Why Believe the Prophecies In Your Bible and The Book of Yahweh?

Two more B-52s deployed to US Central Command on Thursday, bringing the bomber task force in the Middle East to a total of four aircraft from Barksdale AFB, La.

Acting Defense Secretary Patrick Shanahan told lawmakers on May 8 that US officials received the intelligence on Friday and decided over the weekend to deploy the additional forces

as a message to Iran that the US would respond to any attack with force.

CENTCOM boss USMC Gen. Kenneth McKenzie emphasized that the US is not seeking a fight, but “if a fight is to be had, ... it won’t be a fair fight.”

First Nuclear-Capable US B-52 Bombers Arrive in Middle East

Earlier the Pentagon released a video showing four nuclear-capable B-52 bombers taking off for the Middle East.

On Sunday National Security Adviser John Bolton announced the deployment of the USS Abraham Lincoln and a bomber task force to the US Central Command region, intended to send a message to Tehran.

Iran dubbed the announcement an act of “psychological warfare.”

Two U.S Warships Enter Persian Gulf Without Incident

May 16, 2019

As of Thursday, the Abraham Carrier Strike Group was operating off the coast of Oman while the USS *Kearsarge* (LHD-3) was off the coast of the United Arab Emirates near the entrance to the Persian Gulf, USNI News has learned.

Show of force in the Middle East continues with Lincoln and Kearsarge joint ops

May 19, 2019

MANAMA, Bahrain – The USS Abraham Lincoln Strike Group has entered the Arabian Sea and conducted joint drills with U.S. amphibious forces, Navy officials said, as tensions continue to mount following intelligence reports that Iran or its proxy forces planned to harm American troops in the region.

Rear Adm. John Wade, Lincoln's strike group commander, said the exercises are "aimed towards increasing our lethality and agility to respond to threats, and deterring destabilizing actions in this important region."

USS Arlington, Patriot Missiles to Join Lincoln Carrier Strike Group in Middle East

May 10, 2019

The Pentagon is sending amphibious warship USS *Arlington*

(LPD-24) and elements of the 22nd Marine Expeditionary Unit to join the Abraham Lincoln Carrier Strike Group as a hedge against Iran, according to a Friday Pentagon statement.

“USS Arlington is a San Antonio-class ship that transports U.S. Marines, amphibious vehicles, conventional landing craft and rotary aircraft with the capability to support amphibious assault, special operations, or expeditionary warfare missions,” read the statement. *“Arlington also provides a high-quality command and control capability and improved interoperability with our allies and partners in the region.”*

Sending 1,500 US troops to Middle East will increase risks in the region, warns Lavrov

US President Donald Trump instructed Acting Secretary of Defense Patrick Shanahan on May 24 to send an additional US contingent to the Middle East amid escalating tensions between Washington and Tehran. According to CNN, the US will deploy Patriot missile batteries, a reconnaissance aircraft and forces to contain Iranian threats.

Trump dances with danger in Middle East by deploying aircraft carrier and a ‘peace plan’ – CNN

The US appears to be banging war drums at the same time it’s,

conversely and perhaps superficially, extending an olive branch just a few hundred miles away.

But the events in the Levant and the Persian Gulf could be two sides of the same coin. Both are aimed at strong-arming parties into accepting the tough demands of America and its allies, and both could propel decades-long tensions toward a new, and possibly more violent, chapter in the region's history.

"Even if the (the US) aim is not to initiate some sort of armed conflict, the higher you raise tensions the more chance for a mistake, for something to happen that will spiral out of control really fast," said former US Secretary of the Navy and former ambassador to Saudi Arabia Ray Mabus.

"I think we're significantly closer (to war), certainly than we were when we negotiated the (nuclear) treaty which from all appearances was working," said Mabus.

Question:

If a Prophecy was written over 2,000 years ago concerning a certain generation, saying that mankind would develop explosive devices in that particular generation and then Yahweh's Prophets give another Prophecy later showing those explosive devices will darken the sun and burn the earth in one hour, and then those Prophets die, do we not believe them?

If 2,000 years later the first half of the Prophecy foretold for that generation came to pass, as Yahweh's Prophets foretold, mankind had actually invented explosive devices/weapons for war, that their own "intelligence" states are capable to darkening the sun and burning the earth in one hour and it comes to pass in this present, prophesied generation, do we then believe Yahweh's Prophets?

Read the two reports that follow:

The article and essay below, from *Discover* magazine, deals directly with the consequences of nuclear war.

Dr. Thomas was one of the four American scientists who, at the invitation of Senators Edward Kennedy and Mark Hatfield, met in Washington in December for a three-hour open discussion with four Soviet counterparts. The subject of their discussion: the nuclear winter (DISCOVER).

Two scientific reports have recently been published, dealing with the probable effects of nuclear war upon the earth's climate and the life of the planet. The first discovery is already widely known within the scientific community of climatologists, geophysicists, and biologists here and abroad, and has been confirmed in detail by scientists in the Soviet Union. Computer models demonstrate that a nuclear war involving the exchange of less than one third of the total American and Soviet arsenal will change the climate of the entire Northern Hemisphere, shifting it abruptly from its present seasonal state to a long, sunless, frozen night. This

will be followed after some months by a settling of nuclear soot and dust, then by a new malignant kind of sunlight, with all of its ultraviolet band, capable of blinding most terrestrial animals, no longer shielded from the earth by the ozonosphere. In the same research, new calculations of the extent and intensity of radioactive fallout predict the exposure of large land areas to much more intense levels of radiation than expected. The report is referred to as TTAPS, an acronym derived from the investigators' names: Turco, Toon, Ackerman, Pollack, and Sagan.

The second piece of work, by Paul Ehrlich and 19 other distinguished biologists, demonstrates that the predictions of TTAPS mean nothing less than the extinction of much of the earth's biosphere, very possibly involving the Southern Hemisphere as well as the Northern.

Taken together, the two papers change everything in the world about the prospect of thermonuclear warfare. They have already received a careful and critical review by scientists representing the disciplines concerned, here and abroad, and there already appears to be an unprecedented degree of concurrence with the technical details as well as the conclusions drawn. In the view of some referees, the TTAPS report may even be understating the climatological damage implied by its data. The 20 biologists' paper, summarized by Professor Ehrlich, represents the consensus arrived at by 40 biological scientists at a meeting in Woods Hole, Massachusetts, last spring.

That article was from 35 years ago, imagine the power of today's nuclear weapons. The next article shows how swiftly nuclear destruction can take place.

One Hour Burning

Atomic Armageddon is just 30 minutes away – former US Navy advisor

Published time: 7 Dec, 2015 07:31 Edited time: 7 Dec, 2015 09:50

Dr. Theodore Postol, former advisor to the U.S. Chief of Naval Operations, a professor at MIT, nuclear technology expert.

Sophie Shevardnadze: *What happens, hypothetically, if there is a nuclear war? Will a doctrine like a mutual destruction doctrine ever work again?*

Dr. TP: ...somebody makes a bad decision with incomplete information, which is almost certainly what happens in the real world – information is never complete – you could have a massive use of nuclear weapons, and that, of course, would end civilization as we know it...

SS: *Now, Ted, tell me something. Explain to an amateur, to me, how does one launch a nuclear weapon? Is it as easy as pressing a button? How long does it take for a nuclear missile to reach its target?*

Dr. TP: The ballistic missile could be fired, basically,

within 50 or 60 seconds, more or less, after alert being given to the operators. The rocket will then ignite...then it would release warheads. The warheads would float in the near vacuum of space under the influence of gravity and momentum, and in about 20-28 minutes would arrive at their targets, re-enter the atmosphere and explode. So the world could be, basically, finished off in anywhere from half hour to an hour upon the arrival of these warheads. ...most nuclear warheads would be delivered in a very short time, probably within half hour or an hour interval.

The Savior, Yahshua Messiah, speaking of this end time generation, said the sun will be darkened.

Mattithyah 24:3

Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will be* the sign of Your coming and The End of the Ages?

Notice the phrase, 'The End'. The subject of this chapter is mostly The End–The End and the wars that bring the use of nuclear bombs, which Prophecy says mankind would have in this generation.

Notice this:

Mattithyah 24:33-34

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Again, notice **verse 34**: ...that generation will not pass until all these things...

'Will not', notice how positively the activities and timeline of that Prophecy is stated. No ifs, no ands, no buts!

Mattithyah 24:34 – all these things.

When you watch today's news and read the Prophecies, you see that the Prophecies written about 2,000 years ago are 100% accurate.

Mattithyah 24:7, 21-22

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes; environmental disasters, in place after place:

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

This is the first time in the history of mankind that the war-raging religions are capable of destroying all life from planet Earth.

Mattithyah 24:33-34

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* are near, at the very door.

34 Truly I say to you: That generation will not pass away, until all these things are fulfilled.

Verse 34: 'that generation' started in 1934 with the start of the nuclear bombs.

The prophesied bombs that can darken the sun and burn the earth in one hour, actually started in the year 1934. That started the generation of the nuclear bomb.

Read the following article and notice the date, 1934.

Leo Szilard – Patenting the Atomic Bomb

Hungarian physicist, Leo Szilard was the first person to conceive of the nuclear chain reaction and the atomic bomb. He was noted for his contributions to the fields of thermodynamics, biophysics, nuclear physics, and the development of atomic energy.

Leo Szilard was part of the group of scientists that invented the atomic bomb as part of the Manhattan Project.

Leo Szilard – Nuclear Chain Reaction Patent:

On July 4, **1934** Leo Szilard filed the first patent application for the method of producing a nuclear chain reaction aka nuclear explosion. His British patent included a description of a “neutron induced chain reactions to create explosions”, and the concept of critical mass. The patent was given to the British War Office as part of the war effort.

nuclearweaponarchive.org

That article shows us the beginning of the prophesied generation spoken of in **Mattithyah 24:34**. It shows the starting date, 1934, of the bombs that can darken the sun when compared with the Prophecy of the bombs in: **Mattithyah 24:29**

Immediately, *but* after the *Great* Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

Mattithyah 24:29 – sun will be darkened

Mattithyah 24:33 – when you see all these things

Mattithyah 24:34 – that generation

Prophesied Warning

Yahweh has warned mankind from the beginning that their evil practices would bring them to this destructive generation. The

Savior, Yahshua Messiah, also warned them and they murdered Him, just as they did His Disciples and Yahweh's Prophets.

Mankind has finally come to the generation of destruction, and the Warning is going to all nations of the Earth, as Prophecy shows it would.

Read this Prophecy:

Mattithyah 24:14

And this Joyous Message of the Kingdom of Yahweh shall be preached in all the world *from* The House of Yahweh *at* Abel by the Witness Yisrayl; for Yahweh will be with him. *He will preach this Message* to all nations; and then The End will come.

Revelation 22:12-16

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they will have right to the Tree of Life, and will enter in through the gates into the City.

15 For outside *are* dogs, and sorcerers, and whoremongers, and murderers, and worshipers of Gods (elohim) and everyone *who professes* to love, yet practices breaking the Laws.

16 I, Yahshua, have sent My Messenger to testify to you these things in the congregations of The House of Yahweh. I am the Root and the Offspring of David, *and* the Bright and Morning Star.

Verse 16: House of Yahweh?

Yes, The House of Yahweh was foretold to be established in this generation also.

This Generation Called The Last Days

See now:

Micahyah 4:1-3

1 But in the Last Days it will come to pass *that* the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will *eventually* flow to it.

2 And many nations will come and say; Come, and let us go up to the mountain; *uplifting*, of Yahweh, and to the House of the Father of Yaaqob, and He will teach us of His Ways, and we will walk in His Paths. Because the Laws will depart from Zion, and the Word of Yahweh from Yerusalem.

3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up sword against nation, nor will they learn war anymore.

Isayah 2:2-4

2 It will come to pass in the Last Days, *that* the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations, and will be raised above all

congregations; and all nations will eventually flow to it.

3 And many people will go and say; Come, and let us go up to the mountain of Yahweh, to the House of the Father of Yaaqob, and He will teach us of His Ways, and we will walk in His paths. For the Laws will depart from Zion, and the Word of Yahweh *will depart* from Yerusalem.

4 He will judge among the nations, and will rebuke many people; they will beat their swords into plowshares, and their spears into pruninghooks; nation will not lift up sword against nation, neither will they learn war anymore.

A great gathering is being brought together by The House of Yahweh in this generation. This is shown in:

Yeremyah 23:5-8

3 But I will gather the remnant of My flock out of all countries where they have been driven, and bring them back to their folds, and they will be fruitful and increase.

4 And I will set up shepherds over them who will feed them; and they will fear no more, nor be dismayed, neither will they be lacking, says Yahweh.

5 Behold, the days come, says Yahweh: that I will raise up a beloved, Righteous Branch, and the Messenger whom I have sent to be My Messenger thus shall succeed, and will execute Judgment and Justice in the earth.

6 In His days, those who reverence Yahweh will be saved, and the Called Out Ones will dwell safely; and this is the Name that He will proclaim to them at Abel–Yahweh Tsidqenu: Yahweh our Righteousness.

7 Therefore behold, the days come, says Yahweh, that they will no longer say; As surely as Yahweh lives Who brought up the

children of Israyl out of the land of Egypt;

8 But they will say; As surely as Yahweh lives Who brought up and led the seed of the house of Yisrayl into the Protected Place at Abel, and from all countries where they had been driven; and they will dwell in their own land.

To learn more about these Prophecies, you need to read the books I wrote in the 1970s, *The Mark of the Beast*, Volumes 1 and 2, which were published in the early 1980s.

Since their publication, many of the Prophecies written therein have come to pass. The remainder will come to pass very soon now because we are nearing the end of 'that generation', spoken of by Yahshua in **Mattithyah 24**.

You need to become a part of this Work. The great gathering is taking place now. Call, write or email us about how you can become involved, or just come as Yahshua Messiah said:

Revelation 22:16-17

16 I, Yahshua, have sent My Messenger to testify to you these things in the congregations of The House of Yahweh. I am the Root and the Offspring of David, *and* the Bright and Morning Star.

17 And the Spirit and the brides, say: Come! And let him who hears, say: Come! And let him who is thirsty come. And whoever will, let him take the Water of Life freely.

Yahweh bless your understanding.

Love, True Love,

Yisrayl Hawkins
