judges her.

10 Standing afar off for the fear of her torment, saying: Alas! Alas! That great city Babylon, that mighty city! For in one hour your judgment has come!

17 For in one hour such great riches came to nothing! And every sea captain, and all the company in ships, the sailors, and all who earn their living from the sea, stood afar off,

19 And they cast dust on their heads, and cried, weeping and wailing, saying: Alas! Alas, that great city, in which all who had ships in the sea were made rich through her wealth! For in one hour she is made desolate.

Revelation 18:8, 10, 17, 19 all show a one-hour burning for this generation, as shown in **Mattithyah 24:29, 33-34**.

Now back to the gematria for the city of Idlib, the endangered city in Syria over which two strong nations with nuclear bombs seem to be arguing and making plans for more war.

Idlib Province in English gematria is equal to **828**. The number **828** is not only the date of the article, it is also the date of the birth of the Witness Yisrayl Hawkins – the man prophesied to teach the Damascus Prophecy.

In Hebrew gematria, **Idlib Province** is equal to **991**. #991 in the Greek dictionary of *Strong's Concordance* means *to look, see, perceive, discern, take heed, beware*. It means *to see, be*

observant (watchful); suggests to see something physical with spiritual results (perception). That is, it carries what is seen into the non-physical (immaterial) realm so a person can take the needed action (respond, beware, be alert).

In the Hebrew dictionary of *Strong's Concordance* word #991 means *womb*; from #990 meaning, *belly, body, womb, pregnancy, birth, depths.*

These definitions should remind one of the nuclear baby Prophecy, which is prophesied to take place in this generation, details of which are shown in our book, *Birth of the Nuclear Baby*.

The Greek definitions of word #991 show it's something to be aware of, take heed to, and to discern. The recent news story, dated August 24, 2018, on the 144 earthquakes over a 7-day period also showed the words **perceive** and **discern**, as the #144 shows in the Greek dictionary of *Strong's Concordance*.

For more information on the great and increased earthquakes, write, call or email us.

Ecclesiastes 8:5

Whoever keeps the Commandment will experience nothing harmful, and the wise man's mind discerns both time and judgment in action.

In English gematria:

- Discern times equals 828
- Judgment in action equals 1074
- Wisdom & knowledge also equals 1074

Back to **Idlib Province**, it equals **138** in Simple gematria.

In the Greek dictionary of *Strong's Concordance* word #138 means *to take, choose, chosen*.

In the Hebrew dictionary of *Strong's Concordance* word #138 means *Yahweh is my ruler*.

Adding all the number in gematria of Idlib Province, we get the sum of **1957**. $828 + 991 + 138 = 1957$.

In the Greek dictionary of *Strong's Concordance* word #1957 means *to bear witness to, establish by testimony, corroborate*.

In the Hebrew dictionary of *Strong's Concordance* word #1957 means *to dream, sleep; from 2372: to see, behold, envision in visions, prophecy, to gaze at, perceive*.

Isayah 44:7 and **Revelation 11:3** say the Two Witnesses will foretell these events in Prophecy. Pastor Yisrayl Hawkins, the

Last Witness, has been warning the world about the Damascus Prophecy found in **Isayah 17:1**, where it shows that Damascus will become a ruinous heap. He has also warned of the nuclear baby which was held back but is soon to be born. You need this information to understand these Prophecies.

Damascus Prophet in English gematria equals **1074**.

All together, we see the Prophecies and gematria showing the Last Days' Work of Yahweh foretelling this great time of trouble that has now started in the land of Syria.

May Yahweh bless your understanding.

Love, True Love,

Yisrayl Hawkins
