

The Book of Yahweh Tells Us What Causes Brain Cancer

Is there a way to prevent brain cancer? The Inspired Writings of Yahweh's Prophets say there is and tell each of us to teach this valuable lesson diligently to our children. The knowledge in this letter comes from the Wisest and most Knowledgeable Being in the universe. It's well worth every effort you go to, in order to learn this Great Knowledge.

Yahweh created mankind to enjoy life to the fullest and to live forever, in doing just that. The Plan for mankind is Eternal Life as shown in:

Revelation 22:12-14–

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the City.

Mattithyah 19:16-17–

16 And behold, one came to Him, and said; Teacher, what Righteous thing may I do, so that I may have Eternal Life?

17 But He said to him: Why do you question Me about Righteousness? There is only One Who is the Standard of Perfection, and He is Yahweh; so if you would enter into Life, keep the Laws of Yahweh.

We see from the above Scriptures, quoting Yahshua Messiah's Words, that we do not have Eternal Life dwelling in us, but it can be acquired. Think carefully on this, because the Roman Catholic Church and her daughters, the Christians, teach that you do have life and eternal life dwelling in you. The Holy Inspired Scriptures are the only Authority, being inspired by the Creator. The Scriptures show that those who teach that we do have an immortal life or soul are deceived and practice lies. Notice in your own bible or better still *The Book of Yahweh*.

Yechetzqyah (Ezekiel) 18:20-22–

20 The soul that sins, it will die. The son will not bear the iniquity of the father, nor will the father bear the iniquity of the son. The Righteousness of the righteous will be upon himself, and the wickedness of the wicked will be upon himself.

21 But if the wicked will turn from all his sins that he has committed, and keep all My Statutes, and do that which is Lawful and right, *then* he will surely live; he will not die.

22 And his transgressions that he has committed will not be mentioned against him; in his Righteousness that he has done, he will live.

The people are told that they can't understand the Scriptures and should not read them. Most of the people believe men instead of Yahweh. As a result, many die early from cancer or other diseases that could have been prevented had they studied the Inspired *Book of Yahweh* or the bible and followed the instructions.

Isayah 34:16–

Search out The Book Of Yahweh, and read. Not one of these will

be neglected. For it is written: Yahweh is their Shepherd; they shall not want; for His Mouth has commanded it, and His Spirit has gathered them.

Mankind is not born with Eternal Life, so says your bible and *The Book of Yahweh*. Here lies the difficulties and the reason people are getting brain cancer and thousands, yes thousands of other cancers and thousands of other diseases besides cancer.

This would stop if we made two changes. **Revelation 22:14** and **Mattithyah 19:17** tell us that keeping Yahweh's Laws gives us the right to Eternal Life.

There are hundreds of other verses in *The Book of Yahweh*, starting in **Genesis**, that show breaking Yahweh's health Laws allows death-causing microbes to enter the body. These microbes start attacking the friendly microbes which keep all your organs performing like clockwork. The unfriendly microbes break down the body's cells, causing different forms of damaged cell growth that science classify as cancer.

By what *The Book of Yahweh* called iniquity, which means doing away with Yahweh's Laws including the health Laws, mankind has 'successfully' turned their bodies into a laboratory for producing or breeding many forms of death-causing, organ-damaging microbes. Most of the time the killers do not kill instantly, but dying your organs will die from one attack after another until eventually the enemy cells outnumber the healthy cells.

Dying you will die is what the Hebrew says. Yahweh shows clearly the results of breaking His Laws is death. The following articles reveal scientific tests which prove the same.

Does Herpes Cause Brain Cancer?

A vaccine that targets a common virus may stave off glioma tumor regrowth

By Victoria Stern | Jul 1, 2008

The deadliest and most common type of brain cancer has a strange bedfellow: cytomegalovirus, a kind of herpes present in about 80 percent of the U.S. population. Now scientists are exploiting this coincidence to treat the cancer with a vaccine that targets the virus and slows tumor regrowth.

In 2002 scientists showed that cytomegalovirus, or CMV, was active in the brain tumors but not the surrounding healthy tissue of all 27 patients they tested who had glioblastoma multiforme. CMV is dormant and undetectable in most people. Neuroscientist Duane Mitchell of Duke University Medical Center and his colleagues confirmed in 2007 that CMV is active in at least 90 percent of glioblastoma tumors.

So does this herpes virus cause cancer? The answer is unclear: tumor cells may simply be a fertile ground for growing the virus, as cells such as these often lack the normal immune functions that suppress CMV reproduction. But University of Wisconsin–Madison researchers reported in May that the virus has the ability to take over a cell's braking mechanism and cause uncontrolled reproduction.

Which cancers are caused by HPV?

High-risk HPVs cause several types of cancer.

- Cervical cancer: Virtually all cases of cervical cancer are caused by HPV, and just two HPV types, 16 and 18, are responsible for about 70 percent of all cases (7, 8).
- Anal cancer: About 95 percent of anal cancers are caused by HPV. Most of these are caused by HPV type 16.
- Oropharyngeal cancers (cancers of the middle part of the throat, including the soft palate, the base of the tongue, and the tonsils): About 70 percent of oropharyngeal cancers are caused by HPV. In the United States, more than half of cancers diagnosed in the oropharynx are linked to HPV type 16 (9).
- Rarer cancers: HPV causes about 65 percent of vaginal cancers, 50 percent of vulvar cancers, and 35 percent of penile cancers (10). Most of these are caused by HPV type 16.

Human Papillomavirus (HPV)

HPV and Oropharyngeal Cancer – Fact Sheet

Human papillomavirus (HPV) can cause serious health problems, including genital warts and certain cancers.

What is genital HPV?

Genital human papillomavirus (also called HPV) is the most common sexually transmitted infection (STI) in the U.S. There

are more than 40 types of HPV that can infect the genital areas as well as the mouth and throat. Most people who become infected with HPV do not know that they are infected.

What is oral HPV?

The same types of HPV that infect the genital areas can infect the mouth and throat. HPV found in the mouth and throat is called "oral HPV." Some types of oral HPV (known as "high risk types") can cause cancers of the head and neck area. Other types of oral HPV (known as "low risk types") can cause warts in the mouth or throat.

What head and neck cancers can be caused by HPV?

HPV can cause cancers in the back of the throat, most commonly in the base of the tongue and tonsils, in an area known as the "oropharynx." These cancers are called "oropharyngeal cancers."

How common are cancers of the oropharynx?

Each year, in the U.S., about 9,000 people are diagnosed with cancers of the oropharynx that may be caused by HPV. Cancers of the oropharynx are about four times more common in men than women.

Scientific tests have proven that the unfriendly microbes can be passed on to our children. In this sinful generation, we are now seeing this Scripture fulfilled that shows to us what science is now saying. Scripture says the result of your sins

can be passed from the sperm of the male and the egg of the female to each child born, up to the third and fourth generations. This is taking place a lot in this present generation because of 'follywood' and its teachings of sin to every child.

The television was invented in this generation. By the late 1940s, they were going into the homes along with the teachings of sin and the selling of sin-producing products.

The teaching against sin stopped a short time after the television came into the homes. The preachers fought against television for a while, but finally stopped after their flocks started dwindling. I remember one well-known Christian evangelist saying television put Satan into every home.

But now, every sin is acceptable. Along with the sins, come the worst disease epidemics ever. This is just as the Savior, Yahshua Messiah, foretold about sin because iniquity abounds.

Mattithyah 24:2, 7, 12, 33-34—

2 But Yahshua said to them: Do you see all these things? Truly I say to you: There will not be one stone left *sitting on top of* another, which will not be thrown down.

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *environmental disasters*, in place after place:

12 And because iniquity will abound, the love of the many will grow cold.

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Did you see what Yahshua said in **verse 12**? ...and because iniquity will abound... What you just read was a great fulfilled Prophecy.

The religions are weak. They are not capable of standing up for the Truth, if it means rejection by mankind. They are not at all like Yahweh's Prophets and Apostles who were willing to die rather than give in to iniquity. Which of the Prophets have your fathers not persecuted?

Acts 7:52–

Which of the Prophets have not your fathers persecuted? And they have slain those who foretold the coming of the Just One; of Whom you now have become the betrayers and murderers–

Hebrews 11:35-38–

35 Women received their dead raised to life again; and others were tortured, not accepting deliverance, that they might obtain a better resurrection.

36 And others had trial of *cruel* mockings and scourgings, yes, and of chains and imprisonment;

37 They were stoned, they were sawed in two, were tested, were slain with the sword. They wandered about in sheepskins and goatskins, being destitute, afflicted, tormented; *cruelly treated*–

38 Of whom the world was not worthy. They wandered in deserts and mountains, and *in* dens and caves of the earth.

That is not so in this evil and adulteress generation; they turned to:

Mattithyah 24:11-12–

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

Instead of admitting that they let iniquity abound, they started saying that the Savior and His twelve Disciples did away with Yahweh's Laws of Life, Joy, Peace and Health. These are Laws, which if kept, would prevent the suffering of cancer and 110 million other diseases from robbing the health, joy and life from adults and children today.

This present, prophesied generation of false religions speak falsehood, causing the people to practice sin. This leads to sickness and disease. Diseased children are even being born with brain cancer and many thousands of other defects. With the percentage of cancer-causing microbes in the bodies of sinners now, anyone could start suffering symptoms at any time in this present generation.

CDC: 110 Million Americans Have STDs At Any Given Time

October 6, 2014 9:12 PM

Nearly 20 million cases of a sexually transmitted disease infection are reported each year in the United States and the number could be higher because many sufferers don't show symptoms.

ATLANTA (CBS Atlanta) – While the national media focus on the

Ebola outbreak in West Africa and the patient in Dallas, the CDC is reminding Americans that sexually transmitted diseases are an ongoing but hidden epidemic.

In the United States, nearly 20 million cases of new STD infections are reported each year, reports Live Science. Since infections can persist for a long time, and because some victims are not even aware they have a disease and can easily spread it to others.

Based on data from 2008, the Centers for Disease Control and Prevention, the eight most common sexually transmitted diseases are: chlamydia, gonorrhea, hepatitis B virus (HBV), genital herpes, HIV, human papillomavirus (HPV), syphilis and trichomoniasis.

About 50.5 million current infections are in men while 59.5 million are in women, for a total of 110 million Americans with STDs at any given time.

Beau Biden, the Vice President's son, died of a relatively new type of brain cancer. This cancer is so new and there are so few cases at this time, that there is little known about its origins.

One thing is for certain. Prophecies don't lie.

Search out The Book Of Yahweh, and read. Not one of these will be neglected. For it is written: Yahweh is their Shepherd; they shall not want; for His Mouth has commanded it, and His Spirit has gathered them.

Brain cancers like Beau Biden's kill about 15,000 adults each

year

By Lenny Bernstein May 31

CHICAGO – A variety of malignant brain and central nervous system tumors kill about 15,000 people in the United States each year, often after difficult courses of surgery, radiation and chemotherapy, according to experts and data from various cancer organizations.

Officials have not disclosed the type of brain cancer that killed Vice President Biden's son Joseph Robinette "Beau" Biden III at age 46 on Saturday night. But assuming he suffered from a primary cancer – not one that spread from another part of the body – the most likely is a glioblastoma, an aggressive cancer of the brain's supportive tissue, two experts said.

Patients with Grade 4 glioblastomas – the most aggressive type – survive a median of 14.6 months after diagnosis, said Brian Alexander, a radiation oncologist at the Dana-Farber Cancer Institute in Boston. But adults can suffer from Grade 2, 3 or 4 malignancies, living for 10 years or more if they have the mildest type, and younger adults like Biden tend to live longer than older ones, Alexander said.

Former Massachusetts senator Edward M. Kennedy died in August 2009, 15 months after he suffered a seizure and was diagnosed with a malignant glioma, the most common form of brain cancer. A glioblastoma is a sub-type of glioma.

Brain tumors are a particularly common form of cancer in children. About 4,300 children and teens will be diagnosed with malignant tumors this year, more than half of them younger than 15.

Unlike most other cancers, brain tumors generally do not

spread to other parts of the body. They kill by interfering with normal body function, depending on their location in the brain. Malignancies can develop in most areas of the brain, Alexander said.

“For most incurable brain tumors, the primary challenge is managing the portions of the tumor that are undetectable by diagnostic imaging,” said Nader Sanai, a brain tumor surgeon and brain cancer researcher at Barrow Neurological Institute in Phoenix. “These tumor cells are often the source of recurrence, traveling undetected to other brain regions of the patient and then driving the formation of new areas of growth with little warning.” Most malignant brain tumors eventually recur, Sanai said.

The more we stack sin in these laboratories we call human bodies, the more of this type of cancer we will see along with millions of other breeds. The number of other breeds will increase as this breeding program continues. Read now what we are bringing upon ourselves. I will use the “New Testament” *King James Version* to assure you that the Apostle Shaul (Paul) never, ever taught that Yahweh’s Laws of Righteousness were done away with by him or Yahshua Messiah, or any of Yahweh’s Prophets.

I am fully aware that Satan’s preachers are saying that Yahshua and His Twelve Disciples did away with Yahweh’s Laws. I am also aware that is the very reason that these sins and diseases are spreading. Yahshua, the Twelve Disciples, and the Apostle Shaul (Paul) show plainly that breaking these Laws of Yahweh cause physical death and eternal death. Read it for yourself in your own bible.

I Corinthians 6:18 KJV–

Flee from sexual immorality. All other sins a man commits are outside his body, but he who sins sexually sins against his

own body.

I Corinthians 6:18 B0Y–

Flee sexual immorality! All *other* sins that a man commits are outside his body; but he who sins sexually, sins against his own body.

Galatians 5:19 KJV–

The acts of the sinful nature are obvious: sexual immorality, impurity and debauchery;

Galatians 5:19 B0Y–

For the works of the flesh are obvious, which are these: adultery, fornication, uncleanness, licentiousness,

Ephesians 5:3 KJV–

But among you there must not be even a hint of sexual immorality, or of any kind of impurity, or of greed, because these are improper for God's holy people.

Ephesians 5:3 B0Y–

But fornication; *idolatry*, and all uncleanness or covetousness, let this not once be named among you, as is fitting for saints.

Colossians 3:5 KJV–

Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry.

Colossians 3:5 B0Y–

Therefore, put to death *the evil passions lurking in* your members which are on the earth: fornication, uncleanness, passions, unholy desires, and all greed and

covetousness—which are idolatry!

Revelation 9:21 KJV—

Nor did they repent of their murders, their magic arts, their sexual immorality or their thefts.

Revelation 9:21 B0Y—

Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

The Roman Catholic Church has their own writings, written by evil popes and other popes that hated Righteousness. They use them as if they were authoritative, but they are not. Their writings actually teach people to sin. Sin is the breaking of Yahweh's Laws.

I Yahchanan 3:4, 7-8, 10—

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Anyone who teaches you to practice breaking Yahweh's Laws is a false Prophet.

I Yahchanan 2:4–

He who says: I know Him, but does not keep His Laws, is a liar, and the Truth is not in him

Mattithyah 24:11-12–

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

The religions are teaching iniquity in this generation, causing love to grow cold and hatred and disease to flourish. When they teach you that Yahweh's Laws are done away with, they are teaching you to take their word above that of the Prophets, the Savior and the Twelve Disciples. Look at the Savior's Words in:

Mattithyah 7:17–

Likewise, every Righteous tree brings forth Righteous fruit; but a tree of evil brings forth fruit of iniquity.

Iniquity is teaching against Yahweh's Laws of Righteousness. This teaching is causing the whole world to turn to evil and is bringing thousands of curses.

The Savior said:

Yahchanan 5:14–

Afterward, Yahshua found him in the sacred precincts of *The House of Yahweh*, and said to him: Behold, you are healed. Sin

no more, or a worse thing will come upon you.

Did you notice sin causes curses? Yahweh's Prophet Yermeyah shows what will stop these curses, if only the sinful preachers had guts enough to stand up for Truth.

Yermeyah 23:21-22–

21 I have not sent these prophets, yet they ran; I have not spoken of them, yet they prophesied.

22 But if they had stood in My Counsel, and had caused My people to hear My Words; *the Laws and the Prophets*, then they would have turned them from their evil way, and from the evil of their doings.

Did you see that? It's the religious teachings against Yahweh's Laws of Righteousness that are causing the evil to be practiced all over the world. Notice what Yahshua Messiah said to that and to you.

Luke 24:25–

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

The world is filled with the same sick minds speaking first strike, using nuclear bombs that can darken the sun.

U.S. Building "Global First Strike Capacity" Against Russia and China

Global Research, January 13, 2013

China Daily

By Hu Yumin

...the US has allocated more funds for the development of Prompt Global Strike, a system that can deliver a precision non-nuclear weapon strike anywhere in the world within 1 hour. The number of such weapons in the US armory will continue to grow, with the Russian Defense Ministry estimating that Washington will have 1,500 to 1,800 sea- and air-based first-strike cruise missiles by 2015 and 2,500 to 3,000 by 2020.

The US aims to combine PGS with its space and anti-missile technologies to form an integrated defense system, which could render other countries' strategic weapons, including nuclear arms, almost useless. It intends to break the global and regional strategic balance, minimize other countries' capability of strategic counterattack during emergencies and squeeze their strategic space.

This could put other countries in a dilemma: they either lose the capability to launch a strategic nuclear counterattack or use nuclear weapons first to avoid devastation.

Russia's army, navy as well as air force still have the capability to deal with any challenge. Moscow's Topol-M missiles are its major strategic nuclear deterrent and the project to deploy them is the most important part of its national armament planning. Russia has a reliable protection system, which also consists of multi-range anti-aircraft missiles to defend against air attacks from even high-precision non-nuclear weapons.

The Russian army has a multi-level firepower system,

comprising C-400 and C-400M anti-aircraft missiles, and Thor and Amor anti-aircraft missile launchers, which is regarded as the best anti-aircraft power combination targeting PGS.

Since Russia's strategic weapon system is better than China's in terms of numbers, mobility and protection capabilities, some experts believe that the US army's PGS poses a greater threat to China than Russia.

SENIOR NATO OFFICIAL: "WE'LL PROBABLY BE AT WAR THIS SUMMER"

"If we're lucky it won't be nuclear"

by PAUL JOSEPH WATSON | MAY 26, 2015

A senior NATO official told former NSA intelligence analyst John Schindler that the world would "probably be at war" sometime this summer.

"We'll probably be at war this summer, if we're lucky it won't be nuclear," the official told Schindler last week.

Although the tweet was retweeted over 400 times, the comment garnered no mainstream media attention whatsoever, which is odd given that Schindler is a former U.S. Naval War College lecturer and is known to have many high level military contacts.

Although not specified, the reference was almost certainly in relation to growing tensions between the United States and Russia.

One analysis of the comment suggests it may have been a "deliberate "leak" from NATO sources, to emphasize how serious the situation is."

Earlier this month NATO launched its biggest ever wargame

exercise on Russia's doorstep. Moscow responded by conducting "provocative" wargames in the Mediterranean Sea in coordination with the Chinese PLA, the first ever naval drill involving both superpowers.

NATO powers are also taking part in one of Europe's largest ever fighter jet drills from today, with the United States, the United Kingdom, Switzerland, the Netherlands, Germany, France, Finland, Norway and Sweden all involved in the 12 day exercise.

Tensions are also building between the U.S. and China, with The Global Times, a state media outlet owned by the ruling Communist Party, today warning that "war is inevitable" if Washington doesn't halt its demands that Beijing stop building artificial islands in the South China Sea.

"If the United States' bottom line is that China has to halt its activities, then a U.S.-China war is inevitable in the South China Sea," the newspaper said. "The intensity of the conflict will be higher than what people usually think of as 'friction'."

Last week, CNN revealed how China's Navy has repeatedly issued warnings to U.S. surveillance planes flying over the South China Sea.

Billionaire investor George Soros also cautioned last week that the planet was heading towards a third world war as a result of a potential economic collapse in China.

Noting that Beijing may need to rally its population around an external threat to avoid an internal collapse, Soros said that, "there is a real danger that China will align itself with Russia politically and militarily, and then the threat of third world war becomes real."

In a People's Daily editorial last September, Chinese PLA Professor Han Xudong also warned that Beijing should prepare

itself for a third world war which could arise out of the conflict between the United States and Russia over Ukraine.

The Savior, Yahshua Messiah, was right!

Mattithyah 24:29–

Immediately, *but* after the Great Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

In this generation:

Mattithyah 24:33-34–

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

How can the religions be so foolish as to reject the Inspired Holy Scriptures? Billions will be killed in this generation by man-made sicknesses, diseases, and wars of hate. Many children will die because of the sins of their parents in this last part of this prophesied generation. Many more deaths from famine and starvation are also caused by man's sinful activities. Many more will die by the nuclear bombs. Notice when that will be.

The bombs spoken of here were actually invented in this generation that started in 1934.

Leo Szilard – Patenting the Atomic Bomb

Hungarian physicist, Leo Szilard was the first person to conceive of the nuclear chain reaction and the atomic bomb. He was noted for his contributions to the fields of thermodynamics, biophysics, nuclear physics, and the development of atomic energy.

Leo Szilard was part of the group of scientists that invented the atomic bomb as part of the Manhattan Project.

Leo Szilard – Nuclear Chain Reaction Patent:

On July 4, 1934 Leo Szilard filed the first patent application for the method of producing a nuclear chain reaction aka nuclear explosion. His British patent included a description of a “neutron induced chain reactions to create explosions”, and the concept of critical mass. The patent was given to the British War Office as part of the war effort.

the increase in knowledge, was also invented starting in 1934.
